

THE DAILY EXAMINER. JUNE 30, 1884.

Hospitals.

A WRITER in a recent number of McMillan's Magazine deprecates the fact that the working classes do not take more interest in supporting hospitals...

Thanks to a few of the humane and the charitable of Prince Edward Island, two hospitals have been organized on a sound basis here. The want was long felt. Had they been started earlier in the history of the Island, much individual suffering would have been alleviated...

—So the Royal Canadian Insurance Company have not withdrawn from P. E. Island (see Mr. Arnaud's letter) and the information about Insurance Companies, given by the journal called "Insurance Society" is as unreliable as its statement about "the moral hazard being bad" in Charlottetown is false and libellous.

The Camp at Hunter River.

At 8.30 o'clock to-morrow morning the members of the Active Militia will assemble at the Drill Shed, in this city, and headed by the Band of the 82nd Battalion, march to the Railway Station and embark for the Camp at Hunter River at 9.12, city time. The Companies which will go are: The Charlottetown Engineers, under Major G. L. Doherty and Lieutenant Ewen McDougall, No. 3 Company 82nd Battalion, together with a detachment from No. 2 Company, Southport, under command of Capt. D. Stewart. They will be accompanied by the Band of the 82nd Battalion, and a File and Drum Corps in charge of Drum Major Allan. They will be joined at the Cemetery Station by No. 1 Company, in command of Capt. Henderson, and at Royalty Junction by No. 4 Company Little York, in command of Major Mabon. Deputy Adjutant General Taylor, who will arrive from Pictou this evening, will accompany the men.

This morning Brigade Major Freeland, Major Cropley, District Paymaster Palmer, and Quartermaster Campbell left for Hunter River with two car-loads of tents, baggage, etc., and to make arrangements for the camps.

The camp will be situated close to Hunter River Station, and we hear excursion trains will be run to Hunter River during the week.

Lieut. McDougall, of the Engineers, who has been studying at the Military College, Kingston, arrived home on Saturday night to take part in the exercises.

The staff of the 82nd Battalion, which will attend the camp is as follows:— Lieut.-Col.—H. Beer. Major—F. Doherty. Surgeon—J. Warburton. Adjutant—Major Purdy. Paymaster—Capt. John McPhail. Serjeant-Major—F. Campbell.

The Bishop of Kingston, Ont., has returned from Rome, for which place he started on Oct. 8. Rev. Fathers Gauthier and Twohey proceeded to Quebec and greeted His Lordship on landing from the Parisian, and Mgr. Farrelly and Fathers McCarthy, Murray, Shanteen, McDonough, and Hogan went to meet him at Montreal. The Catholic people prepared a remarkable reception. There was a great display of hunting, and when the Bishop arrived in a special Pullman car, which ran over a number of fog signals on route to the city from the lower depot, he was greeted with music from the band of B. Battery and the applause of a vast multitude. A procession was formed and proceeded to the Cathedral, where a considerable body of clergy were in attendance.

THE PUBLIC SCHOOLS.

Midsummer Examination—List of Prizes.

SPRING PARK SCHOOL.

There is but one teacher for this school, though there are scholars enough for two. About seventy scholars were present at the examination this forenoon; and at some of the forms there were three and even four little ones where only two ought to be. The crowded state of the school—especially when there are so many other schools near by—may fairly be accepted as an indication that the teacher, Miss Maria Lawson, is highly esteemed. The examination to-day was, we believe, very satisfactory to the visitors, among whom were Messrs. J. B. Gay, Donald McKenzie, J. D. Seaman, Mrs. Green. Mrs. F. W. Hughes, Miss Snaddon, Miss Barr, Miss Fennisey, Miss Harris, Miss Eliza Lawson, and Miss Ellen Lawson.

The prizes given in the School were furnished by the kindness of Messrs. Simmons and J. B. Gay, Esq., of Spring Park, Donald McKenzie of the city, Miss Barr and Miss Snaddon, Miss Harris, and the teacher. The winners of these prizes were:

FOURTH CLASS.

General Proficiency—John Fields. 1st, Reading—Annie Green. 2nd, Reading—1st among Boys—John Fields. Writing and History—Harry Cahill. 2nd, Reading and Arithmetic—Alexander McKenzie. Geography—Charles Saunders. 1st, Spelling, and 2nd, Arithmetic and Reading—Minnie Green.

THIRD CLASS.

Reading and Geography—George Fields. Spelling and Composition—George Simmons. Writing—Angus Dunbar.

SECOND CLASS.

Reading—Artemas Pine. Spelling—Artemas Pine. Arithmetic—John Saunders.

FIRST CLASS.

