Vernon River Notes.

Christmas and New Years were quietly welcomed by both young and old in Vernon River and surroundings.

One of our merchants has skipped for parts unknown, and has created in many hearts a yearning wish to be with him "a little while."

The Good Templars, who hold their meetings in Orwell North Schoolhouse, have decided to build a suitable Hall at the Bridge on the site between G. Forbes' and J. Findlay's. We understand the site is a gift from Mr. David Irving and Mr. George Forbes, M. P., and that the Hall is to be built by shareholders, the shares being five dollars each. Gentlemen and ladies who have the good of the youth of our land at heart, help this venture, and in this manner show that you heartily wish the cause of temperance to triumph.
