SMALLMAN'S LINGERIE DEPARTMENT

W. M. S. Rally At Hunter River

On Tuesday afternoon, Sept. 12th, women from the surrounding districts, Charlottetown and Summerside, met in Hunter River United Church to widen and enrich friendship, for courage to do greater work and for a greater faith in the value of the work.

Mrs. W. O. Myera, Mrs. W. I. Green and Mrs. Lorne MacEwen of Stanley Bridge led the opening devotional with hymn "All people that on earth do dwell". Mrs. Green on the theme "Prayer" entreated all to pray without ceasing at all times, closing with all singing "Take time to be holy."

Mrs. J. C. MacLeod, Hunter River, presided. Mrs. James L. LePage welcomed the guests and Mrs. John F. Easton of Hampshire graciously replied. Mrs. Daniel MacLeod brought greetings from the W. M. S. of the Presbyterian church.

Roll call of auxiliaries by Mrs. Frank Cutcliffe showed some eighty-six members and visitors present. Two verses of hymn "Oh for a closer walk with God" were sung. Messages from the Presbyterian secretaries of Mission Bands, C. G. I. T., Baby Bands, Community Friendship, Missionary Monthly and World Friends, Mrs. Ernest Weeks, Bedeque, gave a full, interesting and inspiring account of the Maritime Branch which she attended at Sackville. After being an auxiliary member of W. M. S. for fifty years this was her first attendance at Branch. She urged members to attend the next meeting where one learns so many things of value.

Mrs. John F. Scott, Christian Stewardship Secretary, said "Now is the time, we are the people, let each one give as much of her time and talents as is possible". The work is great and at this time so important. Mrs. Scott referred to a membership drive in local auxiliaries urging members to contact every woman in the community who is not already a member to come to the meetings. The Presbyterian Treasurer gave a short report showing a small increase to date.

Mrs. L. M. Callbeck of Summerside beautifully rendered the solo "Thy Will be Done" which was greatly appreciated. She was accompanied by Mrs. Lorne MacEwen, Mrs. Wilfred Craig, Temperance and Christian Citizenship Secretary spoke briefly, stressing the need of teaching temperance in the schools.

The offering was received and dedicated by Mrs. John F. Easton. The guest speaker, Miss Louise Callbeck, Bedeque, in her masterly address, told of attending the world's convention of Christian Education in Toronto where 5,000 delegates were present from almost every country. All racial barriers were down and all religious barriers were forgotten at this great gathering. She felt sure this Christian feeling would go back home with each delegate. She urged all to go to Sunday School and help teach the children.

In the absence of the Literature Secretary, Mrs. J. P. Scott gave an instructive review of the books on the bookshelf which for this year is the study of Japan. She said to be fully interested we must be fully informed so buy books and read them.

Following the close of the Rally a large sum was realized from the sale of these excellent books. In closing Mrs. J. D. MacFarlane, Presbyterian President, brought an impressive message on "Advance". She said "God has given us just one life in which to do his work. Let each member do her full share and work to further His Kingdom". Mrs. MacLeod extended a vote of thanks to all who helped to make the Rally a success. The benediction was pronounced by Mrs. MacFarlane. Luncheon was served by the Hunter River Auxiliary in the basement of the church. Thus another fine Rally was brought to a close.

Harvesting in West Retarded by Weather

WINNIPEG, Man., Sept. 16 - The favorable harvesting weather of the previous week turned unfavorable during the past week. With heavy rains and showers and recurring frosts delaying operations throughout Manitoba and Eastern and Central Saskatchewan. Rains were heaviest in eastern Manitoba and were continuous for almost two days. Frost damage has been more severe than anticipated, as indicated by the depreciated grades prevalent at many points where grain has reached the elevators, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

In the Peace River area, weather was warm and dry with frosts at night. Cutting of grain is practically completed except that left for straight combining. Small quantities of wheat threshed to date show an average of 10 bushels per acre, with grades running from No. 2 to feed. Forage and legume crops suffered less from frost and are producing excellent yields. Threshing will be general during the next week.

Weather has been unusually warm and sunny in the Okanagan Valley where the apple crop is developing well, exceeding previous estimates. Picking of McIntosh apples will commence next week. Pears, prunes and vegetables are moving steadily.

First Maritime Industrial Exposition

The First Maritime Industrial Exposition, originated and promoted in the Maritime Provinces by the Saint John Junior Chamber of Commerce was held in Saint John, N.B., from September 2-9 inclusive.

The City of Saint John tendered a luncheon to upwards of fifty government officials and industrial leaders prior to the opening ceremonies. More than fifty manufacturers were represented and displays included those of the Dominion Government Post Office, Province of New Brunswick, the Canadian Manufacturers Association, (Maritime Division), City of Saint John, Saint John Board of Trade and the Saint John Junior Chamber of Commerce, sponsoring body.

