CONVENT BAZAAR to-night.

DRILL.—The Engineers will meet to-night for drill, in uniform.

MAKE A NOTE OF THIS.—There's something for everyone at the Convent Bazaar.

POLICE COURT.—James Hughes, belonging to the rural districts, was fined $1 for drunkenness this forenoon.

SMALL DEBT COURT.—The City Small Debt Court was in session this forenoon, and several cases were disposed of.

NEW BOOKS.—A large supply of new Seaside Libraries opened to-day at the Diamond Bookstore.

APPEAL COURT.—The City Appeal Court met this forenoon. There are about 200 appeals from civic assessment.

TO-NIGHT.—Lots of fun at the Convent Bazaar and Strawberry Festival in Market Hall to-night. Don't fail to attend.

THE NEW PAPACY.—This is the book which was burned by the authorities of the Salvation Army, and it is for sale at the Diamond Bookstore.

PICNICS.—St. Peter's Sunday School Picnic is being held to-day. Teas will be held at Kensington and Cardigan Bridge to-morrow.

SALVAGE CORPS.—The regular monthly meeting of the Royal Salvage Corps will be held in their room this evening at 8 o'clock sharp.—Herbert C. Wilson, Secy.

MARKET HALL.—Call at the Market Hall this evening and see the well stocked fancy, tea and refreshment tables. You will be sure to see just what you have been looking after for a long time.

TOO BAD.—Several beautiful trees in front of the residence of Mr. H. Houle, were hacked and injured or destroyed on the night of Dominion Day. Can nothing be done to restrain the hands of our vandals?

AS AN Emergency Medicine, for sudden colds, Ayer's Cherry Pectoral takes the lead of all remedies, a dose or two generally sufficing to stop ordinary coughs and ease the worst. For the cure of throat and lung disorders this preparation is unequalled.

AN ISLANDER DROWNED.—Captain Mutch, the Shipping Master at this port, received intelligence of the sad death by drowning at Georgetown, Demerara, W. I., of William Matheson, of the sailing vessel Andrea, of St. John. He was the eldest son of the late Capt. H. Matheson. His mother, who resides on Grafton Street in this city, has our sincere sympathy.

NOT SUCH A BAD MAN.—Mr. Charles Watts' agent here received this morning a letter from Rev. George Sexton, M. A., M. D., Ph. D., pastor of the First Presbyterian Church, at Dunkirk, New York, in which he addresses the secularist in the most effectionate language. Too often are prejudices urged against another simply on account of a difference in belief. Such should not be the case.

A SERIOUS MISTAKE.—Returns are coming in from some of the private picnic parties held on Dominion Day. One party of four—two ladies and two gentlemen—who spent the day at New Glasgow, were somewhat dismayed to find on opening their hampers that there was nothing therein excepting some bread and butter made up *a la* New Mexico sandwich. For a time society in their immediate neighborhood was not so congenial as might be desired, and it was not until further supplies had been procured from another party that peace was proclaimed.

CORRECTION.—A rumor having been circulated that a debate will not be allowed after Mr. Charles Watts' lectures to-morrow and Friday evenings, we have been requested to state that Mr. Watts is eager to debate with any representative person, be he a clergyman or layman, but would not consider it fair to the orthodox party to allow any one who wished to foist himself forward as their spokesman to monopolize the time of the debate. A full and free invitation is extended to anyone who may feel disposed to enter into discussion, provided he is sanctioned by the people. 1 in.

A SUCCESSFUL STUDENT.—The Halifax *Recorder*, in an extended report of the closing exercises at Mount St. Vincent Ladies' Academy, mentions Miss M. Reilly with Miss Precourt as the leading vocalists. Of the former we quote:—"Miss M. Reilly, who also gave a solo, 'The Butterfly,' is a splendid vocalist, and her trills and high notes showed evidence of the most careful training." "The plain sewing of Miss Reilly was particularly admired." Some of the gentlemen present spoke of the high educational attainments of the Halifax young ladies. Miss Reilly, however, is a Charlottetonian—a daughter of the late Hon. Edward Reilly—and is only retaining the laurels secured at the Mount last year, when she carried off the silver medal.

DISASTROUS FIRE.—About half-past four o'clock on Sunday afternoon, a fire broke out in the pattern shop of the New Brunswick Railway, at McAdam Junction, which quickly spread to the machine shop, boiler shop, blacksmith shop, tin shop and brass foundry. It was only by the greatest exertions that the paint shop and storehouse were saved, as also the office buildings of Mr. G. A. Haggerty. A valuable engine in the machine shop was destroyed, as well as all the tools of the workmen. Twelve cars of lumber and freight, which were on a siding, were consumed. The loss is about $30,000. The fire was caused by the explosion of an oil lamp in the pattern shop. The property is insured, but to what extent is not known.

SPECIAL DESPATCHES TO THE EXAMINER

British Parliamentary News

LONDON, July 2.

In the House of Commons to-day Sir James Ferguson, Parliamentary Secretary for Foreign Affairs, stated that the new treaty between Japan and Mexico was not yet ratified. The Government, he said, would shortly begin negotiations with Japan with the object of securing for England equal privileges with all other countries. In relation to the treaty agreed upon by the Samoa commission at Berlin, it would not be proper to divulge the provisions until ratified by the United States. The statement that England agreed to retire from her position as one of the three protecting powers of Samoa, and act only as umpire between the United States and Germany, was unfounded.

The Speaker read a message from the Queen, commending to the House the granting of extra provision to Prince Albert Victor of Wales and Princess Victoria of Prussia, on the occasion of their marriage.

Mr. Smith, Government Leader, intimated that he would call up the message for consideration on Thursday, and Labouchere gave notice that he would oppose any votes of money for the Prince and Princess if proposed before the Commission on royal grants was appointed.

Down on the Foreigners.

WASHINGTON, July 2.

According to the latest advices received at the State Department, the Portugese are very determined that no foreigner shall gain a foothold in the colonies of East Africa, now under Portugese control. Not only have the various concessions to foreign capitalists been revoked; but according to the report just received from United States Consul Smith, the home government have established a new customs tariff for the Province of Mosambique which promises not only to restrict the intercourse of foreigners with the inhabitants of the province, but also to react disastrously upon the natives.

Extending the Cable.

OTTAWA, July 2.

The Nova Scotia Telegraph Company, whose lines are leased to the Western Union, are asking the Customs Department to facilitate the entry of ten mile of cable which they are importing to extend their lines from Dover Bay to Canso. The same steamer is also bringing out two new branch cables to be laid from Dover Bay to New York, as a tension of the existing Western Union Transatlantic Cables, which have one of their present terminus at Dover Bay.

The Fast Mail Service.

LONDON, July 2

The agreement with the Andersons for the new mail service to Canada, from London, Cherbourg and Plymouth, is criticized in some quarters where the opinion is strongly held that Liverpool is more convenient than Plymouth as the port of departure. Satisfaction, however, is full, that Ottawa has done something at last to give Canada a really first-class service.

Likely to Get It.

NEW YORK, July 2.

The *Times'* London correspondent says: "I hear that the Marquis of Lorne is quite likely to get the Viceroy Governorship, which, next to that of Canada, is the blue ribbon of colonial posts. The only difficulty in the way is the Princess Louise who does not want to exile herself in the antipodes.

Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. **The best remedy is Ayer's Pills.** Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leithsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.
