MADE A SPEECH ON BROADWAY, And said that a nigger was as good as a white man. Pat, threw a rotten egg down his throat, and shouted,—"HURRAH! HURRAH! HURRAH! FOR BROADWAY!"

"All Dankum," or "No Dankum," Bin, ask the Quare for what you want on her own trate; but hould your what about BROADWAY.

The cold, chilly winds of autumn have gradually and perceptibly, as the season advances, brought on the frosts and snows of grim King Winter, and favored Jack and Jill with their festive sports; and while nature is now busy weaving her white mantle to spread it again over the earth, may I take the opportunity of enquiring how you are off gentlemen, for CLOTHING? Please examine your wardrobe, and if there are any garments required, walk into BROADWAY

and get them. We can suit you to Overcoats, Jackets, Undercoats, Pants, and Vests, already made—made by ourselves—in the Latest Styles, Cheap and Durable. You can also order whatever kind of garments you require from our Stock of Cloths and Trimmings, Unsurpassed; which we will make at short notice, in the most fashionable New York Styles, which BROADWAY, and only Broadway, know how to furnish. Gentlemen, you can have all these cheap at the New York Clothing Emporium, on BROADWAY, by D. H. MACKINNON. Dec. 19, 1870

Ayer's Cherry Pectoral.

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has any thing been so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable pectoral against all such ailments. While adapted to the most delicate of young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the root and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in ever family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, the Cherry Pectoral cures them, and restores them to health.

Singers and Public Speakers find great protection from it. Asthma is always relieved and often wholly cured by it. Bronchitis is generally cured by taking the Cherry Pectoral a full and frequent dose. For a Cough and Cold, no better remedy can be had. Take small doses three times a day, and put the feet in warm water at night, until the disease is broken up.

For Influenza, when it affects the throat or lungs, take the same course. For Whooping Cough, give small doses three or four times a day. For Croup, give large and frequent doses until the disease is overcome.

No family should be without the Cherry Pectoral on hand to protect them, in case of attack from the above complaints. Its timely use often spares the patient a great amount of suffering and risk, which he would incur by waiting until he could get other aid. Parents, keep it in your houses for the exigencies that arise. Lives dear to you may be saved by it.

So generally are its virtues known, that we need not publish certificates of their use, or country legal everywhere; discretion, drunkenness, non-support, etc. sufficient cause no publicity. No one will diffuse its obtaining. Advice free of address.

Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
