Summerside Aces Dump Orin Carver's Juniors 8-4

The Summerside Aces got back to their winning stride at Clive stadium in Summerside last night, beating the Garrison Juniors of Charlottetown by the score of 8-4. Two scoring spurges by the Aces gave them their margin of victory. They scored three goals in a little over four minutes at the beginning of the game, and then faded badly, committing a lot of defensive slips as the Juniors kept the puck pretty well in the red shirts area, fine goal tending on the part of Ron MacDougall, a newcomer to the Ace line-up, kept the Aces from scoring any more goals. The Juniors downed two tallies as the Aces floundered, but Steele's snappers out of it to add another tally before the period ended with the score 4-2.

was fast and crowd pleasing and ended with Aces having a 5-4 margin.

At the start of the final frame the Aces put on another scoring spree, getting three goals this time in a little over three minutes. And this ended the scoring for the evening. Benny Grady led all snipers with three goals. Benny Howatt picking up two, Harris, Gaudet and Reeves getting single counters. The Orin Carver, Mulligan brothers line did all the scoring for the visitors, Billy Mulligan firing two, brother Vince and Orin Carver getting one each.

Referees Walter Lawlor and Gerard Bernard handed out eight minor penalties in a clean, but hard-fought game.

Orin Carver, Merrill Pineau, Art Flaunigan, Joe Arsenault.

Summerside Aces—Goal—Ron MacDougall, Defence—Eustace Reeves, Ron MacCarthur, Doug Williams, Vance Harris. Forwards—Coke Gray, Benny Grady, Leroy Clow, Gerry Ronohon, Claude Gaudet, Greg Deighan, Uric Gallant, Benny Howatt, Jamie Phillips.

SPORTS FRONT

LORNE HENNESSEY wasn't fooling when he said his Navy Tars were quiet and one that would cause other teams to be quiet before this C and D hockey game comes to an end.

The Tars had a job to do Thursday night and they went about their chore in a fashion that was bound to end in success. They played hard both ways, passed the rubber in fine style and threw a defence that Summerside Aces found real difficulty in solving.

These are the Navy that went to Summerside a short time ago and were submerged 15-0. These are the same fellows who visited the western capital last week and scared the Aces before losing 5-4. Yes, they are the same team but a team that has shown improvement each time that Hennessey has sent them over the boards.

The sailors have come a long way from that first night when Garrison Juniors banged them all over the Sports Arena surface. There were loud cries from all sides on that occasion as the Tars didn't belong in the league. We must confess we didn't get into any arguments with those who expressed such a belief. We just couldn't find too much wrong with their line of reasoning.

That is all over now and most folks you talk to will tell you that the Tars are the team to beat. That could be carrying it a bit far with Parkdale Royals, Garrison Juniors and Summerside all doing business. Royals administered an 8-1 trouncing to the Aces in Summerside but they had a bit of outside help to do that job. The Navy was strictly on its own Thursday night. They wanted it that way. When they downed those Aces, they wanted to have it to say that all the damage was done by Tars themselves.

So right now we have a most interesting hockey league, one that appears to have excellent playoff possibilities. The Aces who looked like a sure thing ten days ago are not the certainty they once were. Royals and Navy especially have served notice that they have definite ambitions to win this league.

And Aces may have quite a job on their hands stopping them.

PRINCE OF WALES COLLEGE curlers have a mighty nice cup ahead of them. The boys who won the Provincial Schoolboy curling championship here early Friday morning will go to Calgary to compete in the Dominion Schoolboy finals the week of February 15.

The young curlers will carry the best wishes of all sport fans in Prince Edward Island. The boys are a little short on experience but they showed coolness under pressure and that quality will help them when they compete with the top schoolboy curlers in the country.

The runners-up, Montague boys, naturally must have been disappointed at losing that playoff. They had come through that "must" win in the afternoon over Prince of Wales, forcing the crucial playoff. In the playoff the King's County boys just never struck their game and they were forced to be satisfied with a good place.

