Grandview Native Dies In Everett, Mass.

* Word was received yesterday of the death at Everett, Mass., of Dr. John Bruce on January 14th at the age of 95 years. The late Dr. Bruce was the son of the late Mr. and Mrs. Angus Bruce at Grandview. He attended Prince of Wales College, and then taught school for a few years before entering McGill University. Besides his second wife, nee Ada Lake, Chicago, he is survived by a daughter, Josephine at home, and also two sisters, Mrs. Annie MacKenzie, Montana, and Mrs. M. A. MacPhee, Ithaca, and a brother, Angus Bruce, Oakland, California.

Parkdale Bombers Defeat Murray Hbr.

The Parkdale Bombers walloped the Murray Harbour Bruins 19-6 in a fast game of hockey at the Montague rink last Saturday night. Scoring honors for Rollie Roberts Parkdale team were evenly divided. Angie Carroll led the way with four goals while Richard Carroll, Sam Gregory, Phil McGee and Lorne Jolly all notched three each. C. Burke, J. Coyle and L. Gaudet fired one each. The game was handled by Len Arsenault.

East Baltic and Vicinity

* Mr. and Mrs. George Grant, Charlottetown, were visitors to Red Point and Kingsboro on January 5th. Mrs. Roddie Kidson was hostess to the Red Point Women's Institute at her home January 5th with seven members and three visitors present. The Misses Roma Ching, Black Pond, and Marina Rose, East Baltic, have taken up positions as nurses' aides in the E. I. Hospital. All wish them both success in their new work.

Mr. Chester Bruce, Kingsboro, has entered the P. E. I. Hospital, Charlottetown, for treatment. All wish Mr. Bruce a speedy recovery.

The Misses Karlynn Stewart, Red Point, and Betty Robertson, Munns Road, have returned to resume their duties as students in colleges in Charlottetown. Both spent a pleasant holiday at their respective homes.

The children and older people enjoyed beautiful skating for a week at the open air rink on the farm of Mr. Kenneth Campbell, Red Point. In the summer the pond is a mass of beautiful lilies and many passersby admire them.

Mrs. Marjorie Gallant and young daughter Susie, are spending some time visiting at the home of Rev. H. R. and Mrs. Bell, Red Point.

Mr. and Mrs. Alvah Ching, accompanied by Mr. Lorne McNeill, Red Point, motored to Charlottetown January 5th.

Mrs. Foster Young entertained the Kingsboro Women's Institute at her home on January 5th with a large attendance.

Mr. Edwina Robertson is convalescing at his home in Munns Road following an attack of mumps.

Mrs. Elsie Kennedy, Red Point, spent the afternoon of January 5th visiting with friends in Kingsboro.

Mrs. James Harris, East Point, accompanied by her daughter, Miss Shirley, were visitors to Charlottetown January 5th.

A large group of young and old gathered at the parsonage on the evening of January 8th when they presented their pastor and his wife, the Rev. and Mrs. McClure with numerous articles for the new year. Mr. Fred Rose most capably acted as chairman, and following his remarks Rev. and Mrs. McClure thanked each and every one for their gifts and extended an invitation to all to visit them at any time. Music was supplied by Mrs. Clinton Stewart and old time songs were greatly enjoyed by all, followed by lunch, after which all departed for their homes wishing Rev. and Mrs. McClure the compliments of 1953.

Mr. and Mrs. Clive Bruce, and family, of Elmira, have recently resided in East Baltic for the winter months, with Mr. Bruce's father, who is not enjoying his usual health. All wish him better health in 1953.

Mr. and Mrs. Stewart McIntyre, East Point, motored to Charlottetown recently.

Mr. Chester McNeill, Red Point, received the sad news that his brother, Mrs. Edward McNeill, had passed away January 9th in New Glasgow. The sympathy of the community goes out to Mr. McNeill and all sisters and brothers of the late Mr. E. McNeill.

Mr. Major Young and Mr. Charles Ching, Red Point, motored to Charlottetown January 5th on business.

Mr. Elliot Bruce, East Baltic, was a recent visitor to Charlottetown, and at the home of Mr. and Mrs. Wendell Jones, Pownal.

