MARY HAWORTH Wife Threatens Husband's Mistress With Blackmail

Mary Haworth: I have four children, and for 22 years my husband has cheated on me. He knows I didn't care, as he didn't want more children or sex. I can take his pick... I always made-believe to my friends and in-laws that I never knew I even invited his mistresses to my home. Every year he has a new girl friend. He is a ladies' man and rather handsome. He owns a restaurant, employs waitresses and can take his pick... His latest is a dumb married woman, now expecting his child. He actually says he will marry her to give her a financial settlement. But I say "No!" The members to her home for the October meeting. Meeting closed with a singing. A luncheon was served by the hostess assisted by the lunch committee.
