DOWN THE BACK STRETCH

A prominent horseman passed away recently at Halifax in the person of J. B. Mitchell, who during the years 1912 to 1916 cut a big figure in Maritime harness sport.

Another horse that Mitchell owned was Dingola 205 1-4, brought here by Fred Cameron from the Hopper Stock Farm, Indianapolis, and sold by him to Mitchell.

In recent years Mr. Mitchell's horse fancies have turned to the saddlers and he was a big factor in the Halifax Riding and Driving Club.

Harness races at Middleton, N.S. on Monday attracted a good attendance of racing enthusiasts.

C. L. Dauphinee, whose business is transportation in Halifax, owned winners Harvey Aubrey and August Queen and was also the recent purchaser of Quaker Girl.

Old Moose Patch track, Saint John, was the scene of a revival of harness racing Victoria Day when more than a thousand fans showed their appreciation of strenuous racing by remaining until well after six o'clock when the last heat was finished.

Fred King, piloting Morning Express, had a narrow escape in the first heat of the free-for-all when a nut in the bolt of his sulky wheel became loose and the wheel fell off.

The mixed class was won by Miss Mutch 2:10, owned by W. J. Alexander, after Bonnie May had won the first heat, best time 2:28.

My friend Dr. J. M. Nicholson dropped in to see me yesterday morning and gave me a summary of a nine heat race won by Tom Holmes, October 9th to 11th, 1894, or 42 years ago.

Aussie - U.S. Tennis Series Opens Today

(A. P. by Guardian's Special Wire) PHILADELPHIA, May 29—A wafer-like edge that may develop into a decided advantage fell to Australia today as battle lines were drawn for the Davis Cup tennis series between Australia and the United States.

The luck of the draw in the five-match series which will earn the triumphant team a berth in the inter-zone final at Wimbledon in July against the winner of the European zone, will oppose the Anzac champion, Adrian Quist, against the United States title-holder, Wilmer Allison, in the opening encounter on the Germantown Cricket Club's centre court tomorrow at 2:30 p. m. A. S. T.

Red-headed Donald Budge of Oakland, Calif., will oppose the veteran Australian team captain, Jack Crawford, in the other singles contest. The players will swap opponents for the concluding singles on Monday with Allison meeting Crawford and Budge taking the court against Quist.

Although neither team was required to do so until tomorrow afternoon, non-playing Captain Walter Pate of the American team agreed to Crawford's suggestion and the pairings for Sunday were drawn. Budge and Gene Mako of Los Angeles were pitted against Crawford and Quist.

Before the draw, the series was regarded as 50-50 proposition, but the Allison-Quist development made Australia generally a 5 to 4 favorite. On form shown to date the 31-year-old Allison is the weaker of the United States singles players while Quist, on the other hand, seems to be holding the peak which carried him through a series of sensational triumphs over Crawford at home.

Both are the dynamic, gambling type of player, confident and in fine health. Quist appears ready and fully equipped for a major joust. Allison is a slow starter and seldom arrives at form until mid-summer. Budge's youth and superior stamina are figured here to carry him to victory over Crawford. The stocky Australian captain has been impressive in practice but he appears to be short of endurance.

(C.P. By Guardian's Special Wire) SAINT JOHN, N. B., May 29—Strop possibilities that the Maritime Olympic track and field trials will be held in Saint John on July 4 were seen tonight after a meeting of Saint John sportsmen with D. W. Fraser, vice president, and Sheriff C. D. Shipley, secretary-registrar, of the Maritime Provinces branch of the Amateur Athletic Union of Canada. Both came from Amherst, N. S.

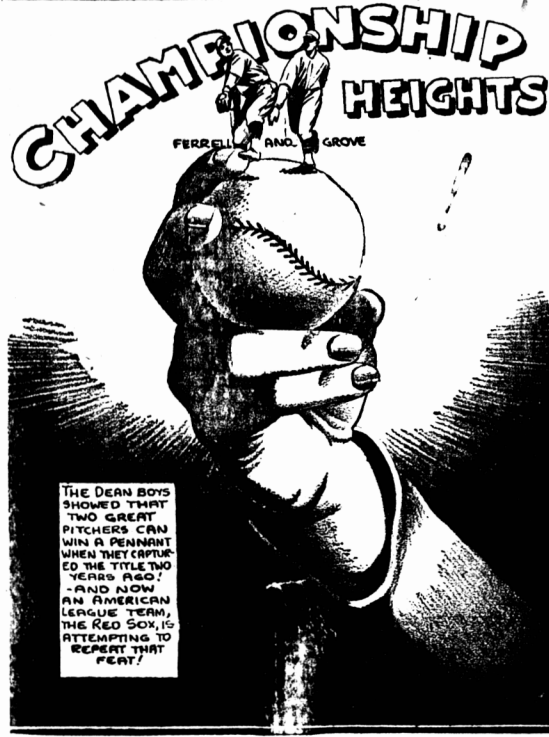

A definite decision will be made later. The question of holding the Maritime Olympic boxing trials here July 3 and 4 was left in abeyance pending further consideration.

