# INDIA MAY HAVE NEW KOREAN PEACE PLAN WITHIN DAYS

## U. S. Spurns Russian Protest Over Blockade

### Gov't Backs Action By Gen. Mark Clark

WASHINGTON, Nov. 6 — (AP) — The United States today firmly supported General Mark Clark's creation of a sea defence zone in Korean waters and spurned a Russian protest against it.

The State Department will send a note to Moscow formally rejecting the Soviet protest. The American attitude was disclosed informally by department press officer Michael McDermott.

The Kremlin objection was expressed in a no-receiver in Washington Tuesday and translated and studied by officials yesterday. It followed announcement by Gen. Clark, United Nations commander in Korea, on Sept. 27 about the establishment of the sea defence zone.

Whether the Russians thought the U. N. patrol operations within the zone might hamper maritime activities of their own or whether they were merely registering propaganda protests was not indicated by their note. But the State Department asserted that the complaint was essentially a propaganda manoeuvre.

McDermott described it as one of a "seemingly endless series of messages maliciously designed to deceive people into believing that legitimate counter measures to acts of aggression are themselves 'acts of aggression'."

McDermott recalled that on Sept. 27 Gen. Clark in announcing (Continued on Page 5 Col. 1)

## Local Dancing Team Wins At Amherst

The Junior Y.M.C.A. Square Dancing team from Charlottetown, won the dancing event, Wednesday evening at the Maritime Winter Fair, Shown from left to right are: back row—Alex Horne, Allan MacKenzie, David MacDonald, Allan MacLeod. Front row—Anne Cery, Connie Rogers, Elizabeth Atkinson, Madia Rogerson. Kneeling in front George Andrew, Call. The group was instructed by Mr. and Mrs. Gordon MacDonald.

## Roster Of 1952 Nobel Prizes

SOCKHOLM, Sweden, Nov. 6 — (AP) — The roster of 1952 Nobel prizes was completed tonight with awards in physics, chemistry and literature.

The winners: Chemistry—Dr. Archer Martin, 42, London, and Dr. Richard Synges, 38, Aberdeen. Physics—Dr. Felix Bloch, 47, of Stanford University, California, and Dr. Edward Mills Purcell, 40, Harvard University.

Literature—Francis Mauriac, 67, French Roman Catholic author. Medicine—Dr. Selmar A. Waksman, 64, Russian-born American scientist from Rutgers University New Brunswick, N. J. (awarded last month). Peace—No peace prize was awarded this year.

Dr. Martin and Dr. Synges won the chemistry prize for discovery of partition chromatography—an ingenious method of separating compounds.

Dr. Bloch and Dr. Purcell—were recognized for their development of a new method to measure magnetic fields in atomic nuclei. Dr. Waksman won the prize in medicine for his work in the discovery of streptomycin and its effects against tuberculosis.

Each prize carries a cash award of 17,104 Swedish crowns (\$33,687). In cases of joint award the money is divided. The money comes from the \$9,000,000 fund set up in the will of Alfred Nobel, Swedish inventor of dynamite, for recognition of those who contribute most to the advancement of mankind. He died in 1896, and the first award was made in 1901.

## Bus Jones Makes Practically Clean Sweep In Mink Prizes

AMHERST, Nov. 6 — (Special) B. B. (Bus) Jones of Bunbury, son of Premier J. Walter Jones, almost made it a one-man mink show here today as he took nearly all the championships and first placings in the classes judged at the Maritime Winter Fair.

The standards, pastels and platinums were judged as the two-day show got underway. Jones won all the championships except the grand championship of the standards. This was won by Fred D. Ashley, Oak Bay, N. B.

The ribbons won by Jones included the champion male and female and grand championship of the pastels and champion female of the standards. He also won most of the reserve honors. His placings included seven firsts, six seconds, three thirds and two fourths.

George Callbeck of Summerside had a number of entries in the show and won two firsts, three seconds and a third. Other exhibitors included Wilbur Godwin, Amherst; R. N. MacInnis, West Bay, N. B.; Fred D. Ashley, Oak Bay, N. B.; Wilmot E. Jamieson, St. Stephen, N. B.

This is the second time that Jones has exhibited mink at the Maritime Winter Fair. Earlier in the week he won the barley grand championship, the first time this honor was ever achieved by an Island exhibitor.

## Has Sounded Out Chinese On Prisoners Deadlock

By Norman Alstedler UNITED NATIONS, N. Y., Nov. 6 — (CP) — India has sounded out the Chinese Communists about proposals to end the Korean war-prisoner deadlock and may shortly put a compromise resolution on Korea before the United Nations, Indian sources said today.

