

Annual Meeting Provincial Rifle Association Held

The Annual meeting of the Prince Edward Island Rifle Association was held last evening in the offices of the Workmen's Compensation Board with the President, Brig. W. Reid in the chair. The meeting was one of the most enthusiastic and well-attended in the history of the Association and augurs well for rifle shooting in the future.

Highlight of the meeting was the election of officers for the ensuing year. Those elected to guide the Association through the year 1957 were as follows:

Patron — Honourable T. W. L. Prowse.
Honorary President — Lt. Col. D. A. MacKinnon, D. S. O., V. D.
President — Lt. Ralph E. Jenkins.

Vice Presidents — Lt. F. H. Kennedy, Sgt. G. A. Coles, Lt. Col. J. A. MacDonald, E. D.
Sec'y-Treas. — Maj. A. F. Gormley.

Executive Committee — S-Sgt. A. M. Johnston, Sgt. P. J. Landrigan, Sgt. Eric Coles, Capt. A. J. McCabe, Lt. P. T. Hooper.
Chairman of Council — Robert Barvis.

Additional Members appointed to Council — Gp. Capt. W. H. Sweetman, D. S. O., D. F. C., C. D., Inspector E. D. Martin, Roy Veasey, Robt. Hambly, and Bill Reid.

Business which came before the meeting in addition to election of officers included minutes of the 1955 meeting, the President's report, financial report, report on D.C.R.A. shoot by S-Sgt. A. M. Johnston, R. C. M. P., report on the Inter Maritime Shoot by Lt. G. J. Rogers, appointment of representatives to DCRA Council and a motion of thanks to retiring President Bill Reid for his eleven years service as President.

PRÉSIDENT'S REPORT

Ladies and Gentlemen:

Another page has been added to the glowing story of Rifle Shooting in the Province of Prince Edward Island. Although possibly some of us will look back and say "we have had better years," I think you will all agree 1956 was a good year marked by a good programme of shoots under improved range conditions and free of any incidents of unsportsmanlike conduct or unpleasantness.

Once again the year was opened with qualifying shoots for the Intermediate Team. Scores in these shoots were good and we lined up a strong team but Nova Scotia and New Brunswick packed too much experience and ability for our boys to handle and they returned home after trying hard but with the word it will be up to next year's team to reclaim the Maritime Crown. To Lieut. Col. D. A. MacKinnon, our Honourary President, who again so generously donated spoons for our qualifying shoots I wish to extend our sincerest thanks. To Colonel Dan as he is known to all in shooting and many other sports in our little Province I feel I speak the feelings of every member of this Association when I say your efforts counsel and example have always been appreciated by us all and that we trust you will still have many years of enjoyable competition and participation in the various sports you have done so much for in this Province.

Our Annual P.R.A. Shoot took place this year July 26th to 28th under good weather conditions. While the entry list was a bit larger than in 1955 it still was disappointingly small to some of the older competitors. However, we

had a record held by Delvin Miller, Meadlands, Pa., who won \$259,933 in 1950.

Four horses accounted for most of O'Brien's money and victories. They were the trotters Scott Frost, harness horse of the year, and Bond Hanover, and the pacers Diamond Hal and Adios Express.

Trailing O'Brien and Haughton in the money-winning category were Miller with \$159,553; Johnny Simpson, Orlando, Fla., \$150,689 and Ralph Baldwin, Longwood, Fla., with \$121,761.

It must have been a gruesome experience for a fellow of Robin's character to have to listen to insults, with which he had to put up with without as much as a murmur of protest. But put up with it he did and in doing so earned the admiration and respect of millions. After he established himself as a true major league Robbie began to act like any normal white ball player. When struck at he struck back; he answered in suits sometimes mildly sometimes with fire in his voice. For this he was admired by some resented by others but this outburst left little doubt in anyone's mind that the negro was in baseball to stay—where he should have been many, many years ago. He had won his spurs, opened the door for fellows like Willie Mays, Don Newcombe, Roy Campanella, Larry Doby and the rest. He probably felt he had a right to speak before being spoken to for he had proven to the world that on the ball field he was as good as anybody, despite the terrible strain he was subjected to during his 10-year stay at Ebbets Field. Everyone knows the Robinson story—and it is a great one—filled with drama and pathos, and tells of the courage of two men—Robinson and Branch Rickey, who brought him into baseball and caused the sporting world to rock. Robinson, the first negro ever to play in major league baseball, crashed through the color barrier triumphantly, justified Rickey's faith in him, and went on to write his name indelibly into baseball's history.

3RD STRAIGHT YEAR

O'Brien Leads Money, Winners

COLUMBUS, Ohio (AP) — Joe O'Brien of Shafter, Calif., has set the money and race-winning pace on trotting's grand circuit for the third straight year the U.S. Trotting Association announced Wednesday.

The rand circuit is the so-called "major league of harness racing." The USTA said O'Brien earned \$242,787 on the circuit in 1956 while winning 72 races.

Runnerup Billy Haughton of Brookville, N.Y., the nation's overall driving leader, earned \$183,199 and copped 45 races.

