Girl Guide News

A Book for Guides and Guides.

I have just read an extremely good book that would help Guide Leaders enormously. It is a Red Cross publication "Home Nursing", cost 25 cents. It gives Health rules, nutrition and even planned well balanced menus. It should be in every Guide Company as it contains all the answers to the First Aid test and the Health sections as set out in the P. O. K. There is also another booklet "Fundamentals of First Aid" that would be a great help to Guides — price 15 cents. I do so hope that you will be interested; the books are obtainable from the Red Cross office or the Field Secretary, 76 School St. You will be so enthusiastic at seeing all the answers so plainly given that instructing your Guides will be comparatively simple.

Basilica Guides

I am gradually hearing from Companies getting started on the Season's work. The 8th Co's, Basilica have lost their Leader, Terry Doucette, who is leaving the island to work in Toronto and Lieut. Mickey Fardy is now in Summerside with her new husband, but fortunately we still have Lieut. Elaine Macdonald left who is to be Leader of the 8th assisted by Ena Marjorie Murphy. Elaine reports that 20 recruits have joined the Company. I hope that all the senior Guides will rally round their new Leaders and give them loyalty and support to help in training the new guides, by doing this, they can be practicing all the Laws of Guiding. We do sincerely regret losing Terry and Mickey; they will be greatly missed at the 8th meetings and also at Guides Club, but our best wishes for their happiness go to them.

2nd Pack, St. Paul's Brownies

Another wedding... but we hope to have the bride come back to us this time. Brown Owl Fleur Hillion is to be married next week, and how the Brownie pack will miss her, but I know they will all wish her loads of happiness and will look forward to her return. Tawny Owl Jean Moore is unable to carry on also so the position looked very glum for awhile, but cheer up Brownies, we found a solution, Mary Whiteside, who has long been interested in little Sprites and Fairies will be Tawny Owl and is to help you to do all that work I know you have planned and I will be popping in on you now and again to be sure that you are all lending a hand and being good Brownies.

8th and 7th Trinity Co's

With Mrs. H. Cudmore as Leader once again the good old 7th, is getting underway this week and will no doubt win more laurels for the Company.

Marshfield Company have great plans for this winter as so many will be working on the First Class work. They have a hard grind ahead but with their determination I have no doubt of the result. Mrs. John Munn and Mrs. Hector Jenkins will again be the Leaders. I cannot think of any more news just now. This was just to let you know about the wonderful book and also that everyone is getting going, and that if you haven't, well, maybe it's time!
