TURNIP SEED at Watson's. THE King of Siam has 263 children. A FAIR market to-day. Prices unchanged. If you want bargains in dry goods go to 77 Queen Street. USE Hellebore, from Wat on's, for your babies. If you want good value for your money go to Robertson's. THE Miramichi will arrive from Montreal on Sunday. BUY WEEKS & Co's. Tea. [may28 1w wky 2i] TWINBAR Smoking and Chewing Tobacco at Watson's. COTTONS, prints, ticking, etc., cheaper than the cheapest at Robertson's. [ju6] THE sale of the Brighton Brewery property is postponed until Wednesday, 17th September next. FRESH Lobsters—the first of the season—were on sale at the market to-day. They sold at from five cents upwards. MR. CHAS E. McDONALD, vendor at Summerside, died at two o'clock this morning after a brief illness of inflammation of the lungs. BUY WEEKS & Co's. Tea. [may29 1w wky 2i] JOHN F. BAKER, North Lake; W. A. Logan and Joseph Egan, jr., Mount Stewart, have given correct answers to the charade of the 29th ult. THE wife of John E. Frankish died in Toronto, on the 4th inst., through a mistake of a druggist's clerk giving yellow jessamine for garden rue. IMMENSE bargains this evening at the auction next door to Watson's Drug Store. Sale commences at 7 o'clock. A. McNeill, auctioneer. BUY WEEKS & Co's. Tea. [may28 1w wky 2i] THE Orange Grand Lodge of British North America opened its annual session in London, Ont., on the 4th inst. Hon. McKenzie Bowell is present. THE QUESTION OF THE HOUR.—When will work be commenced on the Post Office? A local punster hopes that operations will not be postponed much longer. THE M. A. Starr sailed for Halifax yesterday evening, with 200 sacks of oats, shipped by Wheatley Bros., and 10 lbsds beer, shipped by Messrs. Hyndman and Morris. BUY WEEKS & Co's. Tea. [may28 1w wky 2i] SHAEK'S grist mill at Paisley, Ont., with ten thousand bushels of wheat was burned on the 4th inst. Loss \$20,000. The building and machinery was insured for \$7,000. THE Montreal, Halifax and Boston Steamship Co.'s steamer Titian, arrived at Summerside this morning from Montreal, and sailed for this port at three o'clock. She will leave here for Pictou to-morrow. THE Patriot sneers at the statement of the EXAMINER that one of its correspondents is an entity. The great trouble with the Patriot is that its correspondents, contributors, reporters, and editors are—for the most part—non-entities. THE fire bell has been christened. As it weighs exactly two thousand pounds, the appropriateness of the name "New-ton" is suggested as being applicable both to the alarm and our worthy chief engineer, A. Newton Large, Esq. It is really too bad that the Patriot should hold Mr. L. H. Davies up to ridicule. It says Mr. Davies is "a Statesman" and the dictionary says a statesman is "a man versed in the art of Government, one eminent for political abilities, one employed in public affairs." A good old man up in the North Woods of Pennsylvania went to prayer meeting the other night, and unwittingly fell asleep. He was called up to offer prayer, and, being dutifully punched by his better half, belted out: "Hang it, Betsy; kindle it yourself!" MOUNT ALLISON.—Mr. Samuel Howard, of Cornwall, graduated at Mount Allison College, Sackville, and received the degree of B. A. The degree of D. D. was conferred on Rev. John Lathern, and the district scholarship, to be awarded to ministers sons on P. E. Island, was won by Mr. Hugh Harrison. BUY WEEKS & Co's. Tea. [may28 1w wky 2i] A BICYCLE and rider appeared on our streets last evening. There are objections to bicycle riders, they are—"The liability of the rider to go over the handles, the impossibility of stopping very quickly, the inability to remain at rest or go backward, and the difficulty of learning." Any vehicle which presents only such minor discomforts as these ought to roll right straight to the front. THE steamer Worcester, Capt. Blankenship, sailed for Boston on Thursday evening, with with a small cargo and the following passengers: Miss M. Walker, Margaret Colby, Alex McDonald, Margaret McDonald, Charles W. Hayes, Mrs. Hayes, Mary A. McDonald, Cicely Hogan, Bernard McManus, James Coady, Wm. Coady, John Ross, D. F. Darach, Lucy Ferguson, Mrs. Hobbs, Mrs. Worthy, John McCarthy, Johanna McCarthy Christina Gillis. MR. EDWARD K. FISHER, of St. John, exhibited at our office, yesterday, a number of clasp-fastened boots and shoes, a new style, which supersedes the button or laced boots. It is claimed for the clasps that they are time saving, being rapidly adjusted, they do not catch the dust, and are neat and substantial. Boots with this patent fastening are manufactured by Charles Worth & Co., Toronto, and they will no doubt recommend themselves to the trade. ANOTHER murder has taken place at Calgary, N. W. T., on the 3rd instant. A man named McManus murdered Bill Reed, better known as "Buckskin Shorty," at Golden's farm. A policeman went and discovered the body and arrested McManus. A man named Harris saw McManus cutting "Shorty" with a knife, and on attempting to interfere, McManus threatened to shoot him. McManus claims that the killing was done in self-defence, and made no attempt to escape. Both parties were whiskey drinkers.
