BROCKVILLE, Ont. (CP)— Executive of the chamber of commerce here petitioned mayor Graeme Gorrie to request police action in enforcing regulations of the Highway Traffic Act, to reduce the noise of big transports passing through town.

Steps Taken To Organize Co-op Store At Montague

Whim Road W.I. Marks 20 Years

"To mark the 20th anniversary of the forming of Whim Road Women's Institute, a banquet was held on Tuesday, Oct. 6, at the home of Mrs. T. Jackson's beautiful River-view Tourist Home in Lower Montague with an attendance of 32."

The Institute members invited their husbands and others to join them in their celebration. The dinner menu consisted of fruit cocktail, turkey with all the trimmings, apple pie and ice-cream, together with many other delicious cakes and confections.

The dining room was delightfully decorated for the occasion in the Institute colours, blue and white. Bouquets of gladioli, petunias, pansies and other pretty flowers placed around the room, added further colour in the centre of the table at which the chartered members and their escorts sat.

A number of the original members have moved from the district, and one member, Mrs. John W. Campbell passed away several years ago. The following charter members and their escorts were present at the dinner: Mr. and Mrs. Norman MacDonald; Mr. and Mrs. Wesley Campbell; Mr. and Mrs. Cecil Campbell; Mrs. J. N. MacDonald and Mr. Arthur MacDonald; Mr. and Mrs. Garnet Moore; Mr. and Mrs. Webb Nicholson.

It was a great pleasure for all to see Mr. Norman MacDonald, who is 92 years of age and Whim Road's oldest resident, present at the banquet. At the close of the evening, while some folks enjoyed the opportunity of chatting with their friends and neighbors, others joined in a hearty sing-song with Mrs. Colin MacDonald accompanying on the piano.

Real Estate Men Hear Marathon Speech

WINNIPEG (CP)— Frederick J. Bashaw, a real estate consultant from Palm Beach, Fla., spoke for six hours Tuesday at the 10th annual conference of the Canadian Association of Real Estate Boards, with one break for lunch. He covered such subjects as "finding the best listings, analyzing prospects, the psychology of closing, conservation of time and energy, traps of negative thinking, advertising, negotiation of a price, and the art of negotiation in real estate."

SAILORS IN CUSTODY

STRATFORD, (CP)— Two sailors Kenneth Herbert Orr, 19, and Donald Martin Lillow, 18, both of HMCS Stadacona, Halifax, were remanded in custody Wednesday to appear in court Oct. 14 on charges of stealing a car and clothing. They were reported absent without leave from the Canadian Navy.

"The organizational meeting to form a co-operative store in Montague was held last night at Yeo's Theatre with a large number in attendance. Mr. Eugene Dunn was appointed as chairman of the meeting."

Mr. J. G. Dennis, supervisor of co-operatives, spoke briefly outlining the aim of co-operatives, and particularly mentioned and explained the establishing of a co-op store in Montague. He stated that a considerable area had been canvassed and already almost \$11,000.00 had been subscribed. Still further areas had yet to be covered, and he felt sure that the minimum amount of \$15,000.00 would easily be reached.

A motion, moved by Mr. Lincoln Dewar that the meeting organize the co-operative, was unanimously passed. The reading of the by-laws followed, each one being particularly dealt with and passed by the meeting. The by-laws were read by Mr. Leo Corcoran, Charlottetown.

At the conclusion, Mr. Dewar, chairman of the nominating committee, presented a list of names from which the directors were to be chosen. The directors, after balloting procedure, are as follows: For three years, Dave Wright, Eugene Dunn, James Cain; for two years, Dr. G. S. A. Inman, Harold Landry, Simon Nicholson; for one year, Harry Millar, Mert Hicken, Doug MacLaren.

The directors will hold a meeting at a later date to select their own officers of president, vice-president, secretary and treasurer.

Demand For

Continued from page 1 recommended that a guarantee be given to the Maritime Provinces that, in the event of future strikes by employees of the National railroad system, ferry service between Prince Edward Island and New Brunswick will be maintained. It was further recommended that, if such guarantees were not possible, the operation of this ferry service be placed in the hands of the Department of Transport to ensure uninterrupted service.

"The Maritime Economic Board of Trade urges the four Maritime Provincial Governments to support the Board in these recommendations which are considered to be of vital importance to these Maritime Provinces."

Maritime Projects

As part of an overall scheme to improve conditions in the Maritimes, Board members in each Province are asked to take one particular project and investigate all possibilities. Delegated to this Province is the investigation of the tourist industry with a view to expansion. At the same time Islanders were asked to take the initiative in bringing together at an early date the Ministers of Industry and Resources from all four Atlantic Provinces.

At the meeting Mr. E. D. Reid, of this city, was named P. E. I. Board of Trade representative on the Maritime Transportation Commission. Mr. B. Graham Rogers is the local Government representative.

Much of the talk in Saint John centred around an improved highway safety program as members decried the large number of accidents on the streets and roads. In this connection the dual-control car used here for the testing of drivers for licenses came in for much favorable comment.

