

Wednesday—Big Day For S'ide Fireman

—Wednesday, November 11, was a notable day in the life of "Colonel" Fred MacLeod, assistant chief of the Summerside Fire Department, for on that day he celebrated a birthday, although he is not saying which one; on the same day he observed the 40th anniversary of his joining the Summerside Fire Department and as a veteran of the first war he once again marched with the veterans to the cenotaph to honor the memory of fallen comrades, many of whom he had fought with side by side in Flanders field.

Summerside on Wednesday evening presented "The Colonel" with a beautifully decorated birthday cake and in a few appropriate words Mr. Donald Stewart conveyed the congratulations of his many friends and the wish for many happy returns of the day.
