Here We Are Again!

McLEOD & McKENZIE, STAR MERCHANT TAILORS,

The Original and Peerless Artists of Our Day.

THE ABOVE HAS BEEN A SETTLED FACT FOR YEARS, and to keep before the public what is so well known to every good dresser in this Province, may seem superfluous. But as a good dinner tends to give a quietus to the disturbing influences within the inner man, so a thorough knowledge of our capabilities will give a quietus to anyone who may have had the good fortune of being dressed by us. The sun rises and sets, and it appears to the ordinary judgment that the sun revolves around the earth instead of the earth revolving around the sun; so we, through the immense strides we have taken in our art, would appear to the undeducated to be moving around our many friends, instead of they moving around us; like the sun imparts its warm rays to revive drooping nature, so we are the benefactors of our people, by aiming high and attaining to a STYLE and FINISH in our Garments, which cannot but commend us as the MERCHANT TAILORING PHILANTHROPISTS of our day.

Are you anxious to test the foregoing? Come in, then, and see our line of Goods, which are superior, in every sense of the word, and we will fit you out with a Suit which will doubtless draw the loving remark from your best girl that she has "the best dressed young man in town." Call early, if you must have it before 1st July.
