Urges Increase In Social Services

HALIFAX, March 23 —(CP) — C.C.F. leader Russel Cunningham said today that all political parties now are committed to more social services and the welfare state.

He urged the Nova Scotia Legislature to take the lead by boosting old age pensions and mothers allowances and establishing higher minimum-wage levels.

Mr. Cunningham spoke in the Throne Speech debate, finishing an address he began yesterday.

He was followed by Premier Angus L. Macdonald who said he welcomed the "tone and temper" of speeches in the debate by the leaders of the two Opposition parties—Robert Stanfield of the Progressive Conservatives and Mr. Cunningham.

Mr. Macdonald will finish his speech tomorrow.

Summerside Airport News

With Saint Patrick's Day celebrations over and spring breaking through with fine weather, things have started to move at the air station.

The Corporals are working very hard to move into their new Club this Saturday, although the official opening will not be until the 31st March, for which a dance and special programme have been arranged. The Club has been attractively decorated by Cpl. J. B. Murphy and the members, their wives and guests will enjoy great comfort during their stay at this unit.

Cpl. and Mrs. Ackerman are being welcomed to the station on posting from Goose Bay, Labrador, where they have just completed two and a half years service. Cpl. Ackerman is a member of the Service Police.

Ltc. and Mrs. Dan Snow and family who have been stationed at this unit for the past two years were recently posted to Goose Bay. Their many friends wish them the best.

It was learned today that twelve more new homes were turned over to the Airforce and the airmen who will be occupying them will be moving in very soon.

Many of the station personnel were treated to a very fine basketball game in the Drill Hall on Monday night when the R.C.A.F. Flyers won from Ray's Millionaires 70 to 35.

On Tuesday nights the ladies from the married quarters have been enjoying the use of the bowling alleys and they have been getting a good turn out. It is good to see them taking an active part in station sports.

The fashion show being staged by the officers wives on Thursday and Friday nights of this week is causing great interest and a large crowd is expected.

Friends will be glad to hear that Mrs. J. Kearns who has been a patient at the Charlottetown Hospital for the past week for a minor operation is up and around and feeling much better.

An enjoyable card game was held at the home of Mrs. Harold Moon recently with six tables of forty-fives being played. Mrs. 'Paddy' Chambers won the high score and Lac. 'Jock' Rodd the low. Refreshments were served by Mrs. Tobin, Mrs. Smith and Mrs. MacDonald.

Sgt. and Mrs. Mitton are also being welcomed on the station where they have taken over the appartment vacated by Lac. Collins, who was recently posted to R.C.A.F. Station, Greenwood, N. S.

Church News

The regular weekly meeting of the Protestant Ladies Chapel Guild was held last Wednesday night in the Chapel following the weekly Lenten Service. The first part of the evening was spent in preparing palm crosses for Palm Sunday and arranging the altar drapes for the Confirmation service on Sunday. The members then adjourned to Mrs. Jack Oliver's home where the remainder of the evening was spent in making articles for the Easter sale. The visiting committee is being kept busy calling on the ladies at Slemon Park. Confirmation service was held in the Protestant Chapel Sunday, March 19th at 11 a.m. when 13 candidates were presented to Archbishop, the Most Rev. G. F. Kingston, Primate of all Canada, the Church of England in Canada, by F/L Geo. B. Fee, station chaplain. F/C Cecil Bateman acted as the Bishop's Chaplain, carrying the Pastoral Staff. Archbishop Kingston was guest of the Commanding Officer W/C R. F. Gross at a luncheon held in the Officers' Mess. A solo, "Green Pastures", was sung by Mrs. Lorna Kipfer. Every seat in the Chapel was occupied.

The executive committee of the "Society of Lorretto', Mrs. Harold Moon, Mrs. James Tobin, Mrs. Hugh O'Neill and Mrs. Comar, met at St. Paul's Hall in Summerside recently. Several of the officers and airmen's wives from town were also present. The sale of Shamrocks, put on by the Society for St. Patricks day was very successful.

The infant daughter of Cpl. and Mrs. L. B. MacDonald was baptized in the R. C. Chapel recently by the Chaplain. F/S and Mrs. Haider were the god-parents. The child was christened Mary Charlene.

