Sea Cadet Corps Is Organized At S'side

Fifty-one boys between the ages of 14 and 18 were in attendance at the Summerside High School last evening to make application for enlistment in the Royal Canadian Sea Cadets, a youth organization which is being sponsored by the Summerside branch of the Canadian Legion, B. E. S. L. Mr. Clarence Mercer, supervisor of the Summerside High School acted as chairman and outlined the many opportunities open to the boy who becomes a sea cadet, character building, possibilities of advancement and the chance of seeing many parts of the world while on summer cruises. Mr. Mercer also stressed the fact that while the discipline in the navy was necessarily strict, the boys are nevertheless encouraged to take an active part in the sports activities part of the sea cadets life. He said that membership in the sea cadets was not a binding service, any boy who enlists today and finds he does not wish to remain may resign at his own pleasure.

Mr. David L. Miller, D. S. C., who will command the newly organized Sea Cadet Corps at Summerside.

Mr. Charles Hogan, president of the Canadian Legion, Summerside branch, who is acting as the permanent chairman of the sponsoring committee addressed the boys and said they were most fortunate in having as their commanding officer, David L. Miller, D. S. C., who had been a Lieut. Commander in the naval service during World War I. He said that he was proud to be the sponsoring body. He complimented the boys on their ambition to join such a worthwhile organization and expressed his belief that they would prove to be a credit to the sea cadet movement in Summerside. The meeting was also addressed by Mr. Victor Sanderson, formerly of the naval service, who said that recruits of the sea cadets would most certainly advance in the service if they proved to be obedient, respectful and took pride in their appearance and their good conduct.

In a number of wonderful performances during the 1953 campaign, but the one which clinched the Harness Horse of the Year honor for him was the 1.58 3/5 trip at Roosevelt Raceway on the night of June 6th. That was, by a full second, the fastest mile ever registered by a harness horse over a half mile oval. He went on to prove his performance no fluke by winning in 2:00 at Laurel, Md., shortly after that and three other times in faster than two minutes over the Vernon, N. Y. three quarter mile oval.

Hi-Lo's Forbes won 11 of his 17 starts and drew \$32,625. In the place he drew 57 first place votes, 37 more than Pronto Don. Henry Clukey took over Hi-Lo's Forbes this season and guided him to record after record. Following Hi-Lo's Forbes and Pronto Don in the voting for top ten performers are Adios Boy, Newport Dream, Kimberly Kid, Tasel Hanover, Katie Key, Key-stoner, Earl's Song, and Adios Betty.

When harness racing closed out the 1953 campaign at Hollywood Park, California, December 5th, a new performance was added to the record books—2:00 mile during the race. This was accomplished on December 2nd by the 6-year-old pacing gelding Rillma's Widower. He went into the race with a record of 2:01 and, driven by Harry Burright, turned in a mile in 1:59 4/5. The latest 2:00 record made previously was set by the Ohio owned stallion, Waco, B. Scott, that raced in 1:59 1/5 in Nov. 1951 at Hollywood Park, and in 1927 Tommy Berry gave Guy McKinney his record of 1:58 3/4 at Phoenix, Arizona, on November 24th. The earliest 2:00 speed performance goes to the credit of the Canadian driver Vic Flemming, who gave Mr. McElwain a record of 1:58 1/4 at Phoenix, Arizona, on January 9th, 1926.

We were delighted to receive in the mail a letter with a snapshot in it that puzzled us for a while. Then we recognized Sam Kennedy's former pacing star Colonel Looker 2:07 1/5 and then there was a real surprise as we noticed that the driver was the former general manager of the Charlottetown Hotel, Gordon Foster, now manager of Newfoundland Hotel, St. John's, Nfld. Gordon was arrayed in a very up to date driver's uniform, one that would do credit to any driver on the Grand Circuit and looked the part of a real pilot. Our thanks to Gordon and to Jack O'Driscoll, owner of Colonel Looker for making possible this nice addition to our photo album.

third session when they scored two of their goals. They played well in the third and only for Roger Bessette's brilliance would have had more.

Although the Islanders were brilliant on the attack they wouldn't have won by nearly such a margin had it not been for Bessette. He robbed Ford, Bowness, Arcand and Morrow of sure goals with spectacular stops at the goalmouth.

Billy Ford, Carroll Bloom, Jackie LeClerc and Arcand were the Hal-

ifax marksmen. Ford, the league's leading point getter picked up two points. "Bip" Palladino, who flew in here from Montreal yesterday morning, played on a line with coach Wes Trainor and Elwood Ritchie. He scored a goal in his first appearance and turned in a fine performance. A fast skater and good marksman Palladino will be a valuable addition to the local team.

Play opened slowly and there was little excitement until Wywrot went to the penalty box at the 11:14 mark for tripping Whitlock. The Islanders seep out Trainor, Gray, Robert, Saindon and Trainor and proceeded to blast the visitors.

