HIGHLY COMMENDABLE.—The Hibernian Bank of Ireland has cabled $4,861 for the Johnstown sufferers.

BIG SICK LIST.—In Leavenworth, Kansas, a man must sign a certificate that he is sick before he can obtain a drink at a drug store. In one month 22,000 men registered themselves sick.

PIGS IN CLOVER.—We noticed in Mr. E. W. Taylor's show window to-day a number of miniature gold-plated pigs in clover puzzles. The price is low, and every person should have one.

SPECIAL EDITION.—The Montreal Board of Trade edition of the Toronto *Globe* is to hand. It is nicely printed, and contains a good deal of information of especial interest to business men.

THE benefits of vacation season may be greatly enhanced, if, at the same time, the blood is being cleansed and vitalized by the use of Ayer's Sarsaparilla. A good appetite, fresh vigor, and buoyant spirits attend the use of this wonderful medicine.

HOW THEY COMPROMISED.—A young married couple in Ashtabula County, Ohio, have being making a garden for the first time. When planting onions they were at a loss to tell which end to put down, so they compromised the matter, he putting them in one way and she the other.

STREET FLOODED.—The heavy rain to-day caused quite a flood on Great George Street, near Fitzroy. The water was running over the street crossing to a depth of two or three inches, making it almost impassible. The flood, we understand, was caused by the removal of an old drain. If proper surface drainage is not at once effected the residents of that part of our city will be put to a great deal of inconvenience.

SCHOOL EXAMINATIONS.—The regular annual midsummer examination of the classes in the public schools will begin on Wednesday next and will be continued on the two following days. Queen Square School comes first, West Kent Street second, and Prince Street third. The examinations will begin at ten o'clock each day. Parents of pupils, citizens generally and strangers in the city are invited to attend. In the meantime it would be well for those who intend presenting prizes to hand them over to the teachers.

FOR STREET PURPOSES.—A bill has been signed by the governor of the State of New York authorizing the appropriation of an extraordinary sum for preparing the streets of the city of New York. In all $3,000,000 can be thus expended in three years, or $1,000,000 each year. In addition to this there is an ordinary appropriation of $500,000 This large amount of money should put the streets in first class condition, but there is no city in the world where there is so much jobbery in connection with its public affairs as New York, and it will be a surprise if more than half the money ever reaches the streets.

A CHOICE PROGRAMME.—Mrs. Scott-Siddons has specially prepared for her recitals on next Wednesday evening the following:

Scene from "Much Ado About Nothing" ..... Shakespeare
"Curfew Must Not Ring To-night," ..... R. Hardwicke
"A Senator Entangled" ..... J. de Mille
Sleep-walking scene "Macbeth" .. Shakespeare
Interval of 10 minutes.
"Creeds of the Bells," ..... W. G. Bungay
"Aunt Abigal's Adventures" ..... R. Henry
"Sent Back by the Angels" Rev. F Langbridge
"Love in a Balloon" ..... L. Moseley

The entertainment will occupy about two hours. Secure your seats at once.

JUNE 14.

McDonald vs. Doyle.—This was an action for wages for work done. The defendant disputed the amount claimed and also that plaintiff having, during the second year, left the employ contrary to agreement, was not entitled to receive any part of the year's wages. There was contradictory testimony on both points. Verdict for plaintiff. Davies, Q. C., and J. H. Bell for plaintiff; F. Peters and W. S. Stewart for defendant.

Richard vs. Gallant.—This was an action of trespass for taking seaweed on the shore in front of plaintiff's land. The principal question in this suit was whether or not the plaintiff had the exclusive right to the seaweed lodged by the tide between high and low water mark in front of his land. It was held that the plaintiff had such right, and a verdict was found for the plaintiff on the principal issues. Morson & McQuarrie for plaintiff; F. Peters and J. H Bell for defendant.—*Journal.*

No more touching proof of the universal sympathy that flowed out to the Johnstown sufferers was given than the subscriptions of the convicts in the Eastern Penitentiary of Pennsylvania. They are only allowed weekly papers, and so did not know of the disaster until the following Wednesday. As soon as they read the story, numbers of them were heard knocking on their wickets to tell the keepers they wanted to give some of their earnings. These they made by working extra time, half going to the county from which the convict comes, and half to the man himself. The maximum that can be made in a week is $1. Out of the 1,110 prisoners, 546 gave $542.96, or an average of almost a dollar per man. One old man had $15 to his credit and wanted to give the whole of it. He said: "I have been doing crooked work nearly all my life and I want to do something square this time."