Mme. Vijaya Lakshmi Pandit, leader of the Indian delegation, said in an interview that India has been working to solve the Korean problem for eight months. If an order from her government comes through as expected in the next 24 hours India will have a resolution to present to the political committee of the General Assembly, she added.

No Definite Reply Another Indian spokesman was more specific. He referred to recent Indian approaches to Peiping and indicated that a favorable reply from the Chinese Communists will set the proposed resolution in motion. He said he knows of no "definite" reply yet from the Chinese.

The Indian Government is understood to have transmitted last week to the Chinese Communists the major elements of a Canadian suggestion that would have a neutral commission take over all war prisoners in a demilitarized zone where they could decide whether or not they want to return home.

This arrangement — in effect a re-screening of prisoners — would meet the Communist charge that prisoners who have already said they would not go home were under pressure from the U. N. command. A compromise is necessary between the present Communist demand that all prisoners be repatriated and the U. N. insistence that no force be used to repatriate prisoners.

The diplomatic moves here are going forward on the basis that United States policies will remain substantially the same under the new administration. (Continued on Page 5 Col. 6)

## Coming Events

\*\*Dance, Millview Hall every Friday.

\*\*Kinkora Hall tonight. See "Till the Clouds Roll By" in Technicolor.

\*\*Dance in Graham Road Hall, Friday night, November 7th.

\*\*Dance, Howe's Hall, Brackley Beach, Friday, November 7th.

\*\*Try our Purina Finance Plan for feeding your hogs and poultry. Dillon & Spillit.

\*\*Coming to Mt. Stewart Theatre Saturday, November 8th, "War Path", Technicolor.

\*\*Pantry Sale at Prowse Bros. Saturday, November 8th, at 2 P. M. St. Charles Auxiliary.

\*\*Rummage Sale, Legion Hall, Charlottetown, Willey Lodge Odd-fellows, Saturday, 3:00 P.M.

\*\*Marie United Church Hot Chicken Supper, postponed until Saturday, November 8th.

\*\*Conservative Meeting of Brookfield Hall at Angus MacPherson's, November 7th.

\*\*Dance every Friday night, South Rustico Hall. Music by the Charlottetownians.

\*\*Card party, Stanley Bridge school, Friday, Nov. 7th, in aid of Junior Red Cross.

\*\*Special Dance, Islanders Country Club, Travellers Rest, Saturday, November 8th. Music by Dolron Brothers.

\*\*Barn Dance at Judson McPhee's, Colville Road, postponed until Friday, November 7th. Burned Orchestra. Canteen service. Dancing 9 till 12:30.

## Competition Keen In Dairy Cattle At Fair Yesterday

### Roller-Skate From Detroit To Winnipeg

WINNIPEG, Nov. 6 — (CP) — Two Canadian airwomen roller-skated into Winnipeg Tuesday on the last lap of a six-day trip from Detroit.

Barbara Mills, 18, and Gloria Zwich, 22, travelled through Detroit, Sterling, Ill., Chicago, Minneapolis and then on to Winnipeg, mostly on roller skates. They said it was fun but wouldn't care to make it again.

Miss Mills is stationed at Chatham, N. B., and Miss Zwich at Lac St. Denis, Que., about 60 miles north of Montreal.

They were in Detroit visiting friends when they got the idea to visit Miss Mills' father in Winnipeg — on roller skates.

The pair took to the road in uniform, carrying overnight cases. They needed new skates by the time they reached Minneapolis. Motorists picked them up over various stretches.

After a brief rest here, they plan to return to their bases — by bus.

MANCHESTER, England, Nov. 6 — (Reuters) — Engineers and divers today tried to raise, two sunken log gages trapping shipping inside the port of Manchester. They sank in the canal, which links the city with the sea, after being hit yesterday by the Swedish vessel Caledonia.

### AMHERST, Nov. 6 — (Special) — Dairy cattle held the spotlight in the spacious Bailey Arena today as large classes of Holsteins and Guerneys paraded before the judges in competition for top honors at the Maritime Winter Fair.

The competition in most classes was very keen and the majority of the classes were heavy. The winners of young stuff in both breeds were particularly heavy.

The honors were well divided among farmers of the three Maritime Provinces and this found much favor with the larger than usual crowd of spectators at ring side this afternoon.

