

Princess Pats Concerned Over Outlook In Korea

Junior Farmers and Junior Club News

The annual meeting of the Montrose-Alma Calf Club was held in Montrose school on Friday, December 1. Robert McAssey, the president, was in the chair and the meeting was conducted in fine style. The Secretary-treasurer gave the financial statement and the president gave a report of the year's work.

The following officers were elected for the coming year:—President—Robert McAssey; Vice-Pres.—Jessie Bagiole; Sec'y-Treas.—Jim Donald.

The following is a copy of the annual report:

The Alma, Montrose, Greenmount, Riverside, Calf Club was organized on June 7th in Montrose school. Sixteen members joined. Three business meetings and 2 judging meetings were held. Our Achievement Day was held at the Alberton Fair. Sixteen calves were exhibited and judged by Mr. Allison Profit, who also made some very fine remarks about the calves. The Central Calf Club Show was held at Charlottetown and our calves came in first of twelve groups. Martha Dumbars calf was made Reserve Champion of the Holstein class. There were many remarks that this was a very excellent showing for a first-year club.

"Northern calf club paid us a visit and we had a combined picnic at the shore.

"On behalf of the members and other officers, I would like to thank the Adult Directors and Mr. Peacock for their help."

Sea View "Whitehead" Calf Club. The Annual Meeting was held at Sea View School, November 29th with 17 members present. Just as the meeting began a large section of gyron came crashing down from the ceiling but fortunately did not seriously hurt anyone.

In the absence of the President, the Vice-President, Enid Donald, presided at the meeting. The Chief item of business was the election of officers for the coming year.

Clifford Donald was chosen as President, Carl Murphy as Vice-President and Ina Murohy, Secretary-treasurer. Adult Leaders are: Eddie Murphy, Arthur Stewart and Fred Donald.

Their next meeting will be held January 5th immediately after school. It was decided that they would meet the first and third Fridays of each month.

Mrs. James E. Murphy and Sterling Murphy, teachers and Morris Deacon, Fieldman, assisted the Juniors with their meeting.

The annual meeting of the Western Stars (Port Hill and vicinity) was held at the Masonic Hall, Port Hill, Thursday evening, November 30th. Morris Deacon, Fieldman, Department of Agriculture was present and assisted the young people at their meeting.

In the absence of the President, the Vice-president, Elmer Ramsay took charge. The Secretary-treasurer, Christie Maynard, gave an excellent financial statement, with over \$200.00 being raised during the year and the club still has a balance of \$109.39. The Vice-President also gave the annual report.

The following directors were elected for the coming year:

From Port Hill: Keith Dennis, Heath MacLellan.

Northam: Elmer Ramsay, Christie Maynard.

Arlington: Clarence Ramsay, Leith MacLean.

Beach Hill: Wendell Maynard.

The Directors meeting to elect the new officers is to be held in the near future.

While a cricket team has 11 men, 10 must finish an innings because there must always be two batsmen.

Of 800 oil wells drilled in the first 10 months of 1950 in Alberta about 600 were oil producers.

AT SEA WITH 2ND BATTALION, P. P. C. L. I., Dec. 7—(CP)—The burning question aboard the Korea-bound Pte. Joe P. Martinez is: "Are they going to throw us into that mess?"

Aboard this 9,000-ton troopship are officers and men of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, first combat troops of Canada's commitment to the United Nations—the Canadian army special force—to leave for overseas duty. The Martinez now is well northwest of Hawaii, where it put in for a short time Saturday.

When the men embarked Nov. 25 at Seattle, Wash., for Korea their understanding of their assignment was that it meant:

1. Completion of their training.

2. Assignment to duty by Gen. Douglas MacArthur.

The 2nd P.P.C.L.I. is a green battalion and half-trained. Men are proficient up to the advanced individual level. They now have to be welded into efficient platoon, company and battalion teams.

Lt.-Col. J. P. Stone, commanding officer, has said that training would take at least six weeks, preferably two months.

If the regiment receives any duties whatever in Korea, even simple police or occupation work, that period would be doubled to four months.

Last week's Allied reverses in Korea raised acutely in the men's minds their future role.

Would they be used right away to shore up some breach in crumbling U. N. lines?

