### National Graduation Register

Remember me? My name is Erin McCrady and I am the campus representative for the National Graduate Register (NGR). I now have an office (Robertson Library room B-08) and a phone number (566-0792) so if you would like to ask any questions about the NGR or make an appointment to place your resume in the NGR database you can. You can also reach me by e-mail -- [jmccrady@upei.ca](mailto:jmccrady@upei.ca). Remember, the NGR is a free service for students, so do not worry about the cost!

Also watch for another article about the NGR in an upcoming issue of the Cadre.

### Choices

Choosing is confusing - Make good choices, not bad guesses!

If you want to know:

What kind of work does an Occupational Therapist do?

Which Graduate schools offer programs in Chemical Engineering?

What schools offer M.ED's in Education?

Or any other career or academic related questions, you should visit the UPEI Career Development centre.

Choices is an easy to use career software that is available now to all UPEI students at no cost

### Wanted

HIGHLY MOTIVATED  
UPEI Students for  
New Student Orientation 1998

The University is looking for highly motivated, enthusiastic and well-organized students to plan and implement Orientation for new students in the Fall of 1998. We are looking for individuals who will be able to dedicate their time and talents to welcoming - helping them feel at home and introducing them to academic life at UPEI. The University will appoint four students to the NSO Leadership Team. The NSO Leadership will:

- review previous NSO events
- work with the First Year Advisement Centre located in the Department of Student Development
- propose the theme for NSO '98
- recruit student orientation leaders
- organize training for student leaders
- correlate campus and community events surrounding orientation
- conduct an evaluation of Orientation '98 - to be completed by Sept.30/98

If you are interested in participating in the NSO Leadership Team please pick up an application package at the Student Union or the Department of Student Development. **Application deadline is January 30, 1998.** For information on these volunteer positions as well as other volunteer opportunities with new Student Orientation '98 contact Blaine Jensen - Director of Student Development located in the Robertson Library Building or e-mail [bjensen@upei.ca](mailto:bjensen@upei.ca)
