The strong point of the Mayor of Montreal is not orthodoxy. He was reading out to his fellow citizens the Council's letter of the Duke of Connaught's secretary accompanying a flag to be competed for by the local cadet corps. "The letter is very strong," said the Mayor; "it says the flag is to be held by the best drilled corps." If the letter said that it certainly was rather strong.

MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat. In fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. In big bottles 50c, and \$1 at Charlottetown drug stores.

The Boston Traveller is compelled by the exigencies of the Behring Sea discussion to allude to Lord Salisbury as a demagogue. A member of Parliament, who writes to the St. James Gazette expressing the hope that England will not insist upon her claims in Behring Sea because they involve the annihilation of an industry valuable to the human race is pronounced a statesman and a philanthropist. In Boston, a demagogue appears to be a man with a backbon.

WITH GLOVES ON. The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used PHOSPHOLEINE (Pronounced POS-FO-LEEN), when they became smooth and soft. SCROFULA AND SALT RHEUM.

Dear Mr. Eagar, I have much pleasure in giving you a record of the effects produced by the use of your PHOSPHOLEINE. The following cases came under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparilla in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c., E. C. NEWBERRY. For Sale by all dealers at 50c per bottle of 60 doses. For sale by Geo. E. Hughes and Reddin Bros., Charlottetown.