O'Brien, 39, a native of Alberton, P.E.I., led a year ago with \$219,000 and 58 wins. His earnings last year fell short of the record held by Delvin Miller, Meadlands, Pa., who won \$259,933 in 1950.

Jackie Robinson rocked the sporting world recently by up and quitting baseball after much had been written about the big deal that sent him to New York Giants for a couple of million dollars.

Baseball will not be the same with Robinson retired. Both baseball and Robinson benefited by each other but we think baseball benefited the more.

CHATTER.....S.D.U. return to Island League action at the Sports Arena tonight against B.Y.C. Wednesday's game in Summerside was cancelled which brings to two the number of games cancelled in two days.....Summer-side fans will have their first chance to see Buck Whitlock in action when B.Y.C. plays Aces at Civic Stadium Monday night..... Toronto is at Montreal and Bruins at Detroit in tonight's N.H.L. games.....Beliveau will likely be out of the lineup against Toronto.....He has a bruised hip.....The three highest scoring lines in the ISHL are Arsenault-Hughes-Carroll of Montague and Parkdale's two top lines Carver-MacLeod-Hurry and Carver-Carver-Dunn in that order. Spy Ready says his youth club is the best team "ever to be in last place in the Island League.....

must remember that every year it seems there are more activities in which we should be encouraged by the fact we are able to gather in such a good-sized group of top quality marksmen. Again, this year, our very capable and efficient Secretary, Major "Brick" Goring headed up an office, firing top notch but staff which did an excellent job in running off his in his usual swell job as Range Officer and Sgt. Art King had his but party working better than ever. Each and every one of the staff responsible for running such a well-conducted shoot deserve our wholehearted thanks which I gladly extend at this time. As usual, we had several of our members shoot exceedingly well but two marksmen who were stand outs for good shooting and consistency were Cpl. Bill Beatty of the R.C.M.P. and Tpr. Bob Barwise of the 17th Recce. In addition to these two outstanding marksmen I would like to take this opportunity to congratulate the other winners as well in the following list of results on four big three day meet-
STRONG TEAM
As in 1955 we sent a strong team of riflemen to represent P.E.I. at the DCRA Meet at Connaught Ranges. Every member of the team - old shots and cadets-acquitted himself or herself in good style and to each and every one of them I say "many thanks for taking the time to represent this at this big shoot and may you continue to maintain your keen interest in this grand sport."
By way of innovation this year in addition to holding the City Championship on Labour Day it was decided to also hold the United Services Officers Club Service Condition Match the same Day. In the City Championship our congratulations go to Major Brick Gormley. The United Services Officers Club Match was won handsily by Lt. A.K. Stan. On the same day Major Brick Gormley clinched the Artillery Association Trophy by posting the highest aggregate in combined service and deliberate shooting for the year.

And now ladies and gentlemen as I look back over ten years as President of the P.E.I. Rifle Association it seems indeed a short time but I realize it is too long a time for anyone to retain such a pleasant position. You will recall that last year I agreed to carry on for this year if you would agree to secure a successor to take over at this meeting. Now we have come to the parting of the ways and tonight will be my last opportunity to say a few words to you and all who have helped me during my long term as your president so while I am still in the Chair and to conclude this my last Annual Report I want to say to each and every member of this grand old Association "many thanks for your co-operation, support and enthusiastic participation at all time. This sport of rifle shooting is second to none. Keep it alive."
To Col. D.A. MacKinnon, D.S.O. whom I am privileged to number among my friends I wish to say a special "thank you" for his never-ending generosity and efforts on behalf of the Association. To both Secretaries who served the Association while I was your President, Lt. Col. W.J. MacDonald and Major Brick Gormley, I say it was a pleasure to work with you, my thanks to you both for a job well done. To our Range Officers, Lt. Col. Leo MacDonald Mag. Roy MacGillivray and Lt. Stewart Moore I also wish to say "thank you". They were always on the job and considerate and I feel you will agree, were very necessary. Then over the years I think of the splendid clerical work of Majors Reg Mahan and Roy MacGillivray, C.P.O. Stan Bowles and Mrs. A.F. Gormley. I trust all you faithful and most efficient members of our Association will accept my thanks for your great contribution toward good shoots here in P.E.I. Then last but by no means least in my thanks to individuals who have done so much for rifle shooting and who have been of outstanding help to me over the years comes my old friend Sgt. Art King, my ladies and gentlemen, you will go a long way to find a better, harder working, more willing and more cooperative Range caretaker than Art King. His heart is in the right place and even if we have had little arguments from time to time over the years it was a good thing for rifle shooting that he took the trouble to prod some of us. Many thanks to you, Art, for your unflinching loyalty and efforts over the years.

In conclusion I want to, on your behalf and mine, ladies and gentlemen, extend to the Government of the Province, the City of Charlottetown, the MacDonald Tobacco Company and all generous citizens and firms who contributed to our Prize List over the years sincere thanks. To Brig. G.G.K. Peake Officer Commanding No. 2 Mill-Gp., the United Services Officers Club, local Army and Navy Units and all other groups which have extended such co-operation and support at all times I say we

Trotters Dump Welshmen For Fifth Straight Hoop Victory

The Trotters made it five straight wins in City Basketball League play at P. W. C. last night by downing the Welshmen 52-48 in a hard-fought tussle.