A look back at the competition, however, shows just how close the Montague boys were to grabbing the top honors. They were tied 6-6 after nine in their first clash with the Welshmen and were lying one in the tenth. They seemed certain of a 7-6 deficit. However fate took a hand and Montague pushed a P.W.C. puck in the big one. Had the Easterners won that one, then a playoff wouldn't have been necessary and Montague boys would soon be heading for Western Canada.

However, there are always "ifs" and they don't count in the curl column. The Welshmen are worthy champions and the Montague boys are indeed worthy runners-up.

Congratulations to both rinks. You put on a first class show.

SKATERS AROUND there parts have reason to rejoice in the fact that the Sports Arena management has been successful in obtaining a leading Charlottetown band to play each Monday night during February for the skating fraternity.

All skaters will agree that you can't beat band music. Now the chance to show that you want this type of entertainment continue.

This Monday night is the first of four skates with the band.

WE TREATED those Detroit Red Wings rather lightly in our column yesterday and before the words got into print, these two Wings came up with an impressive 4-1 win over Montreal Canadiens. It seems all we have to do is make such remarks as we did and the team we panned comes through with flying colors.

The wierdest things are happening in this N.H.L. this year and we think that 4-1 win is the wierdest thing yet. Last Sunday Detroit these same Canadiens crushed the Wings, yet four days later before the home folks, the Montrealers are laced by the Canadiens of old Abel.

So for the weekend we refuse to make a call. Things are getting more mixed up every day and what's supposed to happen rarely does.

Perhaps the nonsense will soon stop. However it might continue right through this entire schedule. If it does, there's certainly going to be a real barrel of fun.

The only ones who won't enjoy the excitement will be the two teams winding up fifth and sixth. Those positions don't make the playoffs and the end men in a minstrel show.

The more lofty positions are much more entertaining and more profitable too.

TORONTO (CP)—The Ontario government has bought the whirlpool rapids and Queenston-Lewis-River from private interests for \$3,660,000, it was announced Thursday.

DOWN THE BACK STRETCH

Next Monday will be District 11 day of the United States Trotting Association. At ten o'clock in the morning the Board of Review of the USTA will hear appeals from the decisions of Judges at Saint John, Moncton and Sackville Downs. And at ten-thirty, an official's school will be held, which will be presided over by Mr. Don R. Millar, executive vice-president of the U. S. T. A., Columbus, Ohio.

At two-thirty p.m. the district meeting will be held. All the above functions will be held in the Brunswick Hotel, Moncton. In addition to the above, on Tuesday, February 3, a conference on publicity, classification, programming and other track matters will be held at nine a.m. in the above hotel. Don R. Millar and Larry Evans, the latter publicity director of the USTA, will discuss matters connected with the above with track managers and officials who are attending the meeting.

A little bit of the history of the United States Trotting Association may be interesting to our horsemen friends. Up until 1938, there were several organizations handling harness racing in the United States. In the East, it was the National Trotting Association, with headquarters in Hartford, Connecticut, and the Maritime Provinces belonged to it from its early organization in the 1890's.

Because of the various governing bodies, far-sighted friends of harness racing decided that it would be advisable to form one strong organization to govern the sport. As it was, horses moving from Eastern to Mid-Western tracks had to get eligibility certificates from each of three organizations: the National, at Hartford, Conn. covering the East, South and California; the American Trotting Association in Chicago, operating in the Midwest; and the United Trotting Association at Bellefontaine, Ohio, governing Ohio and adjoining territory.

All these organizations worked independently, and in competition with one another. As a result, horsemen who moved about the country had to obtain several licenses, and racing papers, from more than one organization. The rules were not uniform and horsemen could skip from one territory to another to circumvent penalties. The identification of horses was uncertain, and rule enforcement was difficult. In addition, registration records were not being maintained properly.

