IN MEMORIAM

In loving memory of Louis Averb who passed away November 21st, 1952.

We often sit and think of you, And then of how you died, To think we could not say good-bye Before you closed your eyes.

The pain was hard the shock severe, We never thought your death so near;

And only those who have loved can tell The pain of parting without farewell.

Remembered by Mr. Seymour Acorn and Family.

IN MEMORIAM

MRS. BARTON MACDONALD
The passing of Mrs. Barton MacDonald, at the Souris Hospital, on November 12, 1954, brought sadness to the family and the many friends in Kingsboro and the surrounding communities.

Mrs. MacDonald, the former Emily Bertha Fraser, was born in Red Point in 1892, the daughter of the late Alfred and Jessie Fraser. She was a member of the Baptist Church and was greatly interested in the work of the Women's Missionary Society. She accepted her community responsibilities willingly, and performed them well, but her chief interest lay in the home. She was a devoted wife and mother. During the past year or so she knew great suffering but to the very end her chief concern was for those she loved.

She will be greatly missed by her husband, Barton MacDonald, and son Gordon, at home, and by her daughter, Mildred, (Mrs. Carl MacVane), Bothwell, as well as her brother, Elmer Fraser, South Lake, and sister, Aida, (Mrs. L. D. Rose), Lakeville.

The funeral services were held on October 15 from her late residence to the East Point Baptist Church, and were conducted by Rev. D. I. McClare. The hymns sung were: "A Home on High," "We'll Never Say Good-bye in Heaven," and "Good-night and Good-Morning." Interment was in the South Lake Cemetery.

The pallbearers were: Messrs. Louis MacInnis, Willard Ching, Freeman Mossey, Lloyd Kennedy, George MacDonald, and Lo well Ching.

The floral tributes included: Pillow: Dad and Gordon.

Wreath: Mildred, Carl and Family, Aida, Livingstone and Robert, Elmer and Della.

Basket: Beth and Russell Ching, Mrs. Carrie MacVane.

Sprays: Miranda, Martha and Wesley, Mrs. Fred Robertson and Family.

Amanda, Carol and Betty, Hilda and Fred, Wallace and Lydia.

Lydia and Rhoda, May and Jimmie, Edna, Lyman and Family, Inez and Walter Dixon, Evelyn and Allan MacDowell.

BUSY WATERFRONT SCENE AT MURRAY HARBOUR YESTERDAY

With draggers, motor vessels, a government dredge, and scows tied up at Murray Harbour wharf the village showed a lively waterfront yesterday.

Storm warnings had sent the draggers in from the open seas, including the Gloria May, the Cape Bear and Murray Harbor No. 1. All of the draggers land their catches in Souris.

Murray Harbor No. 1 holds the record for largest catch of fish ever landed by an Island boat, more than 76,000 pounds. Murray Harbor No. 1, as the name implies, is the village whose name it bears. It was earlier in the summer when the boat docked at Souris with its record load of fish. Sixty thousand pounds of the catch was made up of large haddock. There was also some scrod haddock, some cod and flounders.

Captain James Harris skips the boat and the crew members are: Fred Harris, William J. Harris, George Harris, and Laurie Herring.

Captain H. H. Cahoon of Murray Harbor in the motor vessel Shirley Aletta has just returned from a produce-carrying trip to Cape Breton ports including Louisbourg and Glace Bay.

The motor vessel C. A. Rowland out of Murray Harbor is now on her fourth trip to Newfoundland this autumn. Under command of Captain Royal White the vessel carries produce to the tenth province, and will be busy until the shipping season ends.

Steps are being taken by interested residents of Murray River to have the village incorporated. The wishes of the people of the village on this question were expressed some time ago and the voters have changed their minds on the question, and that its backers have strong hopes of a reversal of the previous verdict.

Murray River folks are highly appreciative of the picture now showing in the very modern village theatre, "The Mayfair." A cine-mascope production, with full four track stereophonic sound, "Three Coins In The Fountain" is one of those rare pictures which has an appeal for every theatre-goer. It will be shown tonight at the Mayfair for the last time.

The Week at S. D. U.

Two years ago the St. Dunstons football team defeated the Halifax Wanderers by a score of eleven to nothing and thereby won the McCurdy Cup, emblematic of English rugby supremacy in the Maritimes. Today, by virtue of their win over Nova Scotia Tech on Saturday, November 12, and thereby gaining the Maritime Intercollegiate rugby championship, they play again with the McCurdy Cup as their goal. Their opponents are the Saint John Mariners, whom we saw defeat the Nomads on Saturday, November 5. Can S.D.U. win again this year? This is the question on the lips of every St. Dunstan's student this week. Today we shall see. This promises to be a football game long to be remembered in the annals of St. Dunstan's.

Another Maritime Intercollegiate rugby series has gone down into history and again the St. Dunstan's team, as it did two years ago, come out on top. Nova Scotia Tech put up a good fight here on Saturday, but in vain, as Reardon's field goal and Paul Jay's try showed them that St. Dunstan's was second to none. The game, played on a frozen, snow covered field, was a rough-and-tumble affair throughout. In the first half the play was in favour of the visiting team but they failed to score. In the second half St. Dunstan's took charge of the play and Reardon made it 2-0 by a beautiful field goal that sent the fans wild. A few minutes before the game ended, Paul Jay blasted his way through the Tech team from twenty-five yards out for the only try of the game. To the members of the team: Paul Jay, Rodney MacInnis, Lewis MacDonald, Arnold Mullin, Jack Reardon, Frank Slowey, Bob Mooney, Dick Wedge, Tom McCaughey, Jerry Johnston, Gus Dorais, Aquinas Ryan, and John Kelly, to their coach, A. J. MacAdam, and to their very efficient manager Eugene Mooney, we extend congratulations.

The so-called "juvenile" Juniors showed that they are not so juvenile by virtue of winning the College Drama Festival held in the St. Dunstan's auditorium on Wednesday night. The adjudicator, Mr. J. Pius Callaghan judged the junior class presentation, "The Doctor From Kilmuir", to be the best of the four plays presented under the auspices of the St. Dunstan's Dramatic Society. To the director

rather Roche and the very talented cast, the Week offers congratulations. The adjudicator praised Mr. Seaman as being the best "actress" (since he played a feminine role) of the evening and Kenny MacDonaid as being the best actor. Other plays presented were "The Defeat", presented by the sophomores, "The Despot", presented by the senior class and "The Devil and Daniel Webster" presented by the Freshman. The college Glee Club supplied musical entertainment during the intermissions.

Sports are really going full swing here at the college this week with football, hockey and basketball being played by the students. The intramural football play-offs are being held between Grade XII and the Freshmen. Probably the greatest surprise in intramural football history took place this week when the Freshman class having won only a few games during the season, defeated the very strong Grade XII team, which had previously not been defeated, having won most of their games by shut-outs. Pic "The Worm" Belidau really lived up to his name as he wormed his way through the Grade Twelve team and crossed the line for the only try of the game. The play-offs are being decided on a two out of three basis.

As the football season draws to a close our minds naturally turn to basketball and hockey. The first practice of the college hockey team was held in the Charlottetown

Forum on Thursday afternoon, November 18. The basketball team had its first practice at the beginning of the week, being somewhat handicapped by the loss of Johnny Taylor, one of last year's outstanding players.

One may get the impression from this article that sports take a paramount place here at S.D.U. No, the students are studying as well as playing and in a week or so practically all sport will cease and the Christmas exams will begin. One of the mottoes of the college is "Studies first, Sports second."