The Trotters had to earn their victory the hard way as they came from behind with only minutes to play in a game that was close from the opening whistle.

Trailing by 6 points in the last five minutes shift Mark Ladner started the Trotters on their way to victory firing in 4 straight baskets to forge into a 2-point lead. The collegians fought back but

Enos Slaughter Signs With Yanks

NEW YORK (AP) — Enos Slaughter, the major league's oldest active every-day performer, returned here signed contract to New York Yankees Wednesday, increasing the club's 1957 slugs to four. Regulars Yogi Berra, Billy Martin and Whitey Ford are the others in the fold.

Slaughter, who will be starting his 23rd year in organized ball and his 17th in the big leagues, excluding three years of military service, will receive an estimated \$20,000.

SDU And BYC Tonight At Arena

St. Dunstan's University returns to the Island League hockey arena tonight in a clash with the cellardwelling Basilia Youth Club at the Sports Arena.

Both teams are in the thick of a fight for a play-off position and Saints with only 7 games remaining to play, need every single victory possible to squeeze into the post-season entertainment. The youth club has played 9 games with 13 remaining but Jack Ready's boys have been only able to do in 9 games what the Saints have done in 5—that is win 2 games.

A win for the Saints tonight will move them right into a contending spot for second place for it would give them a win average of an even .500 only 50 percentage points behind the Aces and well in front of the Montague Primroses.

On the other hand the youth club will still be in the cellar tomorrow win or lose. They now have an average of .222 and a win tonight would leave them behind Saints who would have .333 and Montague at .417.

Saints' coach A.J. MacAdam will have to do some juggling of lines due to the absence of his two top performers Buck Davey and Ed MacDonald. Jack MacDonald will likely get a centre ice assignment, which is where he performed at the beginning of last season while Ed MacDonald was out with a football injury.

B.Y.C. will be at full strength for the game and led into it by Buck Whitlock, gunning for his 1,000th point in Maritime competition. Unofficial figures show he is near the mark.

The game will get underway at the usual time 8:30 sharp. Likely lineups:-
B.Y.C.—Goal, Doyle —Defense Perry, Ready, F. Shepherd, Mullins; Forwards—Whitlock, Pineau Howatt, Squarebriggs, L. Shepherd, Burke, Reddin, Delaney, J. Shepherd, Weatherbie.

Saints—Goal—Shepherd; Defense—Murphy, M. MacDonald, Tache, Mahar, Forwards—Roy, Gionet, Lemay, J. MacDonald, Whelan, MacGuigan, Kane Burns.

COMEBACK PAYING DIVID ENDS

Ted Kennedy Paces 4-3 Leaf Win Over Rangers

NEW YORK (CP)—Ted Kennedy's comeback began paying dividends for Toronto Maple Leafs Wednesday night as he set up two goals to lead them to a 4-3 National Hockey League victory over New York Rangers. The win broke a fourth-place tie between the two clubs.

The Leafs, who began the game tied at 31 points with New York in the last playoff spot, trailed 3-2 entering the last period.

Bobby Pulford got the equalizer at 7:13, converting a perfect goal-mouth pass from Kennedy.

Three and a half minutes later, at 10:40 Dick Duff got the clincher, firing a 10-footer past Ranger goalie Gump Worsley after picking up a drop pass from George Armstrong.

The Rangers never were able to generate a serious scoring effort after that.

SUMMARY

First period: 1. New York, Prentice (Bathgate, Popelin) 1:33; 2. Toronto, Macneil (Kennedy) 4:01. Penalties: Evans 3:56, 12:47, Nykluk 10:39, James 12:47, Howell 13:20, Foley 17:21, Morris 20:00.

Little Scotty Laughs AT THE STORM

WITH HIS SUBURBANITE WINTER TIRES BY GOODYEAR

Mind you, Little Scotty (the gentleman holding the tires above) wasn't all chuckles Tuesday morning when he woke up and found himself snowed in. But he was able to smile over the fact that his car was equipped with Suburbanite tires by Goodyear and he knew that as soon as it was humanly possible to get a car on the street or road he wouldn't have any tire problems. There were thousands of other drivers the same way. Scott MacPherson (Big Scotty) of Flat River was one of them. Like so many other Island drivers he had his car prepared for winter roads with Suburbanites by the boys at Island Tire Service. There's a scientific reason why Suburbanites are such favorites. They have 1,856 biting edges to give you more gripping power on ice or snow. Suburbanites are the tire with the logical tread design for winter driving. With Suburbanites even driving through hub-high snow is an easy matter. We invite you to buy your Suburbanites at Island Tire Service where so many drivers are finding the real answer to their winter driving problems. When buying your tires watch for the diamonds on the sides of the tire. They're the real proof that you are buying genuine rubber.

DRIVE SAFELY WITH SUBURBANITE RETREAD

Island Tire Service will retread your own tires with the Goodyear Suburbanite Tread to give you the same traction, features and quality as the new tire at a much lower cost. Drop in today and see us for your tire needs.
