IMITATION

IS The sincerest Flattery!

When inaugurated the first great Summer Whitewear Sale in Charlottetown five years ago, competitors, who did not then hesitate to express ridicule of our methods, are now down to the necessity of copying them.

Yes! our June Whitewear sales have been popular-immensely so-and notwithstanding the most determined competition, this one will prove the most popular of all. On all sides we hear the same story: "You have by far the most beautiful Whitewear in the city." Add to this the generous discount of twenty per cent which we are giving as a special inducement to cash buyers on all made up Whitewear, and ten per cent

on all piece goods and knitted underwear, and you have sufficient inducement to trade here, where it does not need the spur of competition to enable you to procure goods at fair honest prices. Compare what you pay today for a handsome undershirt or gown with what you paid five years ago, and note the saving.

It has been our constant aim to each year improve on the past in materials, finish, trimmings and price, rejecting everything that was not fully up to the high standard required by us, with the result so noticeable today of undeniable superiority.

Our description and price lists, which have appeared in several issues of each newspaper, will be found posted up in the store, where you can select and ask for any price or article you choose-better still, spend a profitable half hour selecting from among the numerous handsome designs which you cannot fail to admire.

The immense success which is attending our sale is most gratifying to us, proving beyond a doubt, that the public appreciate the fact, that in this, as in all other lines, we invariably treat our customers "white."

Besides the immense display of separate pieces, we have also matched sets in underwear for those who require them. These will be sold at the same moderate prices which obtain in other lines. Also handsome Christening Robes, Baby's Short Dresses, Embroidered Cashmere Dresses, Cloaks and Coats, Embroidered Silk and Muslin Caps, Bibs, and many other little et ceteras for baby's comfort and adornment.

Our beautiful White Blouses are going like the proverbial hot cakes, and in order to fill up the gaps which are being made, we have arranged for a fresh supply, which will be in hand in a few days. In the meantime there is still probably a wider range of choice here than is usually found in most stores, at prices which are notably low.

During this sale we will clear out the balance of our Lace Curtains at One Third Off. There is also special discounts on all Dress Muslins, Linen Suits and Linen Skirts. Do not fail to investigate, as it is almost impossible to mention each line of such an immense stock.

Come today for the best, the daintiest and the cheapest range of White Goods to be found in this Province. We are confident our goods will prove our assertion.

600 BUTTER CROCKS
