Columbus Day Banquet Held By Ch'town K Of C Council

Some 95 Knights of Columbus members and their wives attended the annual Columbus Day Banquet at the Charlottetown Hotel Wednesday evening. The function was presided over by Percy MacDonald, Grand Knight of the Charlottetown Council.

Seated at the head table were: His Excellency Most Rev. Malcolm MacEachern, Bishop of Charlottetown; Rev. Francis P. Bolger, Ph.D.; J.J. MacIsaac, Deputy Grand Knight, Charlottetown Council, and Mrs. MacIsaac; Rev. Vincent Murnaghan; Grand Knight Percy MacDonald; and Mrs. MacDonald; Rt. Rev. Msgr. Patrick McMahon, rector of St. Dunstan's Basilica; Very Rev. C. H. Moreau, C.S.S.R., rector of Holy Redeemer Parish; T. Reardon, charter member of Charlottetown Council; and Rt. Rev. Msgr. J.G. MacLellan, retired vicar-general of the diocese.

The guest speaker for the evening was Rev. Francis Bolger, who recently obtained the degree of Doctor of Philosophy from the University of Toronto. Dr. Bolger's address dealt with events leading up to Prince Edward Island's entry into Confederation between the years 1863 and 1873, which was the subject for his doctorate thesis.

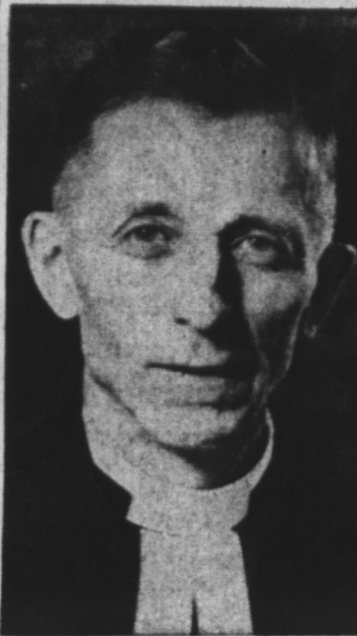

While engaged in the task of writing his thesis, Dr. Bolger uncovered a wealth of new material on the subject from the Archives at Ottawa and in the Colonial Office at London, England, where he spent several months in a fact-finding capacity.

He was introduced by Rev. Vincent Murnaghan, a fellow professor on the staff at St. Dunstan's University.

The banquet was attended by two charter members of the Charlottetown Council: Tice Reardon and Msgr. J.G. MacLellan. Other charter members not in attendance were: Judge A.E. Arsenault, J.J. Trainor, Rev. Martin Monaghan and Vincent Blake.

The following toasts were made during the evening: The Church, proposed by F.A. MacMillan and responded to by Bishop MacEachern; the Order, proposed by J.J. MacIsaac and responded to by John T. Doyle; the Ladies, proposed by John E. Green and responded to by Mrs. J.J. MacIsaac.

The banquet opened with "O Canada" and closed with "The Queen". Pianist for the evening was Mrs. Mary Dowd.

LOST OR FOUND

At one time in Old Testament days, the Scriptures were literally lost. Lost of all places in the Temple, beneath the paraphernalia of pagan worship and the rubble of neglect.

In our modern age too, the Bible has been lost in many places. Sometimes under heaps of material possessions, gathered to prove success; sometimes in places where people go for amusement or to forget life; sometimes in the noise and excitement of a TV set or sometimes stored carefully with the antiques—to be admired—but never used.

For more than 150 years the British and Foreign Bible Society has made it possible for millions of men and women to find the Bible for the first time and through it a new way of life. But today, the enormous demand for the Book can only be met as funds are forthcoming from Christians the world over.

In Prince Edward Island during the coming week, hundreds of devoted men and women of many denominations will be calling on Christian people to help in giving the Word of God to men of all races, colors and creeds... in their own language. This will be our very special opportunity to help some man or woman, boy or girl, find God through the Scriptures.

Police Probe Store Break

The break at Carter and Const. Sterling-Williams late Thursday evening is still under investigation, Deputy Police Chief Sterns Webster stated last night.

The police constable was on lower Queen Street when he noticed the window of the door had been broken out.

An electric clock and an electric razor are reported to have been stolen.

Wood Isl. Man Has Fracture

George Stewart, 49, of Wood Islands, suffered a fractured knee when he was struck by a car shortly after 4 o'clock Thursday afternoon.

The mishap occurred when Mr. Stewart, while crossing the intersection at Queen and Grafton Streets, was struck by a car driven by Mrs. J.E. MacAvinn. Although the force of the impact was not sufficient to knock him to the ground, the driver of the vehicle immediately drove him to the Prince Edward Island Hospital where examination revealed the fracture.

Larkin, Finnan Terms Total 5 And 4 Years

Prison terms of five years and four years respectively now face William Wendell Larkin of Charlottetown and Willard Pius Finnan of Freetown.

Yesterday James B. Johnston, stipendiary magistrate for Queens sentenced the Island duo to two-year concurrent terms in Dorchester Penitentiary on each of three separate charges of breaking, entering and theft. Both pleaded guilty earlier to all three charges.

Earlier this week W. Chester S. MacDonald, stipendiary magistrate for Prince, had sentenced Larkin to three years and Finnan to two years in the same institution, each having previously pleaded guilty to jail-breaking.

A plea for leniency was made yesterday by F.A. Large, Q.C., who appeared on behalf of Larkin.

Crown prosecutor Foster said that although the Court would be justified in asking for preventative detention, under term 660 of the criminal code dealing with habitual offenders, it was not his intention to ask for such. He did feel, however, that sentence on the second charges should not be concurrent with the previous charge of jail breaking.

BIBLE WEEK
OCT. 18-24

"THE BIBLE AND THE SPACE-AGE"

The Bible has had a vital message for all ages and the same message which was appropriate centuries ago also applies to our present "space-age".

The Bible and the modern world may seem at first to be very far apart, but it is through the Bible that the modern world, can come to understand itself for it possesses an urgent message to the men and women of this fearful but exciting space-age, probing deeply to the roots of its distress and bringing God's own remedy to it. Since the day when man was filled with ominous fears by natural phenomena, to this very moment when we live in the sickening dread of mass destruction by atomic and nuclear missiles—the Bible has always a message of hope, light and peace. It was written in the environment of calamity and near catastrophe and to such an environment it has the power to speak again.

It is in the light of these truths that the Bible Society must steadily maintain and expand its great mission of giving the Scriptures to every man in his own language.

In 1958 the Society produced nearly 1,750,000 complete Bibles. 4,000,000 Scriptures consisting of Bibles, Testaments and Portions were distributed in 359 languages to 53 different countries. Supporters of the Society increased their contributions in 1958 to the point where all requests were met, but this must be maintained if it is to meet the ever-growing demand of world population which increases by one million a week and becomes literate at the rate of 400,000 humans a week.
