IN MEMORIAM

KENNETH TRENHOLM

The death of Kenneth Trenholm, little son of Mr. and Mrs. Palmer Trenholm of Borden took place at the Prince County Hospital on Tuesday, October 3rd at the age of one year.

When only eight months old, little Kenneth was taken ill and entered the Children's Hospital at Halifax for treatment. After a few months he returned home, but medical skill and loving care were of no avail, and Jesus who said, "suffer little children to come unto Me, and forbid them not," took the little one from this home to His heavenly home to be with the happy bands of children singing round His throne.

The funeral was held on Wednesday afternoon from the Bowness Funeral Parlor, where service was conducted by Rev. D. M. Fraser of Bedouque, assisted by Rev. Kenneth Sullivan of Summerside. The hymns sung were "Safe In The Arms of Jesus" and "Jesus Loves Me." Burial was in the Cape Traverse cemetery.

Besides the sorrowing parents there are left to mourn the following sisters and brothers: Ada, Mrs. Frank Reid, Dartmouth, N.S.; Eva, Mrs. Ben Gallant, Summerside; Jean, Summerside; and Orland, Powell, Caranome, Lucy, Daisy, Phyllis, Lloyd, Borden, Everett and Mary at home.—A.

If each person in our community who does not drink put \$200. into the building of up-to-date class rooms for our boys and girls, who know how many we could keep from joining the ranks of the \$200. liquor spenders". The address was listened to with great interest and was well received.

T. and Trail Rangers led the singing. Two readings were given, one by Ruby E. Reeves, another by Myrna Hefel. In his address Mr. Cairns thanked the parents for bringing the children to Sunday School and the teachers for their efficient and unflinching service. Following this he stated his desires for the future — "I would like," he said, "to see this church building remodelled and rooms provided especially for classes to meet in on Sundays and throughout the week. This will take money and some will say 'What was good enough for our fathers and grandfathers is good enough for us.' He pointed out that farmers put in a variety of crops. They have improved their methods, they no longer use old-fashioned machinery but instead have everything up to date. The church has here a bigger crop, namely boys and girls.
