DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto—Market lower; light trading.

New York — Market slightly higher; quiet trading.

Montreal—Market lower; light trading.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7 15-16 per cent in terms of Canadian funds, down 1-32 from Wednesday's close. Pound sterling closed at $3.03 1-16, down 1-16.

NEW YORK

NEW YORK (AP)—Substantial gains by savings-and-loan stocks and some gold mining issues highlighted trading Thursday as the stock market carved out its fifth-straight clear - cut advance. Trading was moderate.

It was the longest upside streak since a string of eightadvances topped out Feb. 8.

For most of the day, the market was only irregularly higher and the gain on average was slight but a final buying movement put the list up to the best level of the day.

The savings and loan holding companies came back to life in the wake of published reports that legislation that would stiffen taxes for these institutions will probably be shelved, since a trade bill is being given priority.

The gold- mining stocks responded into a boost in the price of gold bullion in London trading.

Dow industrials Thursday rose 4.39 to 583.87.

VOLUME ROUTINE

Volume, however, was a routine 3,350,000 shares compared with 3,920,000 Tuesday, showing that the rally seemed to be running out of steam.

The rise was accomplished mainly by gains among rubbers, electrical equipment and mail order-retail as well as selective advances by key chemicals and utilities.

The Associated Press average of 60 stocks rose 1.50 to 216.80.

Among the gold mining issues, Homestake rose 1⅞, Dome Mines 1½, Campbell Red Lake ½, and South American Gold and Platinum ⅛, while McIntyre Porcupine dipped ⅝.

An estimated $2,000,000,000 was added to the quoted value of stocks listed on the New York Stock Exchange, based on the rise in the AP average.

Among other Canadian issues on the upside were Walker-Gooderham, ahead ½, Granby Mining, up ¼, and Canadian Pacific and International Nickel, ahead ⅛. Distillers Seagrams fell 1⅛ points.

Prices on the American Stock Exchange also were higher on balance. Fargo Oil and Jupiter Corp. were up ⅛ and Scurry Rainbow Oil rose ¾.

Shawinigan was down ¼. Brazilian Traction and Canadian Marconi lost ⅛.

TORONTO

TORONTO (CP)—Despite a boisterous boost from a blaring Shriners' band, the stock market moved steadily lower Thursday.

The Shriners' invaded the trading floor for a half hour this morning toting tubas, trumpets and trombones. Music drowned out the normal trading noise; finally most work stopped as traders clustered around the band from Memphis, Tenn.

When normal activity resumed, stocks picked up their steady downward movement. Industrials closed with an index loss of more than four points while golds showed the only gain.

In the main list, Distillers Seagrams dropped two points to 39½ and Dominion Foundries and Steel 1¾ to 50⅝. Bank of Montreal fell a point, Moore Corporation ⅞ and Royal Bank ⅝.

Losses of ½ went to Abitibi, Alberta Gas and Imperial Oil. Steel Company of Canada, Shawinigan and Bell Telephone all declined in a ¼ to ⅝ range.

On the exchange index, industrials fell 4.35 at 532.67, base metals .61 at 184.65 and western oils .19 at 96.46.

In base metals, International Nickel fell ⅝ and Falconbridge ½, while Labrador and Hudson Bay Mining both rose ½. Speculatives saw Northgate climb 25 cents to $8.05.

Probe Asked Of Plans For New Seaway

OTTAWA (CP) — The Canadian and American governments have agreed on a reference to the International Joint Commission asking study of a waterway route between the St. Lawrence and Hudson rivers, it was announced Thursday.

External Affairs Minister Green said the two governments sent identical letters to the commission Thursday asking it to look into the question of improving the present waterway or developing a new one.

The link is through the Richelieu River and Lake Champlain along the natural corridor running south from the St. Lawrence into New York state.

The IJC, which controls international waterways along the Canada-U.S. border, was asked to report on the various routes available, the cost of developing them and the benefits which both nations could expect.

Cashin's Win Is Confirmed

ST. JOHN'S, Nfld. (CP)—Richard Cashin, 25-year-old Liberal making his debut in federal politics, defeated Solicitor-General W. J. Browne by 45 votes in St. John's West, the returning officers' final check disclosed.

Mr. Browne said after the check he expects to request a recount. He had four days in which to make application for it.

Mr. Browne led the seat by 170 votes after the general election vote was counted June 18, lost on the armed services vote and slipped back another six votes Wednesday in the declaration day count.

Mr. Cashin wound up with a total of 12,679 votes while Mr. Browne had 12,634. New Democratic Party candidate Stan Ross had 283.

Returning officer William J. Stoyles started opening ballot boxes Tuesday to check and retotal the deputy returning officers' tally sheets which had been locked inside on election night.

The recheck knocked three votes off Mr. Browne's total while Mr. Cashin gained three, adding six votes to Mr. Cashin's former 39-vote majority.