Chuck Klein picked up at Baker Bowl in Philadelphia where he left off three years ago when he was traded, and drove in five runs as the Phillies trampled Brooklyn Dodgers 10-2. He found the range of the right field wall in the first inning to hit his first home run since his return from the Chicago Cubs, and added a double and a single before the game ended, sending Brooklyn back to the National League cellar.

Indian Euel Moore, meantime, held the Dodgers to six hits. Pittsburgh Pirates walked the plank today they had struck for St. Louis Cardinals up to the fifth inning. St. Louis won 9-7. In the fifth Jim Collins, veteran first baseman who has been bench-warming while rookie John Mize covered his station, smacked the ball out of the park for a home run. It was the first hit the Cards had made off Mace Brown but before they got through with Brown and Cy Blanton that inning six runs crossed the plate. Guy Bush stopped the mutiny.

Giants Pace Cardinals By Trouncing Boston Bees 15-0; Rookie Hurls Tigers To Win

NEW YORK, May 29—Lefty Al Smith, the Giants' second best pitcher, retired 23 men in order through seven and two-thirds innings here today, and then allowed a pair of singles to ruin his no-hit game as the New Yorkers battered Boston Bees 15-0. A Texas leaguer by Hal Lee with two out in the eighth, and a hot grounder through the infield by Bill Lewis in the ninth were the only Bees hits as Smith chalked up his fifth win.

Smith did not walk a batter. He had one strikeout. Giants left their home grounds after today's game with a record of 13 wins in 17 home games. The Giants scored all their runs in three innings. Twenty-one men went to bat in the first two frames to pile up 11 runs, and four hits in the fifth, including Gus Mancuso's home run, brought four more tallies.

Cubs mixed eight passes and seven hits off Gene Schott at Chicago for an 8-1 win over Cincinnati Reds, making Curt Davis' home debut a successful one. Davis, recently acquired from the Phillies, allowed seven hits but tightened in the pinches, particularly in the seventh when Sam Byrd doubled and Bill Myers singled with one out. Davis followed it up by setting down the next two men.

Franklin Picked up at Baker Bowl in Philadelphia where he left off three years ago when he was traded, and drove in five runs as the Phillies trampled Brooklyn Dodgers 10-2. Perry Reaches Semi-finals In Tourney

(A. P. by Guardian's Special Wire) PARIS, May 29—Fred Perry and Christian Boususs moved into the semi-finals of the French hard court tennis championship today, but it was 20-year-old Boris Maneff, Bulgar-Swiss, who caught the crowd's eye.

A virtual unknown in international tennis before entering this tournament, Maneff gave Perry many anxious moments before the defending champion could gain his place in the last four. Uncorking a series of hard forehand drives and a fast-breaking service, Maneff gave the British Davis Cup a good battle before Perry could win at 9-7, 6-3, 4-6, 6-3.

Andre Merlin, seeking to gain a place on the French Davis Cup team, carried his compatriot, Boususs, to five sets before bowing, 1-6, 6-3, 7-5, 1-6 6-1. Every game except two went to deuce and Merlin's showing was so good that officials of the British tennis federation indicated he would be given a chance in later cup play.

Boususs and Perry will meet in the semi-finals. The other semi-finalists will be determined tomorrow after Gottfried Von Cramm of Germany has played Bernard Destremau of France, and "Bunny" Austin of England has encountered Marcel Bernard of France.

(A. P. by Guardian's Special Wire) INDIANAPOLIS, May 29—The nervous men who make their living in the death-challenging game of automobile racing are ready again for the annual 500-mile classic to be run here tomorrow before an expected crowd of 150,000.

Promptly at 10 a. m. C. S. T. (12 noon A. S. T.), 33 of them, each with a mechanic riding beside him, will start on their hazardous way, with 800 sharp turns to make before the finish.

Death has ridden the speedway annually for years, usually striking in those four turns of the 2 1/2 mile course as the drivers barrel into them at better than 100 miles per hour. Its presence, however, never has daunted the helmeted and goggles men of the road.

Many of the drivers believe that with fair, cool weather which is forecast, the record of 106,240 miles per hour set by Kelly Pettilo last year will be bettered. Tomorrow's field is the fastest in history.

Scottish And Australian Champions To Battle For British Amateur Golf Title

(C. P. Cable By Guardian's Special Wire) ST. ANDREWS, Scotland, May 29—Hector Thomson, the Scottish champion from Machrihanish, and Jimmy Ferrier, Australian titleholder, will go out among the yawning traps and awesome bunkers of the Royal and Ancient Links tomorrow to duel for one of golf's most coveted prizes, the British amateur championship.

