THE REAL APPEAL

The Bible Society appeals to those who regard the Bible as the Book that is above every book. It is upon the loyalty and generosity of those who so regard the Bible that the Society has depended in the past, and it is to them that we look with confidence for the future and tomorrow. What lesser motive but this could have brought the Society to birth in 1804? What motive but this has carried it forward on its world-wide mission for a century and a third? The Bible Society needs your help at all times. Help through the P.E.L. Auxiliary or Branch.
