LOCAL AND OTHER MATTERS.

CITY COUNCIL.—A meeting of the City Council will be held this (Monday) evening

CLEARED.—Fifteen vessels which had been detained in Hillsborough Bay by the ice, cleared on Friday last.

GUBERNATORIAL.—Lieut. Governor Archibald, of Nova Scotia, has gone to see the Centennial Exhibition.

HAIR CUTTING, Shaving, Shampooing, Dying, &c., &c., in first class style, at the Union House Hair-dressing Saloon, 28 Queen Street, by Chas. Otto Winkler. tf

NOTES FROM GEORGETOWN.—Our correspondent at Georgetown writes:—

The S. S. *Albert* arrived this evening from Magdalen Islands. She reports the herring have struck, and a large fleet of vessels, bound for that fishing, were observed in the ice. Brigt. *George Wakefield*, from Cardigan Bridge to Pinette, to load oats for Europe is at Georgetown.

"HERMENVILLE."—At a public meeting recently held for the purpose, it was unanimously agreed to name that particular locality where the Souris Line Road intersects the shore road at Black Bush, Lot 45, "Hermenville," which place shall hereafter be known as "Hermenville," Lot 45.

MR. DOUGLAS GORDON has been appointed Agent for the Steam Navigation Co., at this port in the place of the late Joseph Bertram, Esq. Mr. Gordon is an efficient, obliging young man, and we feel confident he will give the public every satisfaction.—*Journal.*

A SUCCESSFUL COMPANY.—The Halifax *Chronicle* says:—"The Quebec and Gulf Ports Steamship Company have done a great deal this year towards bringing to perfection communication with the different Gulf Ports and Halifax. A steamer is to leave Quebec and Pictou every Thursday, calling at the intermediate ports. The large steamers will make weekly trips between Montreal and Halifax, calling at Miramichi, Shediac, Pictou and Charlottetown, P. E. I."

ACADEMICAL.—The Academy of New Glasgow is a thriving institution, under the superintendence of that talented young Islander, Mr. James McLean, who so highly distinguished himself at Dalhousie College. The New Glasgow *Chronicle* says that Mr. McLean "seems to have enkindled in his pupils that love of knowledge and even to have endowed them with that facility in its acquirement for which he is distinguished."

BUILDING AT SUMMERSIDE.—We understand that Mr. Richard Hunt intends building on the Darby property which he has lately come in possession of. Mr. Wm. Harris Architect, of Charlottetown, has been engaged on a plan of the building, and has matured one which we think both handsome and convenient, and displays considerable talent and ingenuity on the part of the designer. The residence will be quite an ornament to that part of the country.—*S. Journal.*

NEW POST OFFICES.—The following new Post Offices were established in this Island on 1st May, viz.:—Alma, situated in Township No. 3, Prince County, Geo. Mountain, Postmaster. MacDougall, Township No. 14, Prince County, Jas. MacDougall Postmaster. Mill View, Township No. 50, Queen's County, J. G. McKenzie, Postmaster. Sea Cow Pond, Township No. 1, Prince County, J. C. McCarthy, Postmaster. West St. Peter's, Township No. 39, King's County, Jas. McDonald, Postmaster.

ALBERTON.—The other day we took a run up to Alberton, and we were surprised on arriving at that place to see what fine dry streets the people had the pleasure of promenading—not a particle of mud was to be seen. How different are the streets of our town. There are several new buildings in course of erection, and some that have been in frame all winter are now receiving the finishing touch. Our friend John L. McKinnon, is in exceedingly good spirits, and, about the 1st of June he will appear before the public as the editor and proprietor of the *Alberton Pioneer*. We sincerely hope that Mr. McKinnon's enterprise will turn out a profitable one to him. Hon. G. W. Howlan is busily engaged in moving his household effects down to the Point. He also intends to move his business down in the course of a few months. The mills of Messrs. Wiggins & Hunter are in full blast, and business generally presents a very lively appearance.—*S. J.*

THE *Patriot* says:—It is again our duty to record the brilliant success of another Island student, Mr. Donald C. Ross, who, as our readers will recollect, gained a scholarship at McGill University, in September last, ranks higher than any other man of his year in that institution. When Mr. Ross entered the University he was sufficiently advanced in his studies to take his place among the second year men, and the prize list shows that he has outstripped all competitors of that year. The following is the first entry on the roll of Honor and Prizes in which the name of Donald C. Ross appears:—"Second year, Donald C. Ross, Prince of Wales College, Charlottetown, P. E. I., Second Rank, Honors in Mathematics and Prize; First Rank General Standing Prize in English. Mr. Ross took a first place in Greek, Latin and English Literature, and he ranked high in Logic, French and Botany.

Mr. Ross's relatives and friends have good reason to be proud of his success, and the people of the Island should prize very highly, the Prince of Wales College, which sends students to the Colleges of the Continent prepared to win honors that are competed for by the best men from the schools in the Dominion. Prince of Wales College students have, this year distinguished themselves in Halifax, in Kingston and in Montreal, and the successful competitor for the Gilchrist scolarship received the groundwork of his education in our Island College.

