## Local and Other items.

**A BAD MISTAKE.**—A fatal shooting ac-  
cident occurred near Waterville, Me., last  
Sunday morning, when Dell Durgin was  
fired upon by Fred Cates, who mistook his  
grey coat for a deer's body.

**ISLAND PR DUCE.**—The schooner Jeanie  
arrived at Tilt Cove about a fortnight ago  
from P E Island with a cargo of oats, hay  
and live stock for the Mining Co. The live-  
stock consisted of 13 head of cattle, 2  
horses, 20 geese and 10 turkeys.—St.  
John's, Nfld News.

**COMING TO CANADA.**—A representative  
of a number of Missouri farmers has been  
through the west, and has selected twenty-  
six homesteads in the district one hundred  
miles northwest of Dauphin, Man. The  
entire party will move up with their fam-  
ilies and effects about April 1st.

**A DASTARDLY ACT.**—Mr A Bealieu,  
saw mill owner, of St Bennett, Beauce,  
Que., and his family were almost blown  
up by an evidently designed explosion, on  
Wednesday night last. One of the mill  
employees is suspected of being the miscre-  
ant. The explosion simply tore out the  
side of the house, and hurt no one. Had  
the guilty party not been in such a hurry  
that he badly arranged things, the whole  
house would have been destroyed. A de-  
tective is investigating.

**VALUABLE CARGES.**—The steamer Bor-  
ton, captain McGregor, has cleared for  
Sharpes, G. B. Her cargo is made up of  
103,631 bushels of oats, shipped  
by Messrs Matheson and Tombs; 210  
sheep, shipped by Mr Barrett Henderson;  
120 sheep and 22 cattle, shipped by Mr  
E Wheatly. She also carries 20,000 sup.  
feet deals.

The barkentine Meteor, captain Griffith,  
has also cleared leaving for Penarth Roads  
with 36,000 bushels of oats, 17,500 sup.  
feet deals and 1,000 feet boards shipped  
by the Messrs Richards, of Bideford.

**CHRISTMAS HOLIDAY EXCURSIONS** have  
been arranged for as follows: at one way  
first class fare for the round trip: To  
pupils and teachers in schools and col-  
leges, between points in Canada east of  
Port Arthur, Ont., on presentation of  
certificate from Principal, from December  
10th to 31st, good for return until Janu-  
ary 31st. To commercial travellers in  
territory as above, on presentation of their  
certificate, from December 16th to 26th,  
good for return until January 7th; and to  
the public between all points on the C P R  
east of Port Arthur, Ont, from December  
21st to January 2nd, all good for return  
until January 7th, 1899. Ask for, and see  
that tickets read via the Canadian Pacific  
Railway from and to St. John, N. B.

### The Spaniel at His Best.

To see the spaniel at his best he  
should be taken to the haunts of the  
waterfowl. In the salt marshes, the  
lakes and streams of the east, and in  
the prairie sloughs of the west, he is in-  
deed a great little dog. His stumpy  
legs may be poor performers on dry  
ground, but they are very efficient when  
it comes to swimming. The dog, too, is  
a hardy fellow, ready to face any weather  
and cold water whenever asked. As a  
retriever from water he is most desir-  
able, while his intelligence and compact  
form make him the best of dogs for the  
ducking skiff. Of course the Irish water  
spaniel is excluded from all references  
to short legs and clumsiness. A good  
specimen of this dog appears to be quite  
long legged.

The chief value of the Irish spaniel  
to the sportsman is as a retriever. He  
is a worthy rival of the famous dog of  
the Chesapeake, and no weather is too  
severe, while few tasks are too difficult,  
for him. He is game to the core, a very  
powerful, magnificent swimmer, and to  
all intents a natural retriever. His oily  
coat can bid defiance to cold water,  
while a vigorous shake appears to at  
once dry it. He is as hardy as a badger.  
He is a most intelligent and willing  
worker, and will show to the greatest  
advantage under conditions which  
would baffle almost any other retriever  
from water.—Outing.

### Riding on Turtles Backs.

Having had considerable experience  
in turtle catching, I know a swimmer  
can frequently approach a sleeping tur-  
tle from behind and leap on its back  
before it awakes. The creature's first  
impulse is to dive, but if its rider  
knows his business he can instantly  
bring it to a standstill by forcing his  
fingers into its horny eyes, when it at  
once floats motionless on the surface.  
In the case of a midshipman whom I  
know of he got on a turtle's back and  
enjoyed a ten minutes' ride, sometimes  
on the surface of the water, sometimes  
under, before he brought the animal to  
a standstill.

Three things are certain—first, the  
ability of a man to get on a sleeping  
turtle's back; second, by sitting far  
back on its shell to keep it near the  
surface; third, to instantly stop its car-  
rier by reducing it to blindness. Hav-  
ing regard to the brevity and simplicity  
of Rougemont's account, I can quite  
well believe that lonely man on his  
coral sand bank, with all his instincts  
preternaturally sharpened, did actually  
ride and guide the turtle as he has  
stated.—Admiral Moresby in London  
Chronicle.

### Eat Onions.

Onions are stated to be almost the  
best nerve known. No medicine, it is  
claimed, is so useful in cases of nervous  
prostration, and there is nothing else that  
will so quickly relieve and tone up a  
wornout system. Onions are useful in  
all cases of coughs, colds and influenza.  
Eaten every day, they soon have a clear-  
ing and whitening effect on the com-  
plexion.

There's a time to all, old and young,  
man or woman, when poor health  
brings trouble, anxiety, and burdens  
hard to stand up under, and one's ef-  
forts to rid himself or herself seem  
only to be baffled at every turn, and  
we are prone to grow discouraged.  
That is not the time to give up—  
but the time for action, the time to  
seek out the seat of the trouble, and  
act as your best judgment and the  
experience of others will help you,  
guarding against mistakes in the treat-  
ment adopted for your particular ail-  
ment.

**Spasms Lasted for Hours at a Time**

**Dr. Chase's Kidney-Liver Pills**  
**Proved His Deliverer.**

I was for over six months troubled  
with very sharp pains in the region  
of my kidneys, the spasms lasted for  
half an hour at a time, and left me  
with great aching, soreness and pain.  
I tried many remedies, but they did  
me no good. I commenced taking  
Dr. Chase's Kidney-Liver Pills accord-  
ing to directions. I had not much  
faith that they would cure me, but  
after taking one box I noticed a  
change for the better. It may seem  
incredible, but after taking the second  
box the pains all left me entirely, and  
I have not had them since.—Amos  
Carter, Melbourne.
