

Boston Scores Three Goals In 5 Minutes To Tie Hawks

BOSTON (CP)—Down 3-0 at the end of two periods, Boston Bruins scored three times in five minutes to pull out a 3-3 tie with Chicago Black Hawks in their National Hockey League game Thursday night.

The result, coupled with the games in the other two NHL games played Thursday night, left the standings unchanged with

both clubs locked in a three-way tie with New York Rangers for third place.

The Hawks appeared to be headed for an easy victory as Jack McIntyre shot them into the lead in the first period and Harry Watson and Nick Mickoski fired goals 17 seconds apart in the second.

But the Bruins, plagued by a

scoring slump most of the season, came out of it with a bang. A slap shot by Doug Mohns put them on the score sheet at 4:24 of the final frame. At 5:46 Vic Stasiuk fired one home between the legs of Chicago goalie Al Rollins.

Then veteran Cal Gardner flipped a shot over Rollins' shoulder at 8:24 to put the Bruins back into the game.

Rollins stopped 32 Boston drives to 25 saves for the Bruins' Terry Sawchuk.

Penalties: Wolt 12:30, Flaman 19:05.

Third period: 4. Boston, Mohns (Ferguson, Gardner) 4:24; 5. Boston, Stasiuk (Panagabko, Tesser) 5:46; 6. Boston, Gardner (Ferguson) 8:24.

Penalties: Sawchuk 9 6 10-25

Ray Lacroix deflected in defenceman George White's blue-line shot at 32 of the first. Frank Kuzma put Saint John on even terms three minutes later, when his attempted pass-out from the corner hit the side of Pidsodny's pad and bounced into the net.

Saint John, playing without the services of defenceman Bill Barrett and forward Vip Palladino, both out with injuries, moved in front when Mark Boileau's shot

from a sharp angle slipped over the goal line at 5:45.

Stukus Not Interested In Coaching Any Team

VANCOUVER, (CP) — Annis Stukus, fired last week as coach of the British Columbia Lions, said here Thursday "I'm no longer interested in coaching Lions or any other football team."

Asked by the Vancouver Province if he would accept the position of general manager with the Lions, Stukus replied: "I definitely would consider it if the office was offered me." The Lions have been members of the Western Interprovincial Football Union for the last two years.

Stukus said he wasn't "entirely through with football or the B.C. Lions. Frankly, I'm tired of the fuss and fearful of what it will do to football."

The 41-year-old coach was fired last week by a 13-10 vote of the directorate.

Wednesday night, 300 club members recommended the directors reconsider their decision.

The "keep-Stukus" supporters will present their recommendation as a resolution to an emergency general meeting Nov. 17.

Ramblers Dump Capitals To Retain League Lead

FREDERICTON (CP)—Amherst Ramblers maintained their lead in the Atlantic Coast Senior Hockey League Thursday night with a 9-6 win over Fredericton Capitals. The Fredericton loss, combined with a Saint John Beavers victory over Moncton Hawks, sank Caps to third place under Beavers, who had been tied with Fredericton.

Although Caps outscored the visitors 3-1 in the third period, Ramblers had piled up too great a margin to be overtaken. The winners gained a 6-2 lead in the first and increased it to 8-3 in the second.

Both Pierre Brilliant and Henry Therrien fired a brace for Amherst and Brilliant had one assist. Jackie Schmidt scored once and helped two. Other Ramblers tallies were by Bob Reid, Fern Bernaquez, Emmett Kennedy and Jean Leclerc.

Playing coach Hughie Campbell led the Fredericton scoring column with a goal and four assists. Ralph Miles had one and three and Buck Whitlock one and two. Cap goals also came from the sticks of Bill McDonagh, Doug McPhee and Joe McIntosh.

Summary: First period: 1. Amherst, Brilliant (Reid, Schmidt) 4:2; 2. Fredericton, Miles (Campbell) 14:49; 3. Amherst, Brilliant (Schmidt) 6:46; 4. Amherst, Therrien 11:11; 5. Fredericton, Whitlock (Campbell, Miles) 14:54; 6. Amherst, Reid (Therrien, Bernaquez) 15:20; 7. Amherst, Therrien (Bernaquez, Campbell) 15:27; 8. Amherst, Schmidt (Brilliant, Leyte) 18:24.

Saints And P W C. Today; Nomads, Swastikas Tmr.

A full slate of games is in store for football followers today and tomorrow when the second Saints meet P.W.C. and the Nomads play host to the Windsor Swastikas in their final game of the N.S.-P.E.L. rugby league.

The Saints are playing P. W. C. today in the second game of the Island intermediate playoffs for the Zaken Trophy. In the first encounter last week the powerful Saints steamrollered over the

Welshmen 25-2 and showed marked superiority in almost every department. But the Welshmen cannot by any means be counted out yet.