Mr. James McInnis, St. Peters, accompanied by his brother, Mr. Pat McInnis, teacher at Verdun, Quebec, visited friends at Black Pond and Red Point January 6th. Mr. P. McInnis left January 7th to resume his teaching in Quebec, having spent his holidays with his parents, Mr. and Mrs. Frank McInnis, St. Peters.

Many will regret to learn that Mr. A. A. and Mrs. McDonald, Souris, have taken up residence in Charlottetown for the winter months. All wish them both better health and their return to their home in the spring.

Hold Debentures Burning Ceremony At Montague

In a fitting ceremony, the final \$20,000.00 debentures on the concrete street pavement were burned at the last regular meeting of the present Montague Town Council in the council room last night. After duly recording the amounts paid on each bond, the clerk passed the bonds to Mayor B. H. Yeo, who officiated at the ceremony of burning the bonds. This concluded the final chapter of a project undertaken in 1931. The meeting dealt first with the usual routine business of minutes, bills, correspondence and reports. The Town Clerk also presented the financial statement which will be prepared for publication at a special meeting of the council to be held shortly. Mayor Yeo gave a comprehensive report of the town activities for the past year. This council having completed two years in office, January 20th will be nominating day for the new council, going into office on February 3rd.

Georgetown Eagles Defeat Montague 15-7

A large crowd packed the Montague rink last night when the Georgetown Eagles defeated the Montague Shmohawks 15-7 in a regular feature of the Kings Bay League. The fast flying Eagles were more than a match for the Montague squad taking advantage of every scoring opportunity while the locals missed out on many good chances. A fast rugged game throughout, both teams were called on for their best to hold off the attacks of the opposing team, and gang attacks held the play at either end for considerable periods. Not only did the players perform well, but also the goalies who did yeoman service in the nets as the pressure increased. Tempers grew short as the game went on, and in the middle of the third period a fight got under way out of which three were sent to the cooler, one for two minutes and the others for five. A crowd pleaser all the way, the game displayed good passing and hard checking, all of which gave the fans an interesting evening and a desire to see these teams in action again.

Georgetown — Goal, Sullivan; defence, MacLean, Johnston, MacPhee; forwards, Landry, MacNeill, Murphy, Publicover, MacDonald, Stevens, A. Murphy, MacSwain, Martell. Montague — Goal, Stewart; defence, Davies, MacLure, Fraser, Landry, MacDonald, Reynolds, Skilkorn; forwards, Nelson, Stewart, Power, Barrie, MacLean, Clements.

Referee, Goodwin. McClure the compliments of 1953.

Bristol and Vicinity

The mild weather seems to bring memories of spring to the fishermen here, and plans for spring fishing are getting underway. It is understood several new boats will be built in the two boat building sheds here this winter. Mr. Charlie Mosher and Mr. John J. Perry are both first class builders. Mr. Mosher served his time with his late father, Charlie Mosher, Sr., who built hundreds and hundreds of boats, many of them for very little, in the long, long ago.

Mrs. Jenny McCarthy spent a few days in the City recently with her daughter and son-in-law, Mr. and Mrs. Joe Gillan, Euston Street.

Miss Isabelle Conohan spent the January 10th week-end in the City with her mother, Mrs. Gerie Conohan. Miss Conohan is housekeeper for Mrs. Somerled Kelly, who has been ill for some time and entered the Charlottetown Hospital recently for treatment.

MONUMENTS and INSCRIPTIONS LEVI V. POWER, Montague, P. E. I. Representative J. Louis MacDonald, 86 McGill Avenue. Phone 2410-L.

Tired Feet Soothe them with MINARD'S LINIMENT. Rub on freely, and see quick relief. Grassroots. Fast-drying. No stinging odor. 18-44

FARM PRICES

Continued from page 8

calves and sheep, and at Charlottetown there has been a drop in lamb quotations from 20.00 last week to 17.50 this week for good lambs, with rail grade prices down to 42.00 from 47.00 for A's. On January 12 the Montreal market indicates cattle trading active with 50c to 1.00 higher with Good to Choice steers 24.00 to 25.50. Good cows 15.00 to 16.00, which was three to four cents higher than the local market. Calves were steady to strong with Choice vealers 28.00 to 31.00. Sheep were also 30.00 stronger at 22.00 to 23.00. Hogs were 28.00 for Grade A. This evidences the strong trend to the Montreal market.