Premier J. Walter Jones, the Falconwood Farm and Max Thompson of Victoria upheld Prince Edward Island's end of the stick in the Holstein show.

Guy Rodd, Brackley, Ernest F. Coles and Sons, Milton and Harold Palmer, Kensington showed Island Guerneys.

Ernest F. Coles and Sons won the grand and junior male championships in the Guerneys classes this morning. The win was an outstanding one for the Coles' herd as well as for Guy Rodd, who sold the young bull to the Coles.

The name of the grand champion is Brackley Jeanies Forward, a junior yearling bull. Last year Guy Rodd showed him here and the young sire went reserve grand and reserve junior. The Coles purchased the bull last winter. Judge Andrew Telfer of Paris, Ontario stated after the show that the bull Caledonia.

## Construction Contracts In October Up

TORONTO, Nov. 6 — (CP) — Construction contracts in Canada in October were higher in value than in October last year, thus reversing the downward trend of the year to date.

The October total was \$191,054,200, an increase of \$51,911,700. The 10-month total is \$1,561,199,700, down \$455,378,600 from the same period last year.

By categories, the October figures, as compared with October last year were: Residential \$51,635,500, up \$22,452,600; business \$63,348,000, up \$22,868,100; industrial \$17,201,200, down \$8,472,900; engineering \$58,869,100, up \$15,063,900.

(Continued on Page 5 Col. 1)

## C. P. Newsman Lost In Woods

HALIFAX, Nov. 6 — (CP) — Fred Chafe, 26-year-old staffer of the Canadian Press, Halifax Bureau, was still in the woods tonight in the Elmsdale area on the Truro highway after a hunting expedition which had been scheduled to end at dusk.

But friends said they thought Chafe, an experienced woodsman, was possibly staying in the woods tonight. He had been hunted with a colleague, Kingsley Brown, Jr., until late this afternoon. They parted for a final try for a deer before dusk. When Chafe failed to meet at a rendezvous Brown notified police and Search and Rescue officials.

By Roger D. Greens

WASHINGTON, Nov. 6 — (AP) — President-elect Dwight D. Eisenhower agreed today to confer with President Truman on vital problems of world peace before flying to Korea to see what can be done about ending the Far Pacific conflict.

It will mark their first face-to-face meeting since last June 1, before the outset of the political campaign in which Truman bitterly attacked Eisenhower's bid for the presidency.

Resting on a 10-day vacation in Augusta, Ga., after his landslide victory in Tuesday's election, Eisenhower sent a message to Truman bitterly attacking adjsqxx man suggesting that they meet early in the week beginning Nov. 17.

Truman Proposed Meeting Truman had originally proposed meeting along with the comment that Eisenhower's decisions in the months ahead "may determine whether we shall have a third world war—and, indeed, whether we shall survive as a free and democratic nation."

In reply, Eisenhower said that certain key advisers he "indocrinated" immediately in the inner process of the government. This could mean that a sort of Republican cabinet would be on hand, at least observing the government, long before Eisenhower himself takes the oath of office as president next Jan. 20.

## Canadian Ambassador To Colombia Appointed

OTTAWA, Nov. 6 — (CP) — Canada today announced the opening of her 25th embassy abroad, a decision that fits into a campaign to win friends and markets in Latin America.

As the first ambassador of Colombia, the External Affairs Department named Edmond Turcotte, 54-year-old former Montreal newspaper editor. Mr. Turcotte was a controversial figure five years ago when posted to the United States, a country which claimed he had written anti-American articles.

At the same time, the department announced appointment of Ray Lawson, 66, O. B. E., former lieutenant-governor of Ontario as consul-general in New York, technically a non-diplomatic post but one which ranks among the top six missions Canada maintains abroad.

Mr. Lawson a native of London, succeeds another prominent former Ontario business man, Kenneth Greens, 64, O. B. E. of Ottawa, who is retiring. Mr. Green is a former high commissioner to Australia.

ambassadors with Colombia—a country of 12,000,000 people—was officially said to recognize "the growing importance of their commercial relations and the desirability of establishing direct diplomatic communications." It is in line with Canada's steady efforts to woo new markets in Latin America. The two countries did a \$26,000,000 two-way-trade in 1951.

Canada now maintains a trade commissioner in Colombia. Colombia maintains several consuls in Canada.

The Turcotte promotion recalled the time in 1947 when he was named consul-general in Chicago and the U. S. protested that his writings in the past had shown anti-American sentiments. Mr. Turcotte denied any anti-American bias and Canada stood by the posting. He remained in Chicago until 1950 when he went to Caracas, Venezuela, as consul-general.