Writing—Wm. Gregory. Reading and Arithmetic—George Ferguson. Spelling—Aetha Cahill. The prize for good conduct and diligence was taken by Benjamin Simmons. Miss Snaddon's prize for attendance was gained by Harry Cahill, jr.

In our report of last Friday's proceedings at the Queen Square School, we inadvertently omitted to mention that the successful competitor for the Governor General's Medal, was Benjamin McMillan, who obtained an average of 88 marks out of a possible 100 from the monthly examinations held during the term. Thomas Doyle and Edward Trainor came next, each with an average of 83. The pupils who gave such a sweet rendering of the song "Echo," were ten boys selected from two departments. Honorable mention for Punctuality should also be made of Francis McMurrough who lost only four minutes during the past six months. We learn that this school has had an exceptionally good attendance during the term, having one month reached the unprecedented average of 91; while the Principal's class another month obtained the unique average of 100 for attendance. The importance attached by the teachers to this particular part of their duty and the prominence given to the pupils securing such prizes must tend very considerably to secure such satisfactory results, while the beautiful books we saw given away on Friday for punctual and regular attendance should, we think be sufficient to awaken a fervor in even the most slothful.

N. B. & P. E. I. Methodist Conference.

(Special Correspondence of the Examiner.)

JUNE 27—MORNING SESSION.

AFTERNOON SESSION.

Prayer by Rev. J. M. Tredrea. Journal read and approved. On motion it was ordered that the Secretary should have liberty to get the minutes printed wherever the work could be done most cheaply, 1,500 copies were to be published. Dr. Inch was heard relative to the work of our Educational Institutions. He gave a long, comprehensive and very cheering address. Reference was made to the educational work of the Methodist Church of the States and of Canada. He spoke of the keen competition to which Mount Allison Institutions were subjected. But he assured the Conference that worst time was behind us. He was followed by Professor Burwash who spoke on behalf of the Ladies Academy. He called attention to its many advantages.

Dr. Pickard followed stating that the Institutions were never more prosperous, financially.

On motion of Rev. H. R. Baker a resolution expressing sympathy with Dr. Inch and his fellow laborers and unabated confidence in them was unanimously passed.

Conference appointed Revs. H. Daniel and J. A. Narraway, A. M., and the President to represent it at the opening of the College Building in September.

The Missionary Committee reported that W. E. Dawson, Esq., had been appointed representative to the Central Board.

J. E. Irvine, Esq., read the report of Educational Deputations. It was decided on motion of W. E. Dawson, to hold the Conference next year

in Charlottetown, to commence the 3rd Wednesday in June.

The Secretary read the order of business for next year. It was adopted. On motion of Rev. G. W. Fisher, each District meeting was ordered to appoint two members—one ministerial and the other lay, to the nominating committee.

Conference then proceeded to elect District Superintendents, with the following result:—

EVENING SESSION.

Prayer by Rev. E. Evans. Journal read and approved. Conference Special Committee was appointed on nomination of President.

C. D. Whiteside, moved a resolution in favor of forming Juvenile Mission Societies.—Passed.

Rev. D. D. Currie brought in report of Children's Fund Committee. Provision was to be made for 195 children. Several lay men and ministers made remarks. After slight alterations report was accepted. A great deal of time was taken up with routine business. J. Fawcett, Esq., moved a vote of thanks to the reception committee and the friends of St. John, for their kind entertainment. It was spoken to by many of the delegates and heartily passed.

During the absence of the President Dr. Pickard occupied the chair. A short time was spent in devotional exercises. "Oh! for a Thousand Tongues to Sing," was sung; then Mr. Jno. Henry led in prayer.

"Blest be the Tie that Binds," was then sung. Afterwards, Mr. J. E. Irvine led in prayer.

About 10 o'clock the Secretary commenced reading of minutes. Conference had dwindled down to between 30 and 40. Then, while the members were standing the minutes were signed. The benediction was pronounced by the President and the first Conference of the Methodist Church was ended about 11 o'clock.

The following changes were made in the stations of ministers:— Carleton—J. W. Wadman. Summerside—J. S. Allen. West Cape—D. H. Lodge. Milltown—L. S. E. Johnson. Alma—T. L. Williams. Tabusintac—J. F. Estey. Richibucto—J. W. Taite.

THREE MEN DROWNED.—A Hillsboro, N. B. despatch of the 27th says: At noon to-day, as the mate and three of the crew of the schooner Fanny Flint, of Lubec, Me., were running a line to Plaster Wharf, the boat upset, and the mate, John Corbett, and two Norwegians were drowned. The fourth man, Edward Steeves, swam ashore. The mate's body has not yet been recovered. Steeves is the lad that two years ago sprang overboard and saved the life of a child at great risk of his own.