One of the outstanding trademarks of all P.W.C. teams has always been determination and a fighting spirit that grew more pronounced as the odds against them lengthened. A little thing like a 25-2 defeat won't put out that fire and when the Welshmen take to

the field at St. Dunstan's this afternoon, you can bet your life that they will give the Saints a hard time before the whistle sounds the game's end. Kickoff time is 3:45.

What might be the last senior game of the year in Charlottetown will be played at Queen Charlotte High Field tomorrow afternoon. The Nomads with the N.S.-P.E.L. league title in their grasp need only a tie with the Swastikas to salt it away. And advance to the McCurdy Cup playoffs against the winner of Acadia - St. John Mariner game also being played tomorrow.

What Are The City's '55 Hockey Prospects?

The biggest question being asked by this moment is "What's ahead for the city in the hockey department this year?" The sudden demise of Maritime major hockey in town has left fans if not stunned at least a little puzzled. The simplest way of answering this question seems to be by asking another. "What did Charlottetown have before the 'hardrock' brought his tough little family for a five year visit back in '50'?"

Most of the local hockey faithful apparently haven't asked themselves that one yet. What we had of course was intermediate, junior, and practically all of the classes of hockey approved by the C.A.H.A. Make no mistake about it we had some of them last year, the year before and the year before that but they were so overshadowed by the colossus of the pseudo-amateur team in town that practically no one but the most ardent knew they were in existence.

Still only 27 years old Gordie has had a fairly long and colorful hockey career. He was born in Quebec City and played minor and junior hockey there. He moved to Windsor where he was a hot prospect in the Detroit farm system while he tended the net for Spitfires in the Junior A league. In 1948-49 in played goal for Chicoutimi, the year before the team entered the Q.S.H.L. and from there he went to Cornwall where he stayed for four years as their regular netminder.

Gordie was transferred to Pembroke by his company in 1953 and it was then that he started to play for the Lumber Kings. During his stay in Pembroke he coached Pee Wee and Bantam clubs and when he decided to retire as an active player he took over a coaching job with the Little Lumber Kings, a junior squad, and his team went on to capture the Citizen Shield.

Citizens of Pembroke were not at all happy about Gordie's transfer to Charlottetown and Al Sheehan writing in the Pembroke Observer says: "Gordie has made many friends in Pembroke and leaves behind memories that rate him one of Pembroke's top goal-minders and Top Citizens." We may be a trifle late but we would like to welcome Gordie, his wife Doreen and their three children to Charlottetown. They are still comparatively new citizens of our city and hope that their stay has been and will continue to be a happy one.

Red Wings And Rangers Battle To 1-1 Stalemate

DETROIT, (CP)—Detroit Red Wings and New York Rangers traded second-period goals for a 1-1 tie Thursday night, giving the National Hockey League champions their first point in three games against the New Yorkers.

The last-place Wings, who yielded only one victory and one tie to the Rangers throughout last season but lost to them in their first two meetings this year, took a temporary lead as Red Kelly scored early in the second period while his club was enjoying a two-man advantage on penalties to Dean Prentice and Bill Gadsby.

But Wally Hergesheimer evened the count before the period ended, flashing passes from Ron Murphy and Dave Creighton, and that finished the scoring for the night.

Lorne Worsley, probably the busiest netminder in the league, kicked out 37 Detroit drives while Glen Hall handled only 15 at the other end—just one more than the New York goalie had to stop in the second period alone.

Ten of the game's 14 penalties were handed out in the first period, highlighted by a battle between Murphy and Detroit's Jerry Toppazzini, both of whom drew minors and majors.

Summary: Scoring: None.

Penalties: Toppazzini 5:38, Goldham 5:43, Horvath and Lindsay 6:19, Gadsby 10:36, Toppazzini (minor and major) 13:17, Hergesheimer 17:12.

Second period: 1. Detroit, Kelly (Reibel) 7:09; 2. New York, Hergesheimer (Murphy, Creighton) 16:42.

Penalties: Godfrey 4:03, Prentice 5:33, Gadsby 6:06.

Penalties: Howe 18:00.

To Investigate Legality Of Grey Cup Club

CALGARY (CP)—City police are investigating the legality of the Calgary Stampeders' Grey Cup Club, which collects an additional \$10 from every Calgarian who attends the annual football classic.

Chief constable Larry Partridge said Thursday he had received a complaint questioning the right of the Western Interprovincial Football Union club to demand the extra payment above the price of the ticket. The money is used for the football club's operations.

The Grey Cup Club has been operating since 1950, and is described as a variation of a plan used in other cities in the professional grid group.

Walls' Retirement Plans Fill Scribe With Gloom

LONDON (CP)—Peter Wilson, sports columnist of The Daily Mirror, is filled with "considerable gloom" by the news that Canadian heavyweight champion Earl Walls has retired both from a fight with a giant South African and the ring.

"What is happening to the tough, tough old game of boxing?" asks Wilson.

