Local and Other Items.

TO-NIGHT.—The Citizens' Band will play in Queen Square Gardens from 7.30 till 9 o'clock.

I. O. O. F.—The Grand Lodge Committee meets at 7.30, this evening, to complete arrangements.

DAMAGED BY STORM.—Crops in the vicinity of Richmond, Que., have been greatly damaged by a terrific storm of hail.

HARD AT IT.—It is said that about two thousand three hundred and fifty men are at work on the Cape Breton Railway.

GRAYNESS, baldness, dandruff and all diseases of the scalp, and falling of the hair can be cured by using Hall's Vegetable Sicilian Hair Renewer.

FINE WORK.—We were shown to-day a life size picture of Mr. J. H. Burns, executed by G. H. Cook & Co. It is in the crayon style, and is beautifully executed.

EXCURSION.—The Artillery Band have a choice programme selected for the excursion on Wednesday evening next. All who would like to have a pleasant sail should not fail to attend.

A FINE FARM.—Attention is directed to the advertisement of Artemas Hooper, Esq., in another column. His farm is a fine one, in one of the finest settlements in the Province.

THE COMING EVENT.—Everyone should make it a point to keep next Tuesday evening clear for the grand concert in the Hillsboro Rink. It is to be a farewell benefit to Mr. J. H. Logan previous to his departure for Germany for further musical studies.

NEW BAND.—The Citizens' Band performed last evening, in front of Mr. C. P. Fletcher's music store, and aftewards marched to their room in the Market Building. The new instruments were much admired and the music fully appreciated.

ANOTHER DIVIDEND.—Moncton sugar refinery stockholders have received notice of a dividend of 10 per cent. for the half year, payable this month. The refinery is not working just now, awaiting the arrival of a cargo of raw sugar per bark Victoria, from Havana, now due at St. John.

THE M. A. STARR.—The M. A Starr left here for Pugwash and other ports at eleven o'clock, last night. She had a cargo of general merchandise and several passengers. She is expected on return next Thursday, and will leave this port for Montague and Georgetown on Thursday night.

MAN MISSING.—We regret to learn that Francis McAleer, of this city, has been missing for several days. His family are naturally very much concerned about him and any information as to his whereabouts will be gratefully received by them. He was a quiet and sober young man, a laborer, about twenty-two years of age, and his sudden disappearance is mysterious.

EASTERN ASSURANCE COMPANY.—We would call attention to the ad. of the Eastern Assurance Co., of Canada, which is now ready to tranact a fire business. The Eastern is a joint stock company, all of which stock is held in the Maritime Provinces, $50,000 being held in this Island. It may, therefore, be considered a home institution: being a strong company, as well, it should receive the patronage of the insuring public.

A LIVELY CARCASE OF LAMB.—On Saturday evening last, the iron frame of the awning in front of Messrs. Vanwart's store, Charlotte Street, was twisted in such a position that it touched an electric light wire. Some lambs that were hung in front of the shop were also in contact with the awning and became charged with electricity, the night being very damp. When one of the clerks attempted to remove a carcase he was knocked down by the severity of the shock which he received.—*St. John Sun.*

DIED AWAY FROM HOME.—The many friends of Mr. P. S. McNutt, of this city, will deeply sympathize with him in the loss he has sustained by the death of his wife at Brooklyn, New York, on Friday last. Mrs. McNutt left here about three months ago to visit some friends in New York, and while there she was taken ill, but until last Tuesday, when Mr. McNutt was telegraphed for, no serious results were anticipated. Mrs. McNutt was much beloved by her many friends on occount of her kindly and cheerful disposition.—*St. John Sun.*

Murder will Out.

MOUNT STERLING, Ky., Aug. 5.

One of the two men arrested for the murder of John Rose here last July, has confessed. They killed Rose, and were paid $500 each for committing the deed by one Coombs, a relative of Dr. Hall who was killed by Rose in an encounter with him a year ago. Great excitement was caused by the confession. The parties interested are influential and wealthy; and it is feared the affair may lead to another of those desperate and bloody fractional wars that have disgraced the name of Kentucky. Hall was Rose's son-in-law, and the abuse of his wife led to his shooting by Rose.
