MOORE & McLEOD. A PUZZLE

it is, oftentimes, to know where to buy your BOOTS and SHOES to the best advantage. We think we have solved this problem to the satisfaction of the people. We do not give occasional reductions as an inducement to win patronage, and thus sell goods cheaper to one than another. We believe in treating all alike. We offer you BOOTS, SHOES, RUBBERS, etc., at prices that cannot be beaten. PRICES, QUALITY, STYLES—right.

R. K. JOST, Charlotteville, Oct. 24, 1895—d&w 136 Queen Street, Two Doors Below Prowse Bros.

Very Necessary To know exactly where you can be best suited in Fall Wear.

We are very strongly of the opinion (notwithstanding strong assertions to the contrary by some) that the Star Tailor still holds, as formerly, the palm for first-class clothing. We are not anxious to have you run away with the idea that no one else can do anything decent for you. Certainly not. But when you can get the best for the same money you may have to pay for an inferior article, certainly get the best. Step in and get our prices. We are better prepared than ever to minister to your every want for less money than ever.

JOHN T. MCKENZIE, STAR MERCHANT TAILOR

Your Skirts Must Flare

again this season, and there is only one interlining which can give that crisp, durable stiffness which fashion requires in them as well as in the sleeves. Use the Light weight of FIBRE CHAMOIS Cut across the goods for both, and you will be sure of the style being right and the effect picturesque. It comes in 3 weights and 4 fast colors with the NAME FIBRE CHAMOIS and NUMBER ON EVERY YARD, to protect you from the many trashy paper imitations. Patented July, 1890, March, 1895.

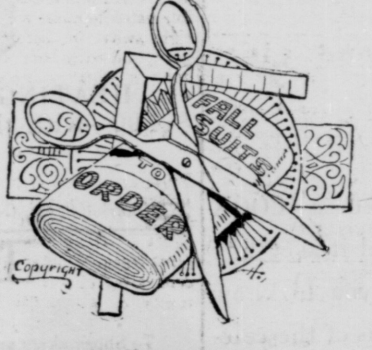

This Week

We will give special low prices on Men's Clothing. See our Overcoats for \$5.00. Admitted by all who have seen and bought them to be the best ever sold here for that price. Our Frieze Ulster for \$5.00 beats the record and should not be missed. We have the testimony of many that our Boys' Overcoats, commencing at \$2.50, are genuine value—not shoddy, as generally sold in low price goods. Our Scotch finish Underclothing at \$1.00 a suit are very fine. Don't fail to see them.

is an art not easily acquired. It is an essential element in high-class tailoring, and our cutting exemplifies the latest and most approved methods. We don't waste our art on inferior suitings, either. Our stock of Woolens is what it should be, and comprises a selection of the best and most popular fabrics offered by American and foreign manufacturers for this season's trade. There is a time for everything, and it's now the best of time to order, while we're giving special low prices on those beautiful Beaver Overcoats. See them.

"WHERE'S BRICE'S

Famous Tailoring Establishment?

I want to get some Clothing made there."

This is a remark made by many strangers coming to our town. Our reputation for making HIGH-GRADE CLOTHING is well known all over Canada and the United States, and no place knows better than P. E. Island, where we are doing business for over 16 years. Steadily increasing, this has been the busiest of any previous years. No one will doubt, but we have the best Cutters—even our competitors can't with a clear conscience.

President Schurman of Cornell has accepted a place on the American branch of the Committee of French and American University men now engaged in considering proposed changes in the regulations of French Universities, which are to make it more convenient for American students abroad to take work in France. An amusing system of repeated examinations together with a refusal to accept a diploma granted by an American University has heretofore sent to Germany almost all Americans seeking doctor's degrees abroad. The great Pasteur was appointed a member of the French branch of this committee shortly before his death.

Sensible ladies ask for cravenette. It makes up as a beautiful costume, or cloak or wrap, while at the same time it has the unique merit of being absolutely rain and dust proof. But, unlike the run of so-called waterproof goods, it is absolutely and thoroughly porous. It is the dress for the street, for the country, for any and every occasion. Chiefly, it makes up in stylish form, and its being waterproof is a fact which the surface does not disclose. Cravenette comes in Navy, Myrtle, Brown, Grey, Castor and Black. A stylish dress, comfortable cloak, or wrap, for Cravenette; but for the walking dress it is the best ideal. 3 6

Several youthful denizens of the west end are suspected. ROYAL ARCH DUES.—The Royal Arch degree will be conferred to-morrow night in St. George's Lodge. Visitors welcome. The business man need have no cares, As to the disposition of his wares, Nor wait for trade with wistful eyes, If he will but advertise. THE COBAN.—By reference to the ad. verment in another column it will be seen that the steamer Coban will be due at Charlottetown on Monday morning, Nov. 4th, and will sail for St. John's, N.B., direct. FOR BOSTON.—The Halifax left for Boston about six o'clock last evening, taking the following passengers: G. Deagle, Miss Deagle, Mrs. Hooper, Alex. B. Buchanan, Mrs. Buchanan, Mrs. Moss, Miss M. Steele. A GOOD MEMBER.—The Collegium for October has been issued. The number is very creditable to editor Ready and his associates. The contents include an excellent article on "Classics in Education" by Professor Caven. FIRE AT BELFAST.—The barn of Martin Martin, at Belfast, was struck by lightning during the recent storm, and within a very short time it was reduced to ashes. Most of the contents were also destroyed. The loss is a very heavy one. FROM MONTREAL.—The steamer Campana arrived here from Montreal yesterday with a large cargo of flour and other goods. Her outgoing cargo consisted largely of oysters for Montreal and Quebec. At Summerside it is expected she will take in a large quantity of cheese. HARE AND HORNS.—Boys intending to enter in the hare and hounds race, or paper chase, which will take place on Thursday morning, are requested to meet in the Y. M. C. A. this evening at 8 o'clock, or be present there at 9.15 a. m. on Thursday. Lots of fun. SOMETHING NEW.—The Wesley Mission Band of the First Methodist Church promise something new and interesting in the way of socials and entertainments in Charlottetown for Thursday evening, the 14th Nov. A most enjoyable evening will be expected. Watch for full particulars to appear later. A FOX SHOT.—Mr. Frederick Newson shot a fox on his father's farm at Rocky Point early this morning. It seems that the three lads were in the habit of amusing themselves by throwing stones among the trees and breaking the branches, as well as by firing an air gun at the school windows and insulting the teachers. The Magistrate informed the boys that the next time they were found at these tricks the punishment would be more severe. LOADING WITH PRODUCE.—The schr.