SPECIAL DESPATCHES TO THE EXAMINER

PRESBYTERIAN ASSEMBLY.

Report on Jesuit's Estates Act

The Sabbath Observance Matter.

TORONTO, June 19.

The committee on the Jesuit's Estates Act brought in its report to the Presbyterian General Assembly this morning. Briefly put the resolutions were to this effect: "That the Jesuit Society exerts an influence hurtful to the public welfare, and dangerous to public peace; that the recognition of the authority of the Pope and the consequent invasion of the supremacy of the Queen in this country is regarded as dangerous—that the Moderator shall sign a petition on behalf of the Assembly to the Governor-General in Council for the disallowance of the Jesuits' Act; that legal and constitutional advice should be procured to test the constitutionality of the Act and the incorporation of the society. Attention is called to the aggressive spirit and aim of ultramontanism towards ascendancy in this country; a Committee of Assembly should be appointed to guard the interests of Protestantism and religious liberty.

The evening was mostly taken up with the discussion of the report on Sabbath observance. Letters were read from Mr. Van Horne, of the C. P. R., and Mr. Hickson, of the G. T. R., expressing sympathy with the movement, but stating the impossibility of stopping Sunday trains in Canada, owing to the attitude of American railways.

When the Assembly adjourned at 10 o'clock to-night, about thirty clergymen from various provinces collected to see if a Dominion Association could not be formed on the same lines as the Equal Rights Association which was formed here last week. Representatives spoke from each Province, the testimony being that the people outside of Ontario took very little interest in the Jesuit question and were in ignorance of the matter. After considerable discussion conveners were appointed from each province, except P. E. Island. In the Lower Provinces it was pointed out that the movement would have to be initiated from the Dominion Alliance and not from the Presbyterian Assembly. The conveners for the Lower Provinces are: Halifax, Mr. Murray; New Brunswick, Mr. Fotheringham; Pictou, N. S., Mr. Fulcan; Cape Breton, John Murray.

Prohibition Sadly Defeated.

HARRISBURG, Pa., June 19.

Pennsylvania voted yesterday on prohibition. Late returns indicate that the majority against prohibition is nearly two hundred thousand. The prohibition leaders say they will not abandon the fight against the liquor traffic, and will at once reorganize a new campaign, the basis of which will be not to vote for any man for office from town constable to President of the United States who is not openly pledged in advance to prohibition.

Registered Mail Matter.

OTTAWA, June 19.

The Postmaster-General is considering the advisability of adopting the American or hand-to-hand system of forwarding registered mail matter. This will not allow registered matter to be sent by any trains, excepting those furnished with regular postal cars, and necessitates a personal delivery and receipts between the officials through whose hands the mail passes, thus ensuring greater security to transmitters.

The Fast Mail Service.

OTTAWA, June 19.

Mr. Anderson, of the fast Atlantic mail service, leaves for England in a few days, having, it is understood, completed satisfactory terms with the Government by which he will be enabled to complete monetary arrangements for carrying out the service. The details will not be made known till these are arranged.

Bonding Privileges.

OTTAWA, June 19.

Mr. Shaughnessy, assistant manager of the Canadian Pacific, states that bonding privileges via the Short Line to St. John have been neither granted nor refused. Hopes are entertained of a satisfactory arrangement on the return of Secretary Windom who has been absent from Washington some weeks.

Another Record Breaker.

VANCOUVER, B. C., June 19.

The special Grand Jury in the Cronin case has found an indictment against Martin Burke on two counts of murder and conspiracy with Coughlin, O'Sullivan and Woodruff for the purpose of committing the murder.

Best of All

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.
