Happenings Of The Week

Continued from page 2

Mr. and Mrs. James Warren with their daughter, Gail and son, Peter, have returned to Moncton, N.B., after visiting Mr. Warren's parents, Mr. and Mrs. Preston Warren, Summerside, last week-end.

Mrs. Hazel Dystant, Mrs. Thomas Bishop and Mrs. Ralph Bishop motored to Sackville, N. B., on Tuesday. On their return home, they were accompanied by Mrs. Dystant's daughter, Miss Ann Dystant, a student at Mount Allison University, who will leave shortly for London, Ont., where she has accepted a position as a dietitian at the military hospital there.

Deepest sympathy goes out to Mrs. Jean MacFarlane and Miss Doris Walker of Summerside, in the sudden death of their mother, the late Mrs. Robert Walker.

Mr. and Mrs. J. Frank Arnett, Summerside, and Mrs. Arnett's sister, Mrs. E. C. Blundell of Hudson, Wisconsin, sailed from New York yesterday, on the liner Italia for the British Isles. They will attend the International Rotary Convention in Paris and the coronation in London.

Mrs. J. C. Simpson, Summerside, motored to Sackville, N. B., on Tuesday and was accompanied on return home by her son, Charles, a student at Mount Allison University, who left on Thursday for Kingston, Ont., where he will attend the Royal Military College.

Mrs. Heath Strong will leave Summerside later this month, on an extended tour of England and the Continent. She will sail from Halifax on the liner Newfoundland and attend the coronation before proceeding to other countries in Europe.

Mrs. H. J. Larkin has returned to her home in Alberton, having spent the winter in Montague, the guest of her daughter and son-in-law, Mr. and Mrs. G. G. Bennett.

Mr. Gordon White, Alberton, left Monday morning on a motor trip to Calgary and Banff. Mr. White, who plans to travel through the United States, expects to be absent six weeks.

Taddy Bear

"If I could swim as she can, I would've repaid Mother Bear. But I couldn't no more catch a fish in that deep water than you can." The two young Otters were down to the edge of the water. Mother was just a little way out, and she had that fish in her mouth. Was she teasing those hungry kits trying to get them to swim out to her? Or was she selfishly keeping that fish for herself?

The kits were whining and begging mother to bring the fish back. "Why don't they swim out and get it? I would if I were one of them," said Taddy Bear.

Mother Bear grinned. "Would you?" said she. "I wonder, I seem to remember a cub who fell in the water, and cried for his mother?" Taddy Bear looked away and said nothing.

Present Quilt To Mrs. St. Laurent

OTTAWA, (CP)—From now on, the St. Laurents will have the coat of arms of Ontario to keep them warm. A hand-made quilt with the coat of arms on it was presented to the wife of the Prime Minister by the 56 Liberal members of Parliament from Ontario. The presentation was made by G. E. Nixon (L-Algonia, West). Ontario Liberal whip, who said the gift shows the high esteem in which Mrs. St. Laurent is held.

VICTORIA, (CP)—The Greater Victoria Arts Centre launched a five-year fund-raising campaign with an objective of \$25,000, and raised \$8,710 within three months. At the same time 300 new members brought the total to 900.

BURGESS BEDTIME

Continued from page 10

the edge of the bank above her were hungry. They wanted some of that fish. Never had they wanted anything more than they wanted that fish. Their mouths watered. Their noses twitched. They moved about uneasily. Finally, one started down that bank, slowly and very, very carefully. The other hesitated, walking back and forth on the bank then followed. Down the bank they made their way, slowly, and oh, so carefully.

"They are afraid," said Taddy Bear to Totty Bear. "They are afraid they will fall in the water." He spoke a little scornfully. He had forgotten how afraid he was when he had fallen in a much smaller pool.

"They won't be afraid of the water long," said Mother Bear. "Just as soon as they learn to swim they'll spend more time in the water than out of it." She paused, then added, "I wouldn't mind that fish myself."

"Why don't you go in and catch one the way Mrs. Otter did?" asked