IN MEMORIAM.—It having been proposed to erect a College Chapel in memory of the late J. M. Hensley, D. D., for many years Vice-President of King's College and Professor of Divinity, a committee was appointed some time ago to put the project into shape and collect subscriptions. The building is to be of brick or stone and the cost, exclusive of internal fittings, is not to exceed four thousand dollars, of which sum we understand, half has already been subscribed. The memorial character of the Chapel is to be indicated by a tablet or window, as may be decided on at the Encœnia of the College, on the 26th of June next, when the plans of the Chapel and the form of the memorial will be submitted by the Committee to the Board of Governors. The late Dr. Hensley was so widely known and respected in the Maritime Provinces that there is no doubt his many friends will be glad of having an opportunity to come forward and testify their appreciation of his personal and professional character, by subscribing to the proposed memorial. Subscriptions may be sent either to the Rev. Canon Dart, President of King's College, or to the Commercial Bank of Windsor.—*Hx. Chroniele.*

LOCAL AND OTHER MATTERS.

"A PROTESTANT DEFENCE ASSOCIATION" is about being formed in Charlottetown.

A CENTENARIAN.—Mr. John Burns died at Valleyfield on the 4th instant,—aged 102 years.

MILITIA DRILL.—Orders for the annual drill of the militia were issued at Ottawa on Saturday last.

PERSONAL.—Hon. D. Laird, Minister of the Interior, and Mr. Duncan Campbell, the Historian, arrived in Charlottetown on Friday evening.

TEMPERANCE.—We are pleased to learn that the Temperance Association in connection with St. Paul's Church is in a flourishing condition.

ADMITTED TO THE BAR.—On Monday last, the 8th inst., James Palmer, Esq., son of Mr. Chief Justice Palmer, was admitted a member of the Bar of this Province. We learn that previous to his admission, Mr. Palmer passed a very creditable examination.

TRAGEDY IN ONTARIO.—A tragedy is reported from Peterboro, Ontario. James Ryan, who had been drinking very hard of late, stabbed his wife through the heart in their own house. The poor woman rushed into the street and up the sidewalk and then fell dead. The woman was considered highly respectable and intelligent.

IMPORTANT JUDICIAL DECISION.—We learn that in the important suit pending in the Supreme Court during the past five years, between J. S. Carvell and the City of Charlottetown, a decision has been given, by which a great part of Pownal Wharf is declared to be on the property of Mr. Carvell. The decision is said to be worth, to that gentleman, $20,000. The loss of the city is, of course, correspondingly large.

THE LOBSTER FISHERY.—The Halifax *Chronicle* is, with us, "glad to learn that the Minister of Marine and Fisheries has been induced to withdraw the obnoxious order in regard to the catch of lobsters, and to fix the "close season" a month later, than was at first proposed. The season will be from the 10th of August to the 20th of September, instead of from the 10th of July to the 20th of August."

MR. BRYDGES' SALARY has lately been increased to $8,000 per annum, exclusive of incidental expences, travelling outlay, etc. Our generous Reform Government last year paid the expenses of offices for him at Ottawa. Lucky Mr. Brydges!—It is now easy to understand why trackmen's wages must be cut down on the Government Railways.—*Watchman.*

FLOODS IN ONTARIO.—The water in the Ottowa river is three feet higher than ever known, and is rising rapidly. Much damage done to wharves, and storehouses immersed. At Chaudiere, near Ottawa, the river is actually rolling through the mill yards. Large quantities of logs, timber and barns, pass over the falls continually. Destruction is immense. Fears of greater disasters are entertained as the river is still rising.

STEAMERS.—The *Albert*, having returned from the Magdalen Island's—brought over about forty passengers from Pictou on Thursday last. The *Albert* has on board a large quantity of freight for the Hon. J. C. Pope, at Alberton; but owing it is said, to the ice on the North side, she was unable to reach that port.—The *Princess of Wales* and *St. Lawrence*, have, at last, commenced their summer work.—The *M. A. Starr*, from Halifax, arrived on Thursday and sailed again on Friday.—The *Carroll* from Boston arrived on Friday and sailed on Saturday.—The *Princess of Wales* left Shediac, on Saturday, but after remaining seven hours in the ice, was obliged to return.

THE ETERNITY OF PUNISHMENT.—Rev. D. J. McDonald, a Presbyterian Minister, whose orthodoxy on this point has been questioned, sends the following explanation of his belief to the Presbytery:

"In regard to the eternity of future punishment, I have arrived at no conclusion at variance with the doctrine of the Church. I do not conceal that I have some doubt whether the Church is absolutely correct in her interpretation of certain passages of Scripture which, nevertheless, I admit, point with almost irresistible force in the direction of the endless punishment of the wicked. I have no intention of making this doubt a part of my preaching. Having made this statement, I have no difficulty in declaring my adhesion to the teaching of the Confession of Faith on this point, the more especially as the language used in almost entirely borrowed from Scripture."

O'CONNELL CENTENARY COMMITTEE.—At a meeting of the above Committee held in the Chamber of Commerce, pursuant to notice, on the 9th inst., it was resolved:—

On motion of Henry Hughes, seconded by Thomas Foley:

1. That the sums paid to the Treasurer as a Reserve Fund, be handed back to the several persons who contributed towards said fund.

On motion of Owen Connolly, seconded by William Welsh:

2. That the balance on hand, after defraying all expenses, viz, $204 00 be presented to the Benevolent Irish Society, for charitable purposes.

On motion of William Welsh, seconded by John Corbett.

3. That the thanks of the Committee are due to James Reddin for his courtesy and attention as Chairman.

On motion of Thomas Handrahan, seconded by Owen Connolly.

4. That the thanks of the Committee are due to P. R. Bowers for the energy and ability with which he performed the duties of Secretary.

On motion of Thomas Foley, seconded by William Welsh:

5. That the thanks of the Committee are due to the Press of the Province for the cordial support they gave towards making the O'Connell Celebration in this Province a great success.

Whereupon the object for which the Committee were organized, having been brought to a successful close, the Committe dissolved.—*New Era.*
