-IN MEMORIAM -In loving memory of our dear wife and mother, Mrs. A. E. Woodside, who passed away July 1st, 1952. There's never a day that passes But our memory fondly strays To thoughts of home and Mother And joys of bygone days. We can picture our dear Mother Standing by the open door With a smile of love and welcome But her face we'll see no more. For God in His mercy took her From this world of pain and strife And gave His richest blessing The gift of eternal life. Lovingly Remembered by Husband, Daughters Doris, Mildred, Ellen and Sons Wilfred and Frank. Summerside, P. E. I.

Harbour View Tourist Resort

Seen above is the new nine unit Harbor View Tourist Resort at Summerside East, owned and operated by Mr. E. E. Parkman (Photo by Wotton).

With the official opening of this province is made available largest in this province. The new tourist resort, composed of nine units, when added to the cabins and cottages already in operation, will make the Harbor View facilities one of the best in the province. A pioneer of the tourist trade on Prince Edward Island, Mr. Parkman, the proprietor, has been catering to this type of trade for over 20 years and this

is believed to be longer than that of any other cabin operator in the province. Mr. Parkman, a practicing optometrist, stated yesterday that there has been an amazing expansion of the tourist trade since he first began business with three cabins, back in 1934. Since that time his facilities have expanded to become one of the largest in the province.

S'side Raceway Centre Of Activity

Summerside Raceway was a center of busy activity yesterday as horsemen prepared for the afternoon and evening races of July 1st, when more than 50 horses will participate in 16 dashes for purses of \$3450.00. Raceway manager, Charlie Willis, is seen in the center of a ring of horses as he looked over five of Friday's entries that were being exercised yesterday by their trainers. The five horses and trainers (clockwise) from left foreground are—Meg, with Donnie Ross; Fairway Lady, with Ralph Bagnall; Leo Cavellero, with Frank Callbeck; Tommy Morgan, with George Sobey; and Sir Francis Drake, with Bonnie White. (Photo by Wotton).

Last year construction was started on a building for use as an office and lounge in which guests may congregate for the showing of films and other forms of recreation. Located in a picturesque setting, beside the beautiful, sheltered harbor of Summerside, guests may enjoy the privilege of their modern cabin, walk along the shore front on a 1500 foot board walk, sunbathe on the safe sandy beach or swim in the warm salt water. Located on the premises is a playground for children and a horseshoe court for the older folk.

Now, with the completion of the new tourist resort, there has been added a new motel of nine units, two units are fitted with double bed and single bed, two units have twin beds and five units have double beds. Seven of the units have a lav-

ing room or can be made up into bed rooms or kitchenettes. Floors are marbleized tile and furniture is maple veneer. Seven of the units have unique table with black wrought iron legs and arborite tops with aluminum trim. Each unit has a shower and lavatory. Ceilings are done with white block tile and walls are in sun tan yellow, and the wood finish is painted eye shade green. Baseboards are black asphalt and the heating is convactor type.

Regarding prospects for the year 1955 Mr. Parkman said that inquiries and reservations range from many parts of the United States and Canada, and are greater than those of any previous years. He said that some of his guests have been returning annually for as long as 16 years.

As an encouragement to prospective visitors who might spend their holidays on the island he has prepared an attractive booklet which among other information contains a mileage chart, church services, car ferry time tables and a comprehensive map of Summerside.

During the tourist season he employs a fully experienced and competent staff to look after the care and maintenance of his tourist camp.

**\$100,000 Job Planned At S'side Church**

A decision to expand the seating capacity of Trinity United Church in Summerside at a cost of approximately \$100,000 was reached by a congregational meeting Tuesday night. It is expected that the present building will be extended lengthwise providing additional seating capacity for 300 persons. At present the church will seat around 500.

It is also proposed to have a small chapel on the ground floor, also to build a fire proof boiler room and to extend the Sunday School to a capacity of 450 persons.