"Good heavens, here's a properly-trained athlete of only 27—normally the peak period for a heavyweight—with 7½ years' experience in the professional ring, cancelling a fight with an opponent who, although he is admittedly a giant seven feet, two inches, has had only nine professional bouts."

Walls was to meet Ewart Potgieter, a 320-pound hunk of fighter, here this month. In electing to retire, the Toronto boxer said he felt the risk of injury in boxing exceeded the returns.

Wilson contends that the ghost of old Bob Fitzsimmons "must be turning red with rage." In 1900 Fitz tackled a character called Ed Dunkhorst, "the human freight car," and polished off the 316-pound hefty in the second round. Fitz then was nearly 38 and weighed about 170 pounds.

"Walls could at least have proved whether Potgieter can take it as well as dish it out with a series of ponderous prods," says Wilson.

"Walls had one of the best left hooks in the business."

Sloan Nets Two More Third Period Goal Gives Leafs Draw With Canucks

MONTREAL, (CP)—Ron Stewart scored with only seconds remaining Thursday night to give Toronto Maple Leafs a 3-3 tie with Montreal Canadiens in a National Hockey League game. It was the third tie of the night in NHL play.

The tie kept the Torontonians in second place in the National Hockey League race.

It was a see-saw battle in which Tod Sloan twice gave the Leafs a lead, scoring his eighth and ninth goals of the season, and Bernie Boom Boom Geoffrion powered home two goals in the final period for Montreal. Floyd Curry scored late in the first period to pull Montreal even at that stage.

Games on foreign ice that the Leafs have averted a loss.

Goalie Harry Lumley had been taken from the Toronto net with a minute to play and it looked as if Canadiens had the game in the bag. Dickie Moore of Montreal and the Leafs' Tim Horton came tearing down after Moore had shot wide for the open net from his own end. When they both went after the puck Moore was called for a spearing penalty. There were only 31 seconds left. Lumley was hustled back into the cage and the Leafs tore

loose on a power play.

Summary: First period: 1. Toronto, Sloan (Armstrong, Duff) 6:15; 2. Montreal, Curry (LeClair, St. Laurent) 11:4.

Penalties: Morrison 2:38, Moore 9:00, Beliveau 12:13, Cahon 12:13.

Second period: 3. Toronto, Sloan (Armstrong, Thomson) 5:48.

Penalties: Johnson 0:30, 16:53, Olmstead 7:01, Sloan minor and misconduct 9:57.

Third period: 4. Montreal, Geoffrion (Beliveau, Olmstead) 10:45; 5. Montreal, Geoffrion (Olmstead, Moore) 15:00; 6. Toronto, Stewart (Morrison, Migay) 19:52.

Penalties: M. Richard 6:23, 15:50, Cahon 10 minute misconduct 10:45, Horton 13:40, Beliveau 14:39, Thomson 14:39, Morrison 15:50, Moore 18:20.

ROUGH BATTLE

It was a typical Toronto-Montreal battle, before 13,801 fans. Rough play cropped up throughout and in the final period a donnybrook threatened.

Referee Frank Udvardi had his hands full all night and handed out two misconduct penalties—to Sloan and Larry Cahon of the Leafs—in addition to 15 minor penalties.

It was the first time in six

months that the Leafs have drawn with the Canadiens in a home game.

The former world middleweight champion, who made a dressing room announcement that he was retiring from the ring after being knocked out by Gordon Wallace of Brantford, Ont., last month, told the British Boxing Board of Control he is relinquishing his British and Empire light heavyweight titles.

Turpin said he wants to get rid of his titles since he did not wish to be committed to defend them in the next few months.

Turpin's manager, George Middleton, said that after about four months Turpin might try to regain the British title.

Wants To Bring Triple A Ball Back To Ottawa

OTTAWA (CP)—Frank Shaughnessy, president of the International Baseball League, is interested in bringing back triple A ball to Ottawa.

The directors of the Central Canada Exhibition Association said Thursday they have received a letter from Mr. Shaughnessy saying he hoped to meet with the directors on the question some time.

Triple A ball was discontinued here last year when Kansas City bought Philadelphia's baseball interests.

Turpin May Try A Comeback

LONDON (CP)—Randolph Turpin Thursday gave up his last ring titles but indicated that in several months he would try to win back the British light heavyweight crown.

Parker Replaces Earl Walls

LONDON (AP)—Canadian heavyweight James J. Parker Thursday agreed to tackle the seven-foot-two, 320-pound South African Ewart Potgieter in a 10-rounder at Harringay Arena Nov. 15.

Parker takes the place of Earl Walls, a Canadian heavyweight champion, who announced his retirement this week.

Parker, of Barrie, Ont., is a former cowboy with 30 wins in 24 fights, 22 of them by knockouts. He is 224 pounds and stands six feet, five inches.

Potgieter has won nine straight—all of them against little-known fighters. Parker is his first big test.
