TORONTO

TORONTO (CP) — Profit-taking continued to plague the stock market Thursday for the fourth session this week amid moderately-active trading.

All sections, with the exception of western oils, erased part of their losses near the close.

The rising price of copper in the United States and overseas failed to boost red metal issues here. Among copper issues International Nickel dipped ⅝ to 87⅝ and Noranda lost ¼ at 54¼.

Buffadson was the most active speculative stock, trading 187,300 shares. It eased 1 cent at 17 cents.

Golds were weak and not too heavily traded. McIntyre dipped 1¾ at 85¾ and Hollinger was off 1 at 27.

Senior issues pulled western oils off as the profit-taking continued in the section. Pacific Pete was off ⅞ at 19⅛.

Index losses: Golds .28 at 82.62; base metals .89 to 179.60; western oils .70 to 140.33.