Would the position have stabilized enough for them to settle down to training in South Korea with a reasonable prospect of completing it before being hustled into action?

Not Afraid of Action

The men aren't afraid of going into action—the news last week shook them into the realization that fighting was to be their business, after all—but they do want that training first.

The question is: Where? The consensus among the officers, who recall the Hong Kong disaster of 1941, is that if Korea stabilizes the original plan might as well proceed.

Once the two months' training in the field is completed, the battalion could be committed anywhere at any time with confidence—its heart is sound.

The men are confident that the Canadian Government will be considering their position in the light of Korean developments and that policy will be determined by the time the Martinez reaches Japan en route to Pusan.

Dempsey Thinks Louis Should Quit

BUFFALO, N. Y., Dec. 7—(AP)—Jack Dempsey says Joe Louis ought to quit the ring "before he gets hurt and finds a permanent address on Queer St."

The former heavyweight champion, here to referee a pro wrestling bout Friday night, told an interviewer Tuesday:

"I know how Louis feels. His coordination is gone. He sees an opening, and nothing happens.

"He has lost his punch and timing and his ability to think in the ring.

"He's a lot farther over the hill than I was when I hung up the gloves in 1927."

Dempsey recalled that he "started to slip" four years before he quit after losing to Gene Tunney.

Egg And Poultry Marketing Report

Egg receipts continue at a very low level but are increasing slightly, reports Mr. F. M. Nash, District Inspector, Poultry Products. Quality remains good. Sales both local and to other Maritime points and Newfoundland continue to prevent any accumulation. Registered grading stations have reduced their paying prices and are now quoting for ungraded eggs delivered AL 49-50, AM 45-6, AP 28-9, B 38-9, C 24. Dealers are quoting for graded pack delivered AL 54, AM 50, AP 43, B 43. Wholesale prices to retailers are AL 59-60, AM 54, AP and B 46.

During the past two months, poultry marketings on P. E. I. have been increasing weekly. These increases noted weekly in reports received at the District Office reached a new high for the week ending November 25 when 98,000 lbs. were marketed. During the past month, the tendency has been a change over from fowl to chicken in receipts. The majority of chickens are showing good finish and boxes of 12 birds weighing 95 to 100 lbs. are quite common. Producers are commended for the high standards of quality they are attaining.

Geese, ducks and turkeys are not being offered in sufficient volume yet to have any prices established but some dealers are paying for Grade A turkeys up to 15 lbs. fifty cents; 16-20 lbs., 45. Grade A geese, 42. Ducks 40.

Dealers are quoting for live poultry No. 1 chicken over 7 lbs 35, 6-7 lbs 33, 5-6 lbs 31. Fowl 5 1-2 and over 25. Dressed chicken 5 lbs and up Grade Special 45, Grade A 44. Dressed fowl 5 lbs and up Grade Special 33, Grade A 32.

Neighbours of the Atkinsons gathered at their place to acclaim the achievements of the new champion and followed this by a reception in honor of the Atkinsons at Nobleton Community Hall.

The deposed world champion is the B. C. Holstein Annet Ormsby Inka Lass who made her record of 21,800 lbs. milk containing 695 lbs. fat in 1946 in the herd of Leslie Gilmore, Steveston, B. C. Still another Canadian Holstein Tranquille Canary Vale Fieta owned by the University of Saskatchewan, Saskatoon is the world champion for fat with 829 lbs. from 20,823 lbs. milk. Cecil Atkinson and his 21 year old son Glenn together run the Orchard Vale Farm. Glenn was a member of the Schomberg Calf Club for five years and four times was the top club member in his year's work while twice he had the winning calf in the club. The Schomberg Calf Club has established something of a record by having two of its former members complete World Records for production in their herds. The other member is Jack Wauchope, Schomberg, whose mature cow Lynndep Hartog Daisy

Artificially Bred Holstein Is World Champion

When the Maple Cattle Breeders' Association was formed at Maple, Ont., in 1945, the objective was to raise the standard of type and production in the herds of the Toronto area by providing artificial services from outstanding sires. Highlighting the progress by a daughter of one of the Maple bulls in the herd of Cecil Atkinson and Son, Schomberg, Ont., the new champion is the purebred Holstein Orchard Vale Laura Texal with a 355 day production as a junior two-year-old milking of 22,005 lbs. milk containing 778 lbs. butterfat, average test 3.54 per cent. This record is also the third highest for butterfat ever made in Canada in its class.