Jottings here and there—N/S Knott, who has been a patient at the R.C.N. Hospital, Halifax, is recovering from a major operation.—F/O Stan Kerr is also recovering from the result of an injury he suffered last fall. Stan is a great competitor in sports and it is good to see that he will be around for softball this season.—N/S L. R. Labbe has joined the hospital staff on posting from Trenton, Ont.—The radio show "Airforce Presents" last week featured none other than our Irish tenor Lac. "Paddy" Chambers, giving out with his Irish melodies; nice going Paddy, let's hear more of the same.—It is rumoured that the Meteors still have not turned in their hockey equipment yet?

RAT ATTACKS GIRL

MONTREAL — (CP) — A rat which leaped from a garbage can bit seven-year-old Therese D'Auguerre on the right hand. The child was allowed to go home after hospital treatment.

Successful Fashion Show At Summerside Airport

Summerside's first fashion show staged by the R.C.A.F. Officers' Wives Club in the airmen's mess last evening was presented to an appreciative audience that taxed the capacity of the building. The show went off with professional smoothness and the beautiful new spring garments loaned by local stores were shown with magnificent effect by the models.

The stage setting was a very beautiful lawn scene with a stone wall effect parted by an archway. Each model appeared for a moment outlined in this archway before starting her progress down the elevated walk. Accompanying music was supplied by an R. C. A. F. trio.

Navy blue, always popular, is the predominent shade in the new spring fashions. The tiny tot models received much applause as they modelled garments for playtime and bedtime as well as dress-up.

Teen age costumes were also shown to good effect. The beautiful clothes shown by the adult models included sports and rain wear, shorties and full length coats, dresses for afternoon wear as well as party frocks and tea and cocktail dresses. Beautiful evening gowns, many shown with magnificent fur jackets, received an enthusiastic reception. Probably the most popular part of the show was the wedding procession which climaxed the display. Mrs. Henn modelled the bridal gown.

The models were Mrs. Sheffield, Mrs. Langille, Mrs. Forde, Mrs. Baylis, Mrs. Henn, Mrs. Harvey, Mrs. Waugh, Mrs. Cameron, Mrs. Firneisz, Mrs. Lamont, Mrs. Dobson, Miss Burns, Mrs. Carver, Mrs. Sweanor, Mrs. Commishon, Mrs. Burnett, Mrs. Limpert, Miss Johnson. Tiny tots: Brenda Gross, Betty Jean Emmott, Barry Orchard, Carol Lynn Sheridan, Joy Garnett, Donald Dobson.

Most of the fur garments were shown by the courtesy of the Canadian Farm Fur Advertising Committee which has its headquarters in Summerside. Following this show they will go on display in Europe.

The program was opened by Mrs. R. G. Gross, wife of the Commanding Officer of the station and honorary president of the Club who extended a welcome to those present. She said that the proceeds of the show are for the Prince County Hospital and expressed the gratitude of the Club to all who have co-operated to make the show a success.

Among those present was Mrs. Bernard, wife of the Lieutenant-Governor of the Province and her daughters, Miss Edith and Mrs. J. A. Gallant.

During the intermissions musical numbers were supplied by R. C. A. F. personnel.

The commentator during the show was Mrs. Garda Morrison. The garments were supplied by R. T. Holman Ltd., Smallman's Ltd., Barbara Ann Dress Shoppe, M. L. Frank MacKenzie. Shoes were supplied by Sheen and MacInnis. The jewellery was by courtesy of Geo. T. Clarke and H. R. Crockett Ltd. Flowers were supplied by George G. Williams and Bokay Gardens. Make up by Elizabeth Arden courtesy Enman Drug Store and the coiffures were by Mrs. Gladys MacQuarrie.

Due to public demand the show is being repeated tonight.—S.

O'Leary & Vicinity

Mrs. Arthur Metherall of Mill River was a visitor to Charlottetown on Wednesday.

The many friends of Mrs. George Bernard of O'Leary are sorry to learn that she is ill and they wish her a speedy recovery.

Mr. Chesley Woodside of Unionvale left Wednesday for Charlottetown where he expects to enter the hospital for treatment.

Mr. and Mrs. R. H. Hunter of Rosebank motored to Summerside on Monday where Mrs. Hunter visited her mother at the home of her daughter, Mrs. Fred MacRae for several days.