The site of the Exposition was the new \$1,100,000 Passenger and Immigration Building, West Saint John, N.B. Features of the week long presentation of Maritime manufactured products included a First Aid Display by the Saint John Ambulance Brigade, and a complete showing of all branches of work of the Canadian Red Cross Association, and a blood donors' clinic, at which some seventy-five persons voluntarily became donors within view of the general public. Daily attendance averaged over 3,000 with a total official attendance of 22,281. Complete satisfaction was voiced by government officials, exhibitors and the general public alike, and plans are under way for the continuation of the Exposition in 1951.

It was originally planned to have the Rt. Hon. C. D. Howe officiate at the opening ceremonies, but due to pressure of government affairs, he was unable to attend. Acting-Governor of N.B., Hon. D. L. MacLaren, who conducted the taping ceremony for the first Maritime Industrial Exposition, His Honor congratulated the Saint John Junior Chamber of Commerce on their progressive action in presenting to the public the first display of Maritime manufactured products, and pointed out that their action would be a means of educating the general public to the variety and quality of products of the seaside provinces, and would undoubtedly lead to the establishing of new industries in the Maritimes.

Mr. A. D. Simmons, representing the Department of Trade and Commerce, and the Canadian Government Exhibition Commission, was also present on the opening day, and gave high praise to the exhibitors on their presentation and the quality of their products on display. He also commended the Committee on their efforts in promoting industry, not only in their own province, New Brunswick, but also those of Nova Scotia and Prince Edward Island.

Mr. F. M. Ayroyd, representing the Industrial Development Bank, a subsidiary of the Bank of Canada, conducted an information office to discuss the extending of financial assistance to industrial enterprises.

A special insignia was adopted combining the letters "MIE" for Maritime Industrial Exposition, and souvenir key-chains were prepared and distributed. A souvenir booklet containing a guide to the exhibits and information concerning many of the manufacturers was presented to the general public on entering the Exposition. The Junior Chamber of Commerce presented a letter and sum

of money to Dwight Mages Limited, of Saint John, N.B., clothing manufacturers, on their being chosen by the Exposition patrons as the firm having the most interesting display. Ten silver dollars and a specially inscribed pen was offered by the Saint John Junior Chamber of Commerce, as well as many valuable gifts from the various exhibitors, and were presented on the closing night to the 20,000th visitor to the first Maritime Industrial Exposition.

In Pusan, South Korea, local Boy Scouts served as traffic directors when the regular police force was sent North to handle the civilian population evacuating the battle areas.

Canada's Deputy Chief Scout, Jackson Dodds, C.B.E., Montreal, has been awarded the Silver Phoenix, highest honour in Greek Scouting, "for services rendered to the Boy Scouts of Greece."

One hundred and twenty-five lost children were found and returned to distracted parents by Boy Scouts on duty on opening day at the Central Canada Exhibition in Ottawa this summer.

Canadian Boy Scouts are very proud of the fact that Brigadier John M. "Rocky" Rockingham, C.B.E., D.S.O., Officer Commanding the Canadian Army Special Force for action with the United Nations in Korea was once a King's Scout in the 5th Halifax, N.S. Boy Scout Troop.

Two child drownings were averted in New Brunswick this summer when Wolf Cub Arthur Flewelling, 10, of Mirido saved a younger child's life at Rexton and Cubs Roger Robinson and Paul Messereau rescued an 8-year-old boy from the Oromocty River.

For the first time Germany has become a full member of the Boy Scouts International Conference, with official recognition by the world Scouting authority of Ring Deutsches Pfadfinderbunde, which is a federation of the three Boy Scout Associations in Western Germany.

Boy Scouts of the 1st Yellowknife Troop in the Northwest Territories travelled 350 miles to attend Sylvan Lake Scout Camp in Alberta this summer.

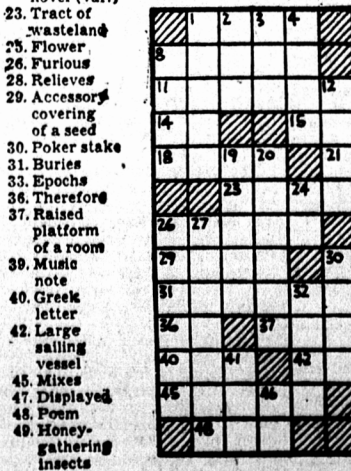

PRAGUE, Sept. 15 - (AP) - Gypsies still on the move around the famous Bohemian Spa of Karlovy Vary (Carlsbad) were told today they must settle down and take jobs. Many already have done so. Houses for the gypsy families are to be made ready in the village of Mlnichov, the newspaper Prace said. If any of the gypsies fail to change their way of life, their horses will be confiscated.

of money to Dwight Mages Limited, of Saint John, N.B., clothing manufacturers, on their being chosen by the Exposition patrons as the firm having the most interesting display.

Ten silver dollars and a specially inscribed pen was offered by the Saint John Junior Chamber of Commerce, as well as many valuable gifts from the various exhibitors, and were presented on the closing night to the 20,000th visitor to the first Maritime Industrial Exposition.