NEED APPARENT

The need for a central organization was apparent to all leaders of the sport, and the following program was offered: 1. One governing body. 2. Uniform racing rules. 3. Compulsory registration. 4. Money-winning classification. 5. Revision of the standard. A meeting of horsemen representing the various organizations was held at Columbus, Ohio, on December 23, 1938, and was attended by 32 directors of the organization that were intending to combine to form the United States Trotting Association. The three delegates from the Maritime Provinces were: D. W. Griffiths, Fredrick, N.B.; Charles E. Ballard, Sydney Mines, N.S. and the writer. Of the 32 who attended that meeting and became directors of the newly formed U.S.T.A., only the following are now directors: Dunbar W. Bostwick, Aiken, South Carolina; Lawrence Sheppard, Hanover, Pennsylvania; W. H. Dickinson, Hatfield, Mass.; and the writer of this column.

Great credit must be given to E. Roland Harriman for the major part of the work.

We had the pleasure of a visit from Fred W. Wright, Dewar Lake, Saskatchewan, who is visiting his brother-in-law and sister, Mr. and Mrs. Frank A. MacNeil, Summerside.

Mr. Wright went out West on one of the harvest excursions in 1911, took up land and has made a success of farming. Some years ago, when there was a big demand for heavy horses, he brought two shipments here the last one in 1946.

A very chancey trotting performer is offered for sale in this issue—Airlock, bay gelding nine years old by Spud Hanover 2:03, dam Anna Bradford's—Miss McElwain 2:08½, by Mr. McElwain 1:59½. We understand that he is sound, and won his last two starts, at Truro, N.S.

Saint John horsemen have added five new pacers to their stables for this season. They are all purchased at Delaware, Ohio. Bold Mile 2:10 1-5 a five-year-old bay gelding by Bud Mite out of Miss Budlong 2:00 by Calumet Budlong 2:02 3-4; his owner is D. M. Lawson, Baker Double 2:08 4-5 is double gaited and has a trotting record of 2:10. He is sired by Dr. Baker, by Volomite. His owner is Dan Mackin, Guy Comet 2:07 2-5, is an eleven-year-old bay gelding by Scotland's Comet, by Scotland, his owner is Warren Douglas.

Earnie Spencer 2:12 1-5, is a brown gelding five years old by Prince Spencer, and Maria Hal 2:10 2-5, is a chestnut pacer mare, three years old, by Hal Senator, by Hal Dale. She took her record last year, and in one of her starts was separately timed in 2:07 2-5. She is owned by the Bright Spot Club.

Below will be found a compilation of ratings for Maritime drivers, which was issued by Universal Driver Rating System, a chart, 126 White Street, Saratoga Springs, New York. They have been friends of this column for years and have gone to a great deal of trouble to make up this separate list for the Maritime Provinces.

Our sincerest thanks to Harold M. Haswell for his kind thoughtfulness, and also for sending us charts of the drivers making 300 or more starts on U. S. T. A. tracks during 1958. We are pleased to see that in third place on that list is Joseph C. O'Brien, who made 377 starts, was 86 times first, 66 times second and 55 times third for an average percentage of 37.4. California driver Clarence Hansen is fourth, a d Billy Houghton, the world's largest money-winner, is sixth. Billy made 833 starts last year, was 176 times first, 109 times second and 133 times third for an average of 337. But he won more than a million dollars.

DRIVERS RATED

Harness horse drivers rated according to averages earned during the 1958 season as computed by the Universal Driver Rating System. This list includes all drivers racing principally in the Maritime Provinces of Canada having 100 or more starts during the year with an average of .250 or more.

Saint Thomas Varsity Blanks St. Dunstan's 6-0

Vance Toner's Saint Thomas Varsity hockey squad climbed into second place in the N.B.P.E.I. Intercollegiate hockey loop with a convincing 6-0 blanking of Saint Dunstan's at the Red and White rink last night.