United States forecasts indicate a 10 per cent increase in cattle marketings in 1953 over the preceding year. They have a cattle population of about 94 million head, the highest on record. It will be interesting to watch developments as the trade begins to flow South of the Border. This will be a two-way movement and prices will depend on market relationships. As already intimated in these reports prices will likely be based to a very great extent on United States levels.

Feeds Feed prices are maintained at about the same level as last week, with No. 1 feed oats at \$2.65, bulk, carlots, delivered, and No. 3CW at \$2.75. No. 1 feed wheat 1.50-1.50, and No. 1 feed barley 2.85-1.2. These prices are in advance of West's quotations. Bran and Shorts are \$55.00 to \$56.00, with Oilmead down a little at delivered price of \$88.00, and Soybean meal at \$84.00. It must be remembered that these prices are carlots, delivered, and sacking and retail would add considerably to the figures.

Hay Hay seems to be a dull commodity. There is apparently lots of hay in Eastern Canada, and the prospects do not seem to be promising for a keen demand. Small quantities are being delivered at about \$15.00 per ton delivered at Charlottetown for good hay. A farmer could scarcely afford to press and sell at this price when his costs would be taken out the net price for bedding and fertilizer.

Dairying There is no change in butter prices since last week. Local Jobbing at Charlottetown is 65c, with no wholesale quotation, but this should be maintained on the basis of Mainland prices less freight. Halifax Local Jobbing is 66c with Wholesale at 64c. The same prices prevail at New Brunswick points. Production is keeping up well in the Province, with a total of over 63,000 pounds for the week ending January 3rd, as against 66,200 for the same week last year.

The Dairy Superintendent is at present in Ottawa conferring with officials from other Provinces regarding possibilities of uniform legislation and the enactment of such laws as will give reasonable protection to the dairy industry. A new Act is being prepared for the Session of the Legislature which involves manufacturing and grading of dairy products. The latter authority was formerly in Federal hands, but has now become a Provincial responsibility.

Canadian cheese production for 1952 was down more than 20 million pounds below the 1951 production of over 85 millions. This reflected the shrinkage in the export market. At the same time at January 1st there were 40 million pounds of Cheddar cheese in storage — 8 million more than at the same period last year. Creamery butter jumped to almost 281 million pounds in 1952 compared to over 257 million in 1951. In the same period consumption rose from 269 million to almost 275 million pounds. Stocks on January 1st were 10 million higher than in the previous year of almost 55 million pounds.

Margarine production increased during the year with 105,591 pounds. Stocks on January 1st were lower — 2,740,000 pounds as compared to 3,244,000 the previous year. The output of concentrated milk products increased from 434 million to 468 million pounds.

Potatoes The potato market is very dull, but movement during the past week has been very good. 273 cars were shipped over half of which were exported through the ports of St. John and Halifax. The demand for Montreal and Toronto is very slow as those markets are

now being supplied to some extent with local stock. It would appear that unless weather conditions change those local offerings will have a marked influence on Central Canadian markets for the next several weeks. Producers and assemblers would be well advised not to load potatoes in cars unless such shipments have been sold as this would give your dealer a chance to place those cars to the best advantage of all concerned. Reports today from Tignish to Elmira and Murray Harbour indicate that there is practically no seed moving. The market is slow and quiet, and a large stock movement is at floor prices.

and their extent is bound to influence potato values for the next several weeks. Producers and assemblers would be well advised not to load potatoes in cars unless such shipments have been sold as this would give your dealer a chance to place those cars to the best advantage of all concerned. Reports today from Tignish to Elmira and Murray Harbour indicate that there is practically no seed moving. The market is slow and quiet, and a large stock movement is at floor prices.

Another Year of Service in the Heart of Your Community. Confederation Life Reports Another Great Year In 1952. The past year was one of progress and expansion.
