THE MINISTER'S FAMILY,

BY THE

REV. W. M. HETHERINGTON.

AUTHOR OF

A HISTORY OF THE CHURCH OF SCOTLAND.

☞ The above Book of 304 pages, has just been printed for a firm in New York, a few copies have been retained for Sale in this Island. It is an interesting and valuable work, as the following extract from the preface will shew :—

"When the Author of the following little work states, that it is not only founded on facts," but is indeed almost devoid of any fictitious admixture whatever, he would not be understood to assert, that the events of the narrative occurred exactly in the order and connexion in which they are related, and befel the members of exactly such a family as is here described. Had this been the case, the production would have been merely a biographical treatise, with the real parties thinly veiled under fictious names. Such is not its nature; and yet there is not a character, attempted to be drawn, nor an event, nor any importance narrated, which is not an exact transcript of some character or event that occurred within the range of the Author's own knowledge. At the same time, it is hoped that the work contains nothing which, even were it divulged, could in the slightest degree prove offensive or painful to any person to whom it may be conjectured to refer.

But, while both facts and feelings are, in a strict sense, true, the names of persons and places are intentionally and uniformly altered in every instance but one. The name here referred to is that of her Royal Highness the Princess AUGUSTA, in the incident related in the last part of chapter 8. That incident occurred precisely as there related; and the Author thought it due to the Illustrious Lady to record this specimen of that frankness, benevolence, and kindly considerate attention to all around her, by which her Royal Highness is distinguished. Having in this one instance withdrawn the veil, he avows it, and states the reason,—hoping also to preclude the inference, that what remains more concealed may on that account be considered the less real. Where he has not withdrawn it, he trusts it will be allowed to rest ;—and believes that any attempt further to withdraw it, will prove ineffectual, as not even the discovery of the writer would necessarily unravel the texture of that curtain which he has chosen to draw over his truthful tale,—or involve such an application of it to individuals as might injure the feelings of the most sensitive.

LIVER COMPLAINT,

JAUNDICE, DYSPEPSIA, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered liver or stomach, such as Constipation, inward Piles, fullness, or blood to the head, acidity of the stomach, Nausea, Heartburn, disgust for food, fullness or weight in the stomach, sour eructations, sinking, or fluttering at the pit of the stomach, swimmings of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, Limbs, &c., sudden flushes of heat, burning in the flesh, constant imagings of evil, and great depression of spirits, can be effectually cured by

DOCTOR HOOFLAND'S CELEBRATED *GERMAN BITTERS*,

prepared by DR. C. M. JACKSON,
German Medicine Store,

No. 120 *Arch St., one door below Sixth Philada.*

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtue in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain, and pleasant.

Testimony.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1843, says : "I was taken sick one year ago, last April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

Jos. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say : "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now, after taking *only one* bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. WILLIAM CLARK,
Salmon Brook, Aroostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

ACADIAN GEOLOGY:

A popular account of the Geological Structure and Mineral Resources of NOVA SCOTIA,

And portions of the neighboring Colonies.

By J. W. DAWSON, F.G.S. &c.

THE above Work will consist of about 300 octavo pages, and will be illustrated by a large Geological Map, Sections, and Figures of Fossils. It will include a large mass of unpublished notes, referring to Nova Scotia, Cape Breton, Prince Edward Island and parts of New Brunswick, the substance of sixteen papers contributed by the author to the Geological Society of London and other Scientific Societies, and notices of the more recent discoveries of other Geologists. These materials will be arranged in such a manner as to present to the general reader a complete view of the structure of Nova Scotia and the neighbouring districts, as far as at present known, with its relations to the facts and principles of general Geology, and to the present and prospective value of its useful minerals.

With the view of ascertaining the number of copies likely to be required, subscription lists will be left with Messrs. D. W. McKinlay and E. G. Fuller, Halifax; Messrs. J. Dawson & Son, Pictou; Mr. A. Lawson, Yarmouth; Mr. W. H. Crawford, St. John; Mr. G. T. Haszard, Charlottetown. Price to subscribers, 7s. 6d. Also on delivery of the work.
