THE JAMAICA EXHIBITION.

What We Have to Send to It.

Pointers to the West Indian Trade.

ADAM BROWN, M. P., Honorary Commissioner to the Jamaica Exhibition, addressed a meeting of merchants and others at the Board of Trade rooms last evening.

Mr. ADAM BROWN, M. P., thanked those who had been instrumental in convening the meeting, and said he had heard Prince Edward Island spoken of as "Canada's Isle of Wight."

government of Canada would send exhibits free of charge and also bring them back again free of charge,—if they were not disposed of.

F. T. NEWBURY, Esq., said that it was important that our people should learn how goods for the West Indies can best be put to suit those markets.

Hon. D. DAVIES thought it would be very desirable to send a good representation of our products to the West India Exhibition.

Mr. DAVIES thought that the West India trade in oats and horses might be participated in by Canadian exporters to a greater extent than it is.

A. MCNEILL, Esq., said that not much difficulty had been found in inducing the people of this Province to send forward exhibits to Paris and London.
