DELIVERY ...or DEAD LETTER OFFICE?

Be sure ADDRESS IS CLEAR CORRECT and COMPLETE!

Send a POSTAL MONEY ORDER instead of cash!

Envelopes can accidentally be broken, torn in handling and money lost. Whenever you send money through the mails, it's safer to use postal money orders. You can get them at your Post Office.

CORRECT POSTAGE saves embarrassment!

Be sure to use the correct amount of postage. If you are in doubt, always have your letter or parcel weighed because the recipient must pay double the deficient postage. This is especially important on overseas air mail.

Wrap PARCELS carefully!

Avoid possible damage to parcel contents by using strong containers. Protect documents, pictures, etc. with stiffening boards. Tie securely with strong twine or cord.

YOUR Post Office is your friendly servant.

Ask for help with your postal problems at any time... ask about the various services available, such as Air Mail, Canada Air Letters, special delivery, registration, Rural Directories, insurance of parcel post, C.O.D., gift parcels for overseas, international and Imperial reply coupons, and the Post Office Savings Bank.
