Thousands of Lives Lost

Poets and novelists go into ecstasies over what they romantically call "beautiful spring," and "gentle spring," and while, no doubt, every one is glad to see winter release its icy grasp, "beautiful spring" is, after all, one of the most deadly seasons of the year. Sudden transitions from warmth to extreme cold, with piercing, chilling winds; from dry to sloppy, "muggy" weather, all combine to make the season a most trying one, even to the hardiest constitution, while to those with weak constitutions the season is one of positive danger. Undoubtedly the greatest danger at this season of the year is from cold in the head, which very few escape, and which if not promptly and thoroughly treated, develops into catarrh, with all its disagreeable and loathsome effects. Catarrh, neglected, almost as certainly developes into consumption, annually destroying thousands of lives. At this trying season no household should be without a bottle of Nasal Balm. In cases of cold in the head it gives almost instant relief and effects a speedy cure, thus preventing the development of catarrh. Where the latter disease has already secured a hold it is equally efficacious, and with persistent use will cure the worst case. From the outset it sweetens the breath, stops the nauseous droppings into the throat and lungs, dispels those dull headaches that afflict the sufferer from catarrh. Nasal Balm is not advertised as a cure-all—it is an honest remedy which never fails to cure cold in the head or catarrh when the directions are faithfully followed, and thousands throughout the country have reason to bless its discovery. Nasal Balm may be had from all dealers or will be sent post-paid on receipt of price (50 cents, small, or $1, large size bottle) by addressing Fulford & Co., Brockville, Ont.