Mr. Lowell Matthews and two daughters of Halifax motored to P. E. I. on Monday. They made a brief visit at the home of Mr. and Mrs. R. H. Hunter at Rosebank and also visited relatives in Mill River East and Alberton.

Miss Mildred Delaney has returned to her home in Brae where she plans to spend the summer, the guest of her parents, Mr. and Mrs. James Delaney. For the past year Miss Delaney has been employed in Toronto.

Miss Reta MacLellan, who is employed in Montreal, has arrived at her home in Cape Wolfe for a short vacation. She is the daughter of Mr. and Mrs. Ralph MacLellan and is receiving a welcome from her many friends.

Mrs. William Bernard has returned to her home in O'Leary after an enjoyable visit to Kentville, Halifax and Moncton. She was the guest of Mr. and Mrs. Rupert MacNeill at Grand Pre. Both are former residents of O'Leary and Mr. MacNeill will shortly be receiving his B.Sc. degree from Acadia University and plans to take post graduate work next year for his Master's degree.

The local junior hockey team of O'Leary which played two games at Sussex, N. B., arrived home on Sunday and reported a splendid trip. Although they lost both games, yet they made many friends in the dairy center of New Brunswick and are loud in their praises of the fine hospitality extended to them by the players of the Sussex team and by the citizens generally. The Mayor of Sussex placed several cars at their disposal and showed them the beauty spots of their town. Both games were good clean contests and the young lads from O'Leary, "the progressive village of Western Prince County" were worthy representatives of "Canada's Garden Province."

Slum Clearance Plan

ST. JOHN'S, Nfld. March 23—(CP)—A $3,000,000 slum clearance plan for St. John's is provided in a bill given second reading in the Newfoundland Legislature today.

Premier Smallwood, who introduced the bill, said the Provincial Government will pay $750,000 and the Federal Government the remainder.

The scheme, he said, was to be the beginning of a Province-wide housing program, all under the National Act, with the Federal Government paying 75 per cent of the cost.

Premier Smallwood said he had "unutterable contempt" for the owners of St. John's slum dwellings and added: "We (the Government) will not stand on ceremony with them. We will take the land—in some cases pay for it and in other cases get it for nothing—destroy all condemned houses and level the area."

People now living in the dwellings would be accommodated in double duplex apartments in the suburbs, Mr. Smallwood said. It was hoped these would be completed by next fall.

MECKLENBURG DECLARATION

The first American declaration of independence was signed at Charlotte, North Carolina, in 1775.

Stresses Rising

(Continued from Page 1)

creased, effective May 1, but the amount was not paid until September or October, the idea being that the extra money would then be more serviceable to the pensioners in tiding them over the winter months.

Relief Demands

"There is a continual demand for money in relief and assistance," the Minister said. "In some districts it would look as if we were getting a letter from everybody in the district — just for relief."

$45,000 is the estimate for relief for the year, and not much more than $5,000 of this amount goes to the city and incorporated towns. The rest goes to the country districts.

"Since the estimates were prepared I had a brief presented to me from an organization which has been given a small grant from the Department", Mr. Matheson said. "It is the Catholic Social Welfare Bureau of Charlottetown. The brief states that during the year this organization spent in family relief $3,600, and in child maintenance almost $1,500, or a total of over $5,000 — just for Charlottetown alone.

In reply to a question from Mr. Bell, the Minister said there was no maximum amount set for direct relief payments. In mothers' allowances the maximum is $30. a month.

The trouble in many cases is due to extravagant spending during the periods when good money is coming in, Mr. Matheson said. He cited an article in the current issue of the Canadian Geographical Journal in which reference is made to an Eskimo who ate greedily all that was placed before him at one sitting, regardless of future needs. "There are too many people in this Province who are like that Eskimo; they will make a feast of it," he said. "I honestly believe there are many people who are relief applicants, just because they do not make the most of their resources during the summer months."

He announced that when the new building on Prince Street is ready for occupancy, the whole Department of Welfare will be administered there under one head, with one group of investigators. This, he believed, will give better results.

Matching Grants

Frequent reference had been made in the Legislature to what is termed the matching grants in the Health and Welfare Department. These grants, instituted by the Federal Department, require to be matched with grants from the Provincial Government before being approved. Last year in this Province, these grants, apart from old age pensions, amounted to less than $70,000. They included cancer and venereal disease control grants of $14,000, and hospital grants to the amount of $57,000. There will be an increase next year in these grants, to about $97,000.

