

HUMOROUS.

What is man? 'A pinch of phosphorus and a bucketful of water,' answers a German Chemist.

An aged lady thinking she was dying, said in a penitential mood: 'I've been a great sinner for more than sixty years, and didn't know it.' To which her old negro servant, who had lived with her from childhood, responded: 'Good gracious, I knew it all the time!'

'Your handwriting is very bad indeed,' said a gentleman to a friend more addicted to boating than to study: 'you really ought to learn to write better.' 'Ay, ay,' replied the young man, 'it is all very well for you to tell me that; but if I were to write better, people would find out how I could spell.'

'Man alive,' exclaimed the Judge, in a heated discussion of a tangled theological point with his friend, 'I tell you, you are a free agent. You do not have to obey any one.' 'Yes,' said Mr. Goodman, meekly, 'but I do, though.' 'Who?' shouted the Judge, 'who?' 'My wife, her two sisters and the baby,' howled the good man, meekly triumphant.

Said the Rev. John Brown to his theological students: 'Young men, you need three things to make you good ministers—learning, grace, and common sense. As for learning, I will try and set you in the way of it; as for the grace ye must always pray for it; but if ye have not brought the common sense with you, ye may go about your business.'

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For sale by all Druggists.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:

The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils.
For further particulars address the Principal.

In view of the present pressing demands for help, the friends of the poor are urgently requested to send donations immediately and as regularly as possible, which will be received by Mrs. W. KENNEDY, Confectionery. Clothing will likewise be very acceptable.

CATARRH.

Constitutional Catarrh Remedy
CURES CATARRH.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.:—
DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long. I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite clear of that ailment, and have not used any since until of late I have taken some for a cold in my head. A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper. Yours truly,

W. TINDALL, Methodist Minister.
