The Markets.

OATS.

English advices report "the most beautiful weather, which has enabled the farmers to harvest their crops in first class condition." The general reports as to the yield are very favorable, and it is considered certain that the English farmers will have no cause for complaint this year. The present value of P. E. Island black oats in London is 20s. to 21s. per 304 lbs. But of course the value of the years crop will depend upon its quality which is very good indeed. Samples of the new crop should be forwarded to London, Liverpool, and French markets as soon as possible.

In Toronto, on September 8th, oats were quoted at 36 to 37 cents per bushel; in New York they are firm at 34½ cents; in Toledo 28½ to 29½, in Chicago 26½ to 27½ cents. In Charlottetown they have been purchased during the present week, and are now being bought, at from 30 to 32 cents for black, and 36 to 38 for white.

POTATOES.

In Montreal, potatoes sell at from 70 to 80 cents per bag of two bushels. In Boston potatoes of good quality are in fair demand at \$1.50 to \$1.75 per barrel; or about 50 to 55 cents per bushel. Here early roses are selling at 22 cents. We have now on the Island eight starch factories, which will make a local demand for about 300,000 bushels of the surplus of our Island potato crop.

PORK.

The Cincinnati Price Current, September 6, says: The weekly returns of packing show 95,000 hogs for the Western points, against 80,000 last week and 65,000 for the corresponding period last year; total since March 1, 2,815,000 hogs, against 2,535,000 last year, or an increase of