Established a World Record for yearly butterfat production of 1324 lbs. which is the highest ever reported regardless of age on twice-a-day milking.

Sire of the new champion is Lonelml Texal Ideal, who through his artificial use now has 300 registered progeny, 21 sons and 279 daughters. Nine daughters of Maple Unit bulls in the herd have an average production as two-year-olds of 15,209 lbs. milk and 555 lbs. fat (3.65%).

Most Australians have never seen snow, but their Christmas cards feature traditional snow-covered countryside.

Use of the atomic bomb against Communist China was deprecated by Hon. L. B. Pearson, minister for external affairs, at the opening of a dominion-provincial tax conference in Ottawa. Shaking hands prior to opening of the meeting are Premier Leslie Frost of Ontario, left, Prime Minister Louis St. Laurent, centre, and Maurice Duplessis, Quebec premier.

Sandy Saddler Signs For Bout

CARACAS, Venezuela, Dec. 6—(AP)— Featherweight champion Sandy Saddler will meet lightweight Orlando Zulueta of Cuba in a non-title ten rounder here Jan. 7, promoters John Nash and Oscar Ibarra said yesterday.

The promoters said they hoped to get Los Angeles lightweight Carlos Chavez or Enrique Bolanos to fight Saddler the week after.

FREDERICTON SCHOOL

Report for month of November: Grade X—1. Earl Weeks; 2. Helen Stevenson; 3. Ben Cutcliffe. Grade IX—1. Beulah Haslam; 2. Mary Weeks; 3. Gordon Stevenson.

Grade VII—1. Alan Stevenson; 2. Allison Weeks. Grade VI—1. Evelyn Weeks; 2. Robert Weeks; 3. Byron Cutcliffe. Grade V—1. Kathleen Weeks; 2. Morris Weeks; 3. Aubrey Morrell. Grade IV—1. Albert Weeks; 2. Wesley Stevenson.

Grade III—1. Shirley Weeks; 2. Joan Stevenson; 3. Ronnie Ross. Grade II—1. Blois Weeks; 2. Roma Rackham; 3. Donald Stevenson.

Grade I (a)—1. Thelma Ross; 2. Heather Jorgensen. Grade I (b)—1. Catherine Stevenson.

Grade I (c)—1. Nancy Bertram. Teacher, Phyllis Gillis.

Reports On Television And N. H. L. Attendance

MONTREAL, Dec. 8—(CP)—Television of hockey isn't the crowd-swallowing monster it's cracked up to be, President Clarence Campbell of the National Hockey League said today.

Rather, it is television of "other attractions" that can and does make itself felt in hockey as well as in other forms of entertainment.

More of a factor in dwindling attendance in some N. H. L. cities, said Campbell, is the position of teams in the league standing. Lower placed teams aren't hauling in the customers.

At the same time there could be a distinct relationship between the two factors—TV and low position. The box office could take a sizeable wallop when the games of a straggling team happen to coincide with good television attractions.

Drops in attendance in American cities of the N. H. L., said Campbell, have shown one peculiarity. The lower-priced seats have been the most conspicuously unoccupied.

Two American cities televise their hockey games. Detroit and New York, Detroit, said Campbell, is operating successfully.

New York Rangers, now tied for last place in the league, have suffered sharply from crowd shortage

this season. Chicago Black Hawks televise their games by delayed film—run off at a later time.

Boston Bruins, cellar occupants with Rangers, do not televise their games and have lost in attendance also.

Campbell said he feels hockey actually can benefit from television.

Through it, hockey could attract persons who had never seen the game. It could also pull back former fans.

By putting on a first-class show, hockey also could make itself one of the better TV attractions that people would want to see in person.

Zack Taylor Signs Again With Browns

St. PETERSBURGH, Fla., Dec. 7—(AP)— Zack Taylor, for two years manager of St. Louis Browns, finally made it official Tuesday when he signed to manage the Browns' next season.

Bill De Witt, president of the Browns, said several weeks ago that Taylor would return after doing an "excellent" job for two seasons.

The Browns finished seventh in the 1949 and 1950 seasons.
