

**PUSH
A BUTTON-
AND GO...**

***Dodge-
style!***

Dodge Swivel Seats glide you in, glide you out in perfect dignity. Seats swivel out, swing in and lock in position automatically!

Dodge low-friction, ball-joint steering makes your new Dodge '59's easiest handling car. Feel the difference every time you turn a corner, ease into a parking space.

Dodge Torsion-AIRE Ride employs exclusive front-wheel torsion-bar suspension to keep you level on every corner, over every bump, at every stop or start.

DODGE PUSH-BUTTON DRIVE

Just press a button . . . your Dodge automatic transmission Nudge the accelerator . . . your Dodge engine—be it husky V-Flite Six—moves into instant action! It's that simple.

Yet push-button ease and spirited response are only two of the this wonder-full new Dodge. The armchair ease of Torsion-AIRE the graceful convenience of push-button heating and ventilation, the sure, effortless safety of Total-Contact brakes—they're all your choice is Dodge!

See them . . . try them! Come in! Ask about our special summer Find out how little it costs to really enjoy driving—Dodge-style