Saindon scored on a backhander following a face-off just four seconds later. Then Robert blazed a vicious slap shot from the point past MacMeekin. A few seconds later Saindon scored his second goal from 25 feet after taking a pass from Robert.

Five minutes later Gustavson sent Robert away on a breakaway and the Islanders centre made no mistake as he drew McMeekin to make it 4-0. Ford opened the scoring for Halifax by connecting on Wywrot's rebound.

In the second period Larry Blackburn and Doug MacPhee drew majors for fighting. While the two were off the fans were treated to some first rate hockey with Robert, Gray and Carver leading a determined Islanders attack.

Palladino scored the first goal of the period as he deftly flipped the puck behind McMeekin from a scramble at the crease. Trainor and Ritchie assisted on the play.

Around the 12 minute mark of the period Wywrot was penalized for holding and Bloom for tripping. While they were in the sin bin Saindon scored on Robert's rebound and Carver converted Robert's pass and 35 seconds later he connected on a pass from Saindon at the goal mouth.

Bloom scored the Atlantic's second goal by deking the Islanders defense and beating Bessette on a high, hard shot. Bessette was tried hard and often in the third as Ford, Wywrot and Bowness roared in on top of him. LeClerc scored the Atlantic's third goal after taking a goal mouth pass from Morrow. Carver scored his third goal on a breakaway and Arcand closed out the scoring by rounding the Islanders defense and converting Wywrot's pass.

The Atlantic's played without Joe DePine who has been sidelined with a head injury after being hit by Tommy Fyles with a stick. He may be back for tonight's game.

Tonight the Islanders play in Glace Bay and the Millionaires at Halifax.

Civilian Personnel Ass'n Annual Meeting Held

The annual meeting of the Civilian Personnel Association R.C.A. F. Station Summerside was held in the Trade Advancement Center on Thursday.

The election of officers was held and resulted as follows: President, K.M. MacMillan; vice president, Larry Gallant; secretary, treasurer, Robert Berton; executive, Peter Holt, Fred Earle, Winnie Calwell, Mrs. M. Ellands, D.B. Gallant, Ira MacNeivin, Clayton Ballum, Ted Perry; publicity chairman, Robert Berton; public relations chairman, Ernest Moore; sick chairman, Urban DesRoches. The financial statement of the year was submitted for the consideration of the meeting. It was decided that in future the date of the meetings would be third Monday of the month instead of the third Thursday. A vote of thanks was passed expressing appreciation for the manner in which the officers and executive carried on during the past year.

It was decided to donate the sum of \$20 as a Christmas treat to a sick member of the Association.

Unemployment Figures At S'side

The 754 persons who were receiving unemployment benefits through the Summerside office of the National Employment Service, as of yesterday, represents a 40 per cent increase over that of last year, and an employment official said that last year's number had been higher than any previous year since the office opened.

A breakdown of the figures available yesterday showed that of the 754 presently receiving benefits, 251 were from Summerside and vicinity, and 503 were from various other parts of the country. This latter number, it was pointed out, did not represent all of the unemployed in either area as there are many, including many farm laborers and fishermen in rural areas who were ineligible to draw unemployment benefits.

The unemployment situation which is so much more pronounced this year is attributed largely to the economic condition of the average farmer this fall and winter, due to the poor price of potatoes and several other farm products. After the Christmas season it is expected that layoffs in the retail trade and construction work will result in another sharp increase in the number of unemployed.

Elmsdale Man Passes Away

The death occurred at Beach Grove, Charlottetown, on Dec. 18th of Mr. John C. McNeil in his eighty-first year. He was a life long resident of Elmsdale where he was well known. He was the last surviving member of his family, a son having died about seven years ago and his wife six months ago. The funeral takes place today, (Saturday) from the Sacred Heart Church at Alberton with interment in the church cemetery.

ROY ROGERS ON CAPITOL THEATRE SCREEN SUMMER-SIDE

Republic's new Roy Rogers Trucolor picture, "Susanna Pass" at the Capitol Theatre is a fine example of how modern day problems can be adapted to the western field, replacing the time-honored-and, somewhat frayed-cowboy-and-injun type plot. The picture is refreshingly different and entertaining.

Rogers is at his best in the role of the popular young Game Warden connected with the State Wild Life Service, whose efforts beyond the call of duty get him into a lot of trouble, but finally clear up a brutal murder.

Dale Evans makes her long-awaited return to the screen in the role of Kay Parker, an attractive young scientist who journeys west to gain practical experience in a fish hatchery, and finds herself involved in a dark plot to destroy the hatchery by scientific means to gain control of the oil that is underneath the water.

Estelita Rodriguez deserves special mention for her plucky performance as "Rita", a fiery-eyed and romantic senorita. Foy Willing and the Riders of the Purple Sage are in top form.

Steel made in Brazil compares favorably with that produced in North America and Britain.
