SPECIAL ATTENTION is called to a very important fact that Budd's Cream Emulsion, which is the only Emulsion prepared by Puttner Bros., is the only one prescribed in the Halifax General Hospital, as will be seen from the House Surgeon's Report, in another column, which is a very high recommendation in its favor, in connection with the many other medical testimonials in favor of Budd's. All druggists keep it. Ask for Budd's. m23 YESTERDAY afternoon the Superintendent of the Methodist Sunday School, in his closing address to the scholars, told them that it was their duty to guard carefully the trees recently planted in the squares and streets of our city, and in no case were they to stand idly by and see them destroyed. This is another step in the right direction. If the boys can be led to see that it is their duty to protect the trees, the Arbor Society may rest assured that their work has not been in vain.
