—L'Electeur of Quebec, an organ of which Mr. Laurier is a director, rebukes the government for its illtreatment of Roman Catholics, and by way of convincing the Catholic members of the government that they ought to resign, refers them to General Herbert in this way: "General Herbert, who is a Catholic, has given a fine example to our Catholic ministers. The very day that Orangeman Bowell was sworn in as prime minister the general embarked for Europe. He has not returned, but has lost a position which gave him $10,000 a year." The idea that General Herbert resigned because he refused to serve has a spice of originality. Is it Mr. Laurier or Mr. Pacaud who is to be congratulated on the cleverness of the conception? It may win votes in Quebec.

A SUFFERING ARMY.

Borne Down by a Relentless Foe.

The great army of sufferers from various rheumatic conditions joyfully welcome Chase's K. & L. Pills because the foster parents of their aches and pains are the Kidneys, which, on account of a diseased condition, are unable to relieve the blood of uric acid poison, which is deposited in the joints, producing on the first provocation irritating aches and pains in the bones, joints and muscles. The reason that Chase's Pills relieve and cure is their wonderful power in restoring degenerate Kidneys to a perfect and natural condition, without which the system is supplied with blood teeming with poison that adds fuel to the fire of rheumatic complaints, demoralizing the entire system and rendering it liable to a complication of diseases terminating in dropsy, diabetes, or Bright's disease. A pleasant feature of these Pills is that, while most Kidney remedies encourage constipation, Chase's relieve and cure it. In nearly all rheumatic attacks there exists constipation of the bowels, which is easily over-come by Chase's Kidney-Liver Pills; in fact, they are a perfect cure for constipation. This is endorsed by Edward Garrett, editor and proprietor of the Bradford, Ont., *Weekly Witness,* and thousands of others. One pill a dose. 25 cents a box. The cheapest medicine on earth. Sold by all dealers. Edmanson, Bates & Co., Toronto.

THE TIDE TURNS.

Great Improvement in the Health of a Well-known Peterboro' Lady.

PETERBORO, Aug. 5.—General satisfaction is expressed here at the greatly improved condition of health of Mrs. K. Stephens, the well-known music teacher of this town. Her friends have been much exercised over her condition for a long time, and a number of remedies have been tried during the ten years that she has been a martyr to a complication of complaints, which recently became very severe. She suffered frightfully with pains in the back, nervous prostration and swelling of the limbs. She has been taking the new remedy for kidney troubles, Dodd's Kidney Pills, and has already experienced the most beneficial results.

Don't Wait for the Sick Room.

The experience of physicians and the public proves that taking Scott's Emulsion produces an immediate increase in flesh; it is therefore of the highest value in Wasting Diseases and Consumption.