Mr. Turcotte is a former editor-in-chief of the Montreal newspaper Le Canada, has worked for the Federal Government and was a member of the National Film Board from 1939 to 1947, the year he resigned. He gave ill health as the reason. He has been chairman since 1944.

## Eisenhower To Confer With Truman Before Start Of Trip To Korean Front

### U. S. Elections At-A-Glance

By The Canadian Press At 11 p. m. EST Presidential: Eisenhower won leading in 39 states with 442 electoral votes. Stevenson leading in 9 states with 99 electoral votes. (266 required to elect.)

Senate (96 seats: 36 to be elected) Democrats elected 12; holdovers 36; total 47. Republicans elected 28; holdovers 25; total 48. Independents elected 0; holdover 1; total 1. Gains: Republican 6, Democrats 4. House (435 seats) Democrats elected 207. Republicans elected 200. Independent elected 2. Undecided 7. Governors (30 to be elected) Democrats elected 9. Republicans elected 20. Democrats leading 0. Republicans leading 0.

### U. S. Popular Vote

WASHINGTON, Nov. 6 — (AP) — At 11 p. m., EST tonight returns from 141,851 of 146,370 voting units showed the popular vote: Eisenhower 32,927,505; Stevenson 26,484,529.

NEW YORK, Nov. 6 — (AP) — Paul Fitzpatrick, Democratic state chairman in New York, which gave Gen. Dwight D. Eisenhower a \$42,066 plurality, announced today he is resigning. He gave ill health as the reason. He has been chairman since 1944.

## Turkey Production Heavy In Quebec

QUEBEC, Nov. 6 — (CP) — The Quebec housewife is likely to pay less for her Christmas turkey as a result of record production in Quebec Province this year.

This was indicated in a report prepared by J. B. Roy, secretary of the Co-operative Avicole du Quebec, published today, in which he said production will be about 13 per cent higher than last year. Production in 1951 was 692,993 birds.

Mr. Roy said it is "very unlikely" turkeys will sell at as high a price as last year when they were 69 to 75 cents a pound.

Thanksgiving turkeys this year sold 10 cents a pound less than in 1951.

(Continued on Page 5 Col. 5)

## Heavy Damage Reported In Newfoundland Storm

HALIFAX, Nov. 6 — (CP) — The oil tanker Imperial Goderich was refloated today from the harbor at Grand Bank, Nfld., after running aground during the second storm of the traditional gale season.

The Weather Office here said the storm, which first struck the eastern seaboard last night, was blowing itself out over Central Labrador tonight.

The gales sent small craft scurrying to shelter but the winds were not as strong as last week's gale which claimed two lives and two ships.

Newfoundland was worst hit by the storm but reports of damage were fragmentary. A report from Grand Bank said communications were disrupted and roofs torn off several buildings by the gale-force winds.

Preliminary estimates placed the damage at \$100,000 and indicated that the storm was the worst to hit the southern coast of Newfoundland since 1929.

Heavy seas swept away fishing shacks, equipment, beaches and damaged coastal vessels and sea-side buildings. Roads and bridges were washed away and hundreds of quintals of cured fish food and fuel supplies were swept away.

A theatre being built at Burin was blown down and for a time seas washed across the peninsula. The Federal Fisheries Department's patrol boat Cygnus was unreported for a time on a voyage to northeast ports.

## A Floating Debt Is A Poor Life Preserver

Abroad the Cygnus was Stewart Bates, Newfoundland's deputy fisheries minister. The Cygnus put into Holyrood in Conception Bay to escape the storm.

Premier Smallwood said that although no requests for aid had been received he is sending representatives of the Public Works and Fisheries Departments into the hardest hit districts to survey the damage.

On Friday the disturbance was also reported during the evening. In Northern New Brunswick, skies were cloudy and there were scattered snowflurries as cold, moist air began to flow into that part of the district.

On Friday the disturbance will be part of the Maritimes. Cold air will cover most of the district, skies will be mainly cloudy, and scattered showers and snowflurries are expected in many localities.

Regional forecasts: Prince Edward Island: Cloudy with scattered showers or snowflurries. Colder. Southerly winds 20 shifting to west 20. Low and high Friday at Charlottetown 38 and 40.

High tide today at Charlottetown at 1:02 A. M. and 2:59 P. M. High tide on the North Shore at 9:45 A. M. and 8:42 P. M. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 6:59 A. M. and sets at 4:54 P. M.