"This is perhaps not a fair situation so far as the Province of Prince Edward Island is concerned", Mr. Matheson said. "We are one of the poorer Provinces, and if we matched the whole amount it would be about $125,000.

"However, so far as the National Health and Welfare Department at Ottawa is concerned, they have been especially lenient to this Province in anything we put forward In the matter of venereal disease control, for example, they have given a very fair consideration of the setup that was presented to them by Dr. Harold Shaw."

Another case in which this Province is being very generously treated is in the grant to the Red Cross Society for crippled children.

A lot of Provincial money was spent on the polio clinic, which was closed last year after almost every child in that institution had been rehabilitated. While the cost was high — averaging for the first year $7 per patient daily — still it "paid off" in dividends in human lives.

A great deal of the direct relief being paid out today in some places, the Minister added, goes to children who have been crippled by polio.

Dealing with Falconwood Hospital and Infirmary, Mr. Matheson pointed out that the farm is now completely under the administration of Agriculture, while the institutions are under the Health and Welfare Department.

In dealing with Provincial Sanatorium figures he emphasized the very satisfactory decrease last year in the death rate from tuberculosis, and showed how the money expended in preventive measures is effecting savings in relief costs as well as in raising health standards.

the year and an operating expense of $6,582,608 for an operating profit of $12,399 compared with an operating profit of $644,105 in 1948.

But after payment of interest on bonds and government advances the company had an over-all deficit of $460,497 compared with an overall profit of $166,044 in 1948.

Canadian National Railways operating revenue in 1949 totalled $500,723,386 compared with $491-269,950 in 1948. Operating expenses totalled $478,501,660 compared with $464,739,970 and the net operating revenue was $22,221,726 compared with $26,529,980.

Taxes, equipment rent and other accounts took $18,163,818 last year compared with $15,332,870 in 1948 leaving the net operating surplus at $4,057,907 compared with $11,297,109 in 1948.

Interest on bonds held by the public rose last year to $24,302,650 compared with $23,202,817 in 1948 and government interest came to $21,798,283 compared to $21,627,032.

The benefit of rate and fare increases effective during the year had been more than offset by a 9.7 per cent decrease in passenger traffic and a 6.44 per cent decrease in freight traffic. However, express traffic increased 7.6 per cent and telegraph business 6.3 per cent.

The operating expenses included an additional $10,340,526 due to the Newfoundland services taken over by the C. N. R. in April when Newfoundland became Canada's 10th Province. Increases in rates of pay and changes in working conditions in 1948 and 1949 increased expenses by $7,356,000 and higher prices for fuel, ties, rail and other materials added another $5,399,000.

Capital expenditure during the year totalled $47,010,441 of which $28,332,025 was for new equipment.

relationship to the cost of things they had to buy.

Other Business

Before launching into the debate, members gave first reading to a bill providing for a one-year extension of the Agriculture Products Act. The legislation permits the Government to requisition foods needed to fill long-term contracts with such countries as the United Kingdom.

Transport Minister Chevrier tabled the 1949 report of the publicly-owned Canadian National Railways. It showed the C. N. R. piled up a record $500,000,000 in earnings during the year, but still wound up with a deficit of $42.-000,000.

Members adopted a routine motion establishing the railways and canals committee, which will study the C. N. R. report along with that of the publicly-owned Trans-Canada Air Lines.

Justice Minister Garson declined to tell John Diefenbaker (PC—Lake Centre) and George Drew, Progressive Conservative leader, whether counsel had recommended prosecution in the case of an alleged price-fixing combine in the flour-milling industry. Report on the alleged combine was a major issue at the last session.

Mr. Gardiner told questioners that no change is contemplated this year in the amount of per-acre assistance paid to Western farmers under the Prairie Farm Assistance Act. However, there would be an amendment altering the description of areas entitled to assistance.

A Permanent Measure

In launching the debate on farm prices generally, Mr. Gardiner moved in its resolution stage a one-clause bill which will remove the time limit in the Agricultural Prices Support Act, introduced originally in 1944 and extended by Parliament on a yearly basis since then.

In its present form, the act has a clause requiring that it must be continued each year by action of the House. Otherwise, it would expire. The new bill removes this clause, making the act a permanent statute.