The preliminary committee of the Boards designed to look into the possibilities in an economic survey was reduced from the original 24 named to 12 men to carry on. They will make the final recommendations to the Premiers along with a list of names from which the Premiers may select the Economic Commission to study all phases of Maritime development.

Attending from this Province were Messrs. Frank Curtis, B. Graham Rogers, Frank MacKenzie, Farrel Gaudet and E. D. Reid.

The world-famous British Museum in London celebrated its 200th anniversary in 1953.

Prominent Morell Merchant Dies

Mr. Lloyd S. Cox, prominent merchant and lobster packer of Morell who died suddenly at his home on Tuesday, Oct. 6. He was in his 65th year.

The late Mr. Cox had long enjoyed success and prominence as a businessman of sterling character throughout King's County and elsewhere in the Province where he came in contact with businessmen and dealers. He was born at Morell on May 28, 1888, the son of the late Mr. and Mrs. R. N. Cox.

Surviving him are his wife, the former Mary MacSwain; three sons, Dr. Lloyd of the Charlottetown Polytechnic; David, P. E. Island representative of the Colgate-Palmolive Company and Donald, student at Prince of Wales College; two daughters, Helen, of the Maritime Central Airways clerical staff, and Lois, R. N., of the Hartford General Hospital, Hartford, Conn. Also two sisters, Edith, former Superintendent of the Robert Brigham Hospital, Boston, Mass.; and Georgie, widow of Rev. Dr. C. F. Lancaster of Reading, Mass.

Bus Driver Faces Reduced Charge

MORRISBURG, Ont. (CP)— Lorne Chesbrough, 29-year-old Kinkinnick, Ont., bus driver, was committed Wednesday for trial on a reduced charge of dangerous driving as a result of a bus-truck accident near here last July 31 in which 20 persons were killed.

Magistrate F. M. Cass refused to commit Chesbrough on a charge of manslaughter, laid by the crown after the accident.

Chesbrough was the driver of a Colonial Coach Lines bus that plunged into the Williamsburg canal three miles west of here after striking a truck on the highway.

Death Yesterday Of Glen Martin Man

"There passed away in the King's County Hospital yesterday, Mr. Kenneth MacKenzie of Glen Martin, following a short illness. He was born in Glen Martin, a son of the late Mr. and Mrs. Finley MacKenzie, and throughout his life was a farmer."

He leaves to mourn his widow, the former Kate MacLeod of Valleyfield East, a brother Alex in Montague, and two brothers Samuel and William in Massachusetts. Three sisters predeceased him. Final funeral arrangements were not completed at time of writing.

Spirited Discussion

Continued from page 1 fought under the pool agreement be made payable to the individual producers but be mailed to the shipper for final distribution.

By contrast to the lengthy discussion on the above mentioned resolution, approved after resolution that had been passed by the Morell meeting.

On motion of W. B. MacLellan, seconded by Harry Dawson, it approved a resolution that the license or levy on producers be continued this year by the Board on the same basis as last season.

The resolutions committee was composed of Messrs. Kenneth MacLean, George Shaw, Darrell Pickelie and Albert Linkletter. The meeting was presided over by Mr. Roland MacDonald, president of the Federation of Agriculture, and representatives were present from almost every district in the county, despite a steady rain or drizzle which prevailed through the evening.

In referring to the marketing agreement Mr. D. A. MacDonald said the board has followed up their application of last June until early in August when, with a delegation, he went to Ottawa. After several days of negotiation a tentative agreement had been drawn up and submitted to the Dominion Cabinet on the 13th day of August and approved on that date. In effect, under it, the Federal Government have undertaken this year's Island potato crop to a certain extent they have guaranteed the initial payments as outlined above. The handling and processing costs up to 25 cents a bushel. That is to take care of containers, assembly costs, storage when necessary, and all the other items that ordinarily belong to an operating account of this item.

He said the selling agency that has now been established will make arrangements for such licensed dealers, assemblers and growers, as are desirous of marketing through the pool to remain under the agreement throughout the season. The initial payment, he said, was not as high as they asked for, nor as high as they would like it to be, he said, "I assure you we did our best to obtain a better deal, and couldn't. However even on the 45, 50 and 55 cents guaranteed initial payment, Island farmers have a measure of stop-loss protection not enjoyed by the farmers of New Brunswick or the producers in the State of Maine."

"If market conditions brighten, as we hope they will, the initial payment will not be the final payment."

In inviting questions from the floor Mr. MacDonald asked the audience to bear in mind that they were building up something new and to many questions that might be asked there was no clear cut answers at the present time. But he said he would answer them as best he could on the information available.

In reply to questions Mr. MacDonald said the board had no intention to interfere in any manner with contracts that had been

previously made between producer and dealer. He said the board felt that producers who sign some type of contract with the selling agency to market their potatoes under this agreement should be prepared to stay with it for the season.

"There's something about our music," says Don Messer, "that upssets the emotions."
