To ELECTORATE of P. E. ISLAND

Attention is drawn to the Election Act, which makes it unlawful to engage in corrupt practices, including the buying and selling of votes and the use of intoxicating liquor for Election purposes.

The Electorate is urged to use its democratic right to vote, and use its influence to prevent such violations of the Election Act.

Indifference regarding voting and the winking at corrupt practices will not only weaken our political life, but lower the moral life of our people.
