

WATER LEVEL CONFERENCE

Arthur Laing, right, federal minister of northern affairs and natural resources, discusses water diversion problems with D. C. MacCallum, president of the Montreal Port Council. The two men are taking part in the Montreal symposium on water levels in Montreal. (CP Wirephoto)

Ever wonder where men who care about clothes go for their new suits?

TIP TOP TAILORS

LEISHMAN

Now, for the man who's got it made, the ultimate in fine tailoring. The new Leishman is more than a top-quality suit is a major investment. As for pattern and colour, and the actual type of fabric to be used: These are matters for your preference. Leishman's current collection includes the season's most wanted fabrics—hopsacks, venetians, wool and silk, wool and mohair, iridescents. Yes, quality imported fabric joins with fitting experts and hand-tailored craftsmanship to make Leishman... the ULTIMATE EXPRESSION OF TAILORED ELEGANCE.