These two national titleholders earned the right to meet in the 36-hole final by progressing victoriously through two 18 hole rounds today against opponents tested by a week of stiff competition. The golf they shot pointed to a grueling struggle in the final before the successor of California's Lawson Little is decided. Little turned professional a few weeks ago.

Thomson, on his record through the tourney, is a superior golfer and is favored to win. Also, he will have a great herd of his "ain folk" cheering him on. The Scot advanced today by defeating Gordon Peters 2 and 1 in the quarter final and Cecil Ewing, an Irish star, 4 and 3 this afternoon. The broad-shouldered Ferrier, who plays a bold courageous game, beat Morton Dykes 3 and 2 in the morning and G. Alec Hill one up in the semi-finals. Hill had beaten old Cyril Tolley, the 1920 and 1929 champion, at the 18th hole in the morning.

When the first shot was fired from the first tee this morning it appeared it would be a sorry day for Thomson. He scrambled like the dullest dub to take a six. On the second his drive trickled an ignominious 50 yards. Heavy were the many Scottish hearts in the silent gallery for although Peters, too, is a Scotsman, the steadygoing Hector seemed the better native bet for the title.

Two down, Thomson proved his nerve by collecting himself, and shooting the next seven holes in 29. By the 12th hole he had squared the match. Ferrier was putting like a machine in the morning and made the turn three up on Dykes. He ended the match on the 16th with a brilliant recovery from back of the green for a half in 48.

While Hill was outstayinging Tolley for his unexpected win, Ewing was taking his quarter final against D. H. R. Martin by 2 and 1 before the finish.

Lewis Halts Godwin In First Round

(By Eddie Brietz, Associated Press Sports Writer) (A. P. By Guardian's Special Wire) NEW YORK, May 29—John Henry Lewis, negro light-heavyweight champion, made short work of Bob Godwin of Daytona Beach, Fla., tonight stopping the southerner in the first round of their 10 round bout in Madison Square Garden. Lewis weighed 178 3-4 and Godwin 177 1-2.

It was an over-the-weight affair and Lewis' title was not at stake. The negro charged out with the opening gong, belted Godwin a pile-driving right to the jaw and floored him for a count of nine. Bewildered, the pride of the southland staggered to his feet to be greeted with a barrage of rights and lefts to the head and body that sent him reeling. Referee Johnny Marlo stepped in and ended the affair to save Godwin, bleeding profusely from a cut over the mouth, from further punishment.

Cutting loose with a vicious body attack in the latter rounds, Balthazar Sangchill, newly crowned bantamweight champion of Europe, bowed his way into the Garden with a clean cut triumph over Lew Farber of New York in the 10 round semi-final. Weights were: Sangchill 122; Farber 122 1-4. Less than 3,000 fans attended.

Tierney And McMillan Are Champions In Mixed Bowling

Fred Tierney and Helen McMillan won the "Leap Year" Bowling Tournament staged on the Holy Name Hall always before one of the largest crowds ever to witness the pin-ball game in the city. In doing so, Helen & Fred rolled steady all the way through. Although dropping the first game 4-6, P. McQuaid & G. Doyle by 4-6 pins, they came back strong in the second game, both Fred & Helen rolling the high score of 273.

In winning this tournament, the winners certainly deserve a lot of credit. They had a long schedule to go through before reaching the finals. Congratulations are also in order to the runners-up, G. Doyle & P. McQuaid, also E. Mitchell & Jas. Cameron in coming down to the finals. Last night's scores were: First: F. Tierney 208 273 251 H. McMillan 156 273 178 Total—1339. Second: P. McQuaid 238 269 188 G. Doyle 171 185 158 Total—1207. Third: Jas. Cameron 164 263 178 E. Mitchell 145 238 132 Total—1150.

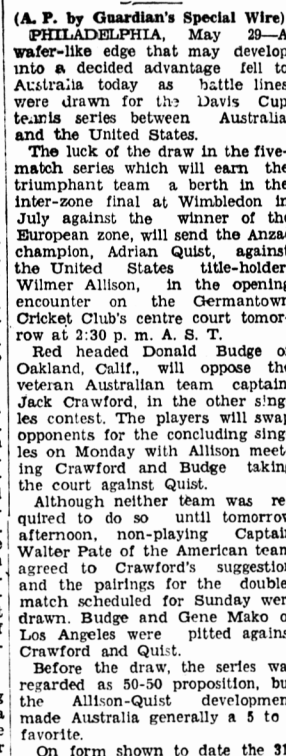

LAST NIGHT'S MEETING. The candle pin mixed bowling meeting took place at the conclusion of the match. 57 teams are entered. An opening is available for three more teams, to bring it up to 60 teams. The opening night will bring twelve teams into action.