Saints gave their best show in the first and third periods but once again erratic shooting kept them off the score sheet. They had several excellent chances but couldn't find the net.

Ten penalties were called, all minors, by referees Jack Rady and Brian McCallum. Each team collected five.

It was Saint Dunstan's third intercollegiate start. They lost a pair to Mount Allison before last night's battle. The Tommies held U.N.B. to a 2-2 tie before walloping the local scholars.

First period—1-St. Thomas.

The Tommies, out of Chatham New Brunswick, showed why they are top choice to advance against the Nova Scotia champs for the Maritime college crown. They skated in great style all night and never left the issue in one bit of doubt. The New Brunswickers showed class in every department and it was only a terrific goaltending performance by Earl Shepherd in the local Saints' net kept the score down to the half dozen mark.

Toner's boys scored two goals in each period and they worked their hearts out for every one. Hospodor led the winners with a brace of tallies and Larry Wood, Keating, Mahoney and Jones fired the others.

Juvenile Saints To Play At SDU

Coach Junior MacLeod of the Juvenile Abbies requests all his players to report to the Sports Arena Sunday at 2.45, from where they will proceed to Saint Dunstan's University to play Juvenile Saints in a hockey fixture which will get underway at 3.30.

Annandale Team Beats Montague

Lloyd MacDonald's Annandale Combines tripped the Montague Bison Bombers in Souris on Wednesday night by the score of 11-8.

Annandale led 6-1 at the end of the first period, 8-3 at the end of the second and were out scored 5-3 by the visitors in the third.

Jenkins with four goals was the leading scorer for Annandale, while D. MacLean scored three for Montague. Two penalties were called by referee George Paton, both to Annandale.

Scoring for Annandale: Jenkins 4, MacDonald 2, Paquet, Carl Peters, Claude Peters, and Thompson. For Montague: D. MacLean 3, MacPhee 2, Poole, Gallant and Sullivan. Attendance 180.

Playoff Schedule Is Released

Last evening in the Offices of the Department of Welfare and Labor, twenty-four enthusiastic representatives of Intermediate "B" and "C" teams from all over the Province met and ironed out many important problems which it is felt will make for a better season in Intermediate Hockey.

This season a record 31 teams have registered to play under the

20 teams were classified as "C" calibre and 11 as "B".

Following is the draw for first round of the playoffs:—

INTERMEDIATE "B"

Series "A"—Tignish at Lot 16; Lot 16 at Tignish, etc.

Series "B"—Cape Traverse at Alberton; Alberton at Cape Traverse, etc.

Series "C"—Nine Mile Creek at Geo'town; Geo'town at Nine Mile Creek, etc.

Series "D"—O'Leary at York; York at O'Leary, etc.

Series "E"—Annapdale at Montague; Montague at Annapdale, etc.

Series "F"—Hampshire—Bye.

All series to be best-of-three games with third game if necessary at rink of first-named home team. Gate receipts of third game to be shared evenly by competing teams.

Home teams responsible for rink arrangements including order among fans, etc.

Teams to arrange for and remunerate officials but in disagreement or unable to secure competent officials arrangements have been made with Physical Fitness Division to appoint competent officials on request. Phone Art Perry at 4883 or Bill Reid at 9531.

Clubs are asked, weather permitting to have this first round completed by midnight, February 10th.

Mt. Stewart Wins Game

The Mount Stewart pucksters visited the home-nest of the Georgetown Eagles on Monday night and when the smoke of battle had cleared the Eagles had lost a few of their fine feathers, something which has not happened too often this season.

The final score was 11-6 and the fans are anxiously awaiting a return tussle between those two teams.

Goal getters for the winners were: F. Robertson with four; E. Crane with three, C. McGee; F. Handrahan, and Affleck and B. MacIntyre each with a single.

For the Eagles the goal-getting were: A. MacSwain and R. Landry with two each and S. Johnson and C. David with singles.

Island Branch and last evening at the meeting of representatives.
