**To Myself**

By Paul Flemming, 1600.  
Let nothing make thee sad or fretful.  
Or too regretful:  
Be still.  
What God hath ordered must be right,  
Then find it in thine own delight,  
My will.  
Why should'st thou fill to-day with sorrow  
About to-morrow,  
My heart?  
One watches all with care most true,  
Doubt not that He will give thee, too,  
Thy part.  
Only be steadfast never waver,  
Nor seek earth's favor,  
But rest;  
Thou knowest what God wills must be  
For all his creatures—so for thee,  
The best.  
McCall.

**Nagging.**

The two baneful habits of nagging the children, threatening them with no idea of carrying out the threats, which the children understand as readily as the mothers, are so damaging to their morals that mothers should give thought to them and determine to stop them. This latter fault of threatening without execution, of which so many mothers are guilty, is teaching the children untruthfulness in a most pronounced way. Indeed, so notable is this, it is worthy of remark when a mother quietly insists upon the child doing what she has said he must do if he disobeys, or depriving him of what she has declared he shall not enjoy. A fashionable, but loving young mother, said to me some months since, "What do you think Charles said to me last night, when I was sitting in his room at bedtime? He suddenly exclaimed, 'Dearest, did you know you had told me three lies to-day? and then proceeded to rehearse how I had told them by promising to do and not to do, and breaking the promises.'"—The Standard.

**Faith and Hope.**

"Although very closely connected faith and hope should be clearly distinguished. Faith has work to perform to-day; hope cheers faith on the way, and points to rewards of service. The former comes by hearing, the apostle Paul tells us, while the latter comes by experience. Faith accepts the gift of promise, and hope guards the sacred treasure. Hope confidently expects the fulfilment of promises in the future. The bible has much to say about hope, but never does it use the term to mean uncertainty or doubt. It is always employed in the sense of implicit confidence in the fulfilment of the promise upon which it rests. It is a wrong use of the Scriptural term for any one to hope that he is a Christian, even as it would be absurd for me to hope that I am an American. That is a fact. I do not hope to be something that I know I am. I may hope to ever be a loyal citizen of my country, and, in the sense of truly believing that my patriotism will keep me such, I am holding rightly. And thus, while we know that we are christians, we may hope, through faith, to be kept from the temptations which surround us through Him who has redeemed us from sin."—Dwight L. Moody.

—Godliness is profitable unto all things having promise of the life that now is, and of that which is to come."  
—Canadian Churchman.

"To be of no church is dangerous. Religion of which the rewards are distant and which is animated only by faith and hope, will glide by degrees out of the mind, unless it be invigorated and repressed by external ordinances, by stated calls to worship and the salutary influence of example."  
—Johnston.

**WONDERFUL ASTHMA RECOVERIES.**

Clarke's Kola Compound Officially Tested by the British Columbia Government, at the Home for incurables, Kamloops, B. C., the Medical Superintendent Pronounced Long-standing Cases Cured.

Many temporary relief asthma remedies have during the past few years been placed before the public, but until the introduction to the medical profession of Clarke's Kola Compound, nothing has been found to have any effect on preventing future attacks. The Medical Superintendent for the Home for incurables in Kamloops, B. C., as had probably the best chance in Canada to thoroughly test this wonderful remedy for asthma. He reports that on the three cases of asthma where Clarke's Kola Compound has been tried, in not a single instance did it fail to cure, and in one particular case a lady had been confined to her bed most of the time for nearly a year previous to taking this remedy, and less than three bottles have completely cured her. Over one year has now passed, and there has not been the slightest indication of asthma returning. Three bottles of Clarke's Kola Compound are guaranteed to cure any case of asthma. Over 500 cases have already been cured in Canada alone by this remedy. Sold by all druggists. Free sample bottle sent to any person. Mention this paper. Address The Griffiths & Macpherson Co., 127 Church street, Toronto, or Vancouver, B. C., sole Canadian agents.

**Paine's Celery Compound**

Indorsed by Physicians as the Best Spring Medicine.

The records and history of medicine point to Paine's Celery Compound as the most successful remedy ever given to sick and suffering humanity. It is indorsed by the medical faculty because they know its formula and have confidence in its life-giving virtues.

Paine's Celery Compound works gloriously and marvellous cures, and accounts for its world-wide and enormous sales.

It is in the spring time—this very month when men and women are weak, nervous, rheumatic, neuralgia, dyspeptic, have headache, kidney and liver troubles, and blood that is sluggish and impure, that the great medicine should be used to restore nervous energy, rich blood, healthy digestion, natural appetite and sweet refreshing sleep.

The winter has been a time wherein men and women have stored ill health instead of keeping the body sound, clean and full of true life. The nerves, blood and digestive organs must be fed, nourished and cleaned by Paine's Celery Compound if true and lasting health is looked for.

At this time we honestly urge the use of medicine that has restored thousands to full and robust health after medical skill and ordinary medicines failed. One bottle of Paine's Celery Compound will convince you that you have found a true friend and helper.

**LINEMAN DUNN.**

Of Dundas, Endorses Dodd's Kidney Pills For Rheumatism.

Dundas, March 13.—"Gentlemen—I have been troubled with Rheumatism for a year past, and have used several so-called cures. None of them did me a particle of good, however, until I started on a box of Dodd's Kidney Pills. Since then my sufferings have been brief as my story is. Three boxes of Dodd's Kidney Pills cured me completely, and you are welcome to make my statement public. William Dunn, Telephone Lineman."

Here is information, more precious than a gold mine to men who follow the same occupation as Mr. Dunn, and who are great sufferers from Rheumatism. Dodd's Kidney Pills will cure them as they cured Mr. Dunn.

Count Tolstoy's new book, the proceeds of which will be devoted to the Dakhobor settlements in Canada, is entitled, "The Resurrection." The novel is strong in human study, with a central problem. Experts speak of it as the most vivid piece of literature that has ever come from Tolstoy's pen.
