About Horses.

It seems that on the morning of the day of his death the stallion Daniel Lambert was as lively as usual, eating heartily and in every way seeming to be in the best of spirits. About 10 o'clock he was seized with what appeared to be a most violent form of mania, and for several hours plunged about his stall in the most violent manner, never desisting until death came. This occurred at 5 o'clock in the afternoon, and the struggles of the horse during those seven hours are described as being something frightful. The exact cause of death is not known, no post-mortem examination having been made.

The last foal of Miss Russell, the dam of Maud S., is a bay filly by Electioneer, and is the seventeenth foal from Miss Russell, three of whose progeny—Maud S., Nutwood and Cora Belmont—are already in the 2.30 list. It will be remembered that something over two years ago Miss Russell, together with several other mares from Woodburn, was sent to California and bred twice to Electioneer, the produce in each case being a filly. The latest arrival has not been named, but the yearling is called Rustique. Miss Russell is in good health and apparently likely to produce several more foals before she dies.

Success in Life.

The following from an unknown source, contains advice which experienced business men endorse, and young men will do well to follow: Be self-reliant, concentrate your energies in a determination and supreme effort to win seccess.

Keep your own counsel, attend strictly to business, and never dabble in anything foreign to it, curtail your expenses, never sacrifice safety to prospective large returns, cut short your losses and let your profits rub on, and make your prime movers industry, economy, and fair dealing.

It is the merest rant and bosh to rely on luck; he is always in dolent and whining, folding his arms, drinking and smoking, waiting for big prizes in lotteries, or lying abed expecting a letter with news of a legacy.

On the contrary, labor and pluck are the invincible heroes who win success; they strike out new paths, create, contrive, think, plan, originate, take all legitimate risks, toil to surmount obstacles, push forward, win renown by success.

The glorious galaxy of successful business men and illustrious authors have all been hard workers.

THE LATE PROF. PHELPS.

The above is a portrait of the late Prof. Edward E. Phelps, M.D., LL.D., of Dartmouth College, He was a strong, able man, who stood high in the literary and scientific worlds. It is not generally known, but it is, nevertheless, the truth, that Prof. Phelps was the discoverer of what is known to the Medical Profession and Chemists universally as Paine's Celery Compound, unquestionably one of the most valuable discoveries of this century. This remarkable compound is not a nervine, an essence, a sarsaparilla or any devised article, but a *discovery*, and it marks a distinct step in medical practice and the treatment of nervous complications. It has been freely admitted by the best medical talent in the land, and also by the leading chemists and scientists, that for nerve troubles, nervous exhaustion, insomnia, debility, senility and even the dreaded and terrible Paresis, nothing has ever been discovered which reaches the disorder and restores health equal to this discovery of Prof. Phelps

Paine's Celery Compound is now being prepared in quantities, and can be procured at any reputable druggist. An attractive bunch of celery is to be found on every wrapper. It has become specially popular among professional men, mind workers, ladies burdened with exciting social duties and frequenters of the leading clubs.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-Joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery**, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs**, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at $1.00, or Six Bottles for $5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,
