NEW BOOKS.—"Her Latest Throw," by the Duchess; "A Woman's Heart," by Mrs. Alexander, and all the latest periodicals at the Diamond Bookstore.

MILITARY.—No's. 1 and 2 Batteries Garrison Artillery, and Engineers, headed by the Artillery Band, will parade at the Park this evening at 7.30 o'clock for battalion drill.

THE LYCEUM.—Edith Ellis and her Wizard will open for a limited season in the Lyceum this evening. Their performances are well spoken of by the press of the other provinces.

H. M. S. COMUS.—D. Small, Esq., Harbor Master, received a telegram yesterday from the Commander of H. M. S. Comus to the effect that she would leave Halifax this morning and will probably arrive at this port on Friday.

ANOTHER CYCLONE.—Reports from Little Canada, a village of 500 people, seven miles from St. Paul, indicate that a cyclone struck that place with full force a few days ago. Twelve houses were blown down, three people killed and eight or ten injured.

CONCERT.—The programme of the Promenade Concert appears elsewhere, and is unusually attractive. Mr. D. W. Frieze has kindly assisted in preparing several of the numbers. Tickets for sale at Reddin Bros. Drug Store and at the Diamond Bookstore.

EARLY CLOSING.—As will be seen by reference to our advertising columns, the hardware dealers of this city have signed an agreement to close their places of business each evening at six o'clock from this date. This is a move in the right direction. What about the grocers?

COMING.—The "Japanese Village," which has been delighting the people of Halifax for the past three or four weeks, will visit Charlottetown shortly, as will be seen on reference to our advertising columns. This attraction will open in the Hillsborough Rink at a date to be hereafter announced.

MUSIC ON THE SQUARE.—We understand that it is the intention of the Citizens' Band to resume the concerts on Queen Square next week, beginning with Monday evening. It is hoped that the fountain and electric light will be in working order by that time. Of course, it's no use asking about that fence.

CRICKET.—A very interesting game of cricket was played at Victoria Park on Monday afternoon, West of Queen Street vs. East of Queen Street. The East End representatives won by 45 runs, the score standing 87 to 42. For the winning team E. Mellish contributed 22; and for the West End, William Murray ran up 17. A return match will be played on Saturday afternoon next.

TEA AT HOPE RIVER.—The parishioners of St. Ann's, Hope River, will hold a grand tea at that place, on Tuesday next. The managing committee are working hard to make this tea a grand success. The tables will be well stocked with the delicacies of the season, and besides there will be refreshment saloons, dancing booths, revolving swings and lots of other amusements. All who can should attend this tea, as a good time is guaranteed.

NEW STEAMERS.—The Canadian Pacific Railway have decided upon the names for the three steamers which are now being built for their Pacific service. They will be Empress of India, Empress of China, and Empress of Japan. The Empress of India, which will be first completed, is expected to be launched on Barrow-on-Furness about the end of November, and will probably reach the Pacific Coast and begin the service in February or March.

SCOTTISH GATHERING.—We learn that the annual Scottish Gathering of the Clans of P. E. Island will take place under the auspices of the Caledonia Club at the new Driving Park grounds, Charlottetown, about the middle of August next. This time honored national celebration will be made more than usually interesting this year, by the introduction of several new features in the games and competitions. The Association Park, with its magnificent grand stand, from which there is an extensive view of Hillsborough Bay and rivers, will add to the attractions of the day.

CITY SCHOOL BOARD.—A special meeting was held last evening for considering several matters laid over from last meeting. Miss Ella McMurray and Miss Bessie Brown were appointed teachers for the Prince Street School in place of Miss Ellen Lawson and Miss Gertrude Brown, resigned. Mr. John Vance was appointed janitor for West Kent Street School, in place of Mr. Henry Reid, resigned, appointment to date from the 1st August next. The appointment of a Principal for Queen Square School was laid over until next meeting, which will be held on the 4th August next. Steps were taken to re-open negotiations for the purchase of Prince Street School building and grounds.

GLASS BROKEN.—About three o'clock this morning, Officer Carter made the discovery that one of the large plate-glass panes in the show window of the Woolen Company's store, on George Street, was broken. Thinking the burglars were inside, he entered the store and fastened a search, but failed to find anyone. There were marks of bloody fingers about the window blind and on some wrapping paper on the counter. After making the search, the officer went to the residence of Mr. W. D. McKay and informed him of the occurrence. Mr. McKay lost no time in getting to the store, and, together with the officer, made another search, but failed to obtain any further information. So far as can be ascertained, nothing was stolen. It is thought that the glass was broken by some drunken person falling against it, and that the blood marks on the blind and on the paper on the counter just inside the window, were made by him while he was wandering about trying to get out after the
